Handbook of Research on the Influence and Effectiveness of Gamification in Education Bernardes, Oscar, Amorim, Vanessa, Moreira, Antonio Carrizo, 2022-05-20 Gamification is an increasingly popular technology that has been utilized across a number of fields such as business, medicine and education. As education continues to turn toward online teaching and learning, gamification is one of many new technologies that have been proven to assist educators in providing holistic and effective instruction. Additional research is required to ensure this technology is utilized appropriately within the classroom. The Handbook of Research on the Influence and Effectiveness of Gamification in Education considers the importance of gamification in the current learning environment and discusses the best practices, opportunities and challenges of this innovative technology within an educational setting. Covering a wide range of critical topics such as engagement, serious games and escape rooms, this major reference work is essential for policymakers, academicians, administrators, scholars, researchers, practitioners, instructors and students.

Impact Coaching Julie R. Smith, Raymond L. Smith, 2017-12-14 Invest in building talent. The best principals don't just happen. When new principals are handed the keys and left to make decisions about their schools without adequate sustained support, what happens? Too often, school improvement efforts don't gain full traction; principals often give up and leave, and real student gains remain out of reach. Impact Coaching bucks the notion of leaving principals to learn the ropes on their own. This book offers a solid, sustainable and laser-sharp focus on instructional leadership and helps leaders hone, model and lead new learning through deliberate practice by engaging in rich, rigorous and reflective, open-to-learning conversations with both coaches and colleagues to improve instructional leadership practices. Leveraging their 5 Big Winner Practices for highest impact, Using Linking Walk templates to apply new ideas to real scenarios that improve lead learner practices. This book could be your single most impactful investment toward eventual student achievement. The authors do a great job of sharing the benefits of coaching and elaborating on how the coaching partnership should and could look. The book is very

relevant clearly based on research and has some great checklists to further clarify the recommended steps Kathy Rhodes Principal Hinton Elementary Hinton IA Impact Coaching provides school leaders with the tools to turn opportunity into action Educational leaders possess an incredible capacity to influence the system and impact student learning Ray and Julie Smith present strategies for focusing on leadership practices that maximize impact on student learning and achievement This book will re ignite your commitment to creating effective change bolster your confidence to persist through challenges and renew your motivation to reach your fullest potential The authors will simultaneously inspire your soul and challenge your mind Russell J Quaglia President Founder Quaglia Institute for Student Aspirations *The Principalship* Frederick C. Lunenburg, Beverly J. Irby, 2022-08-04 Today s emphasis on student learning outcomes coupled with federal legislation to that end has placed more demands on the role of the principal than ever before in our nation s history To address the heightened demands for greater accountability for student learning The Principalship uses a learning centered approach one that emphasizes the role of the principal as the steward of the school s vision learning for all The critical aspects of the teaching learning process are addressed here including student motivation individual differences classroom management assessing student learning and developing maintaining and changing school culture In addition several topics not found in other principalship texts are addressed including school safety special education gifted education bilingual education nontraditional organizational structures gender inclusive theories diversity ethics political and policy context human resource management legal issues and collective bargaining The book is documented extensively throughout and grounded in the latest research and theory with suggestions for applying theory to practice reflecting cutting edge research and topical issues facing principals in schools today Australian national bibliography ,1961
