

JOHN 19:29

JEREMIAH J. JOHNSTON

"that the Scripture might be fulfilled," He said, "I'm thirsty." "A jar full of sour wine was sitting there; so they fixed a sponge full of sour wine on hyssop and held it up to His mouth."

"When Jesus had received the sour wine, He said, 'It is finished!' Then bowing His head, He gave up His spirit."

Jesus' Side Pierced

"Since it was the preparation day, the Jews did not want the bodies to remain on the cross on the Sabbath (that day Sabbath was a special day). They requested that Pilate have the bodies removed."

"But when they came to Jesus' body, they did not break Him open. Instead, they saw that He was already dead. "But one of the soldiers placed his side with a spear, and blood and water came out. "He who saw this has testified so that you also may believe. His testimony is true, and he knows he is telling the truth. "For these things happened so that the Scripture would be fulfilled: Not one of His bones will be broken. "Also, another Scripture says: 'They will look at the One they pierced.'"

Jesus' Burial

"Nicomachus (who had previously asked Pilate that he might remove Jesus' body. Pilate gave him permission, so he came and took His body away. "Nicodemus (who had previ-

ously come to Him at night) also came, bringing a mixture of about 75 pounds of myrrh and aloes. "Then they took Jesus' body and wrapped it in linen cloths with the aromatic spices, according to the burial custom of the Jews. "There was a garden in the place where He was crucified. A new tomb was in the garden; no one had yet been placed in it. "They placed Jesus there because of the Jewish preparation and since the tomb was nearby."

The Empty Tomb

20 On the first day of the week "Mary Magdalene came to the tomb early, while it was still dark. She said to the guards, 'The Lord has risen. "They have taken the Lord out of the tomb, and we don't know where they have put Him!'"

"At that, Peter and the other disciple went out, heading for the tomb. "The two were running together, but the other disciple outran Peter and got to the tomb first. "Steeping down, he saw the linen cloths lying there, yet he did not go in. "Then, following him, Simon Peter came also. He entered the tomb and saw the linen cloths lying there. "The wrapping that had been on His head was not lying with the linen cloths but was folded up in a separate place by itself. "The other disciple, who had come

not understood the Scripture that He must rise from the dead. "Then the disciples went home again."

Plot Engineering Hugo Raines,AI,2025-05-05 Plot Engineering offers a comprehensive guide to crafting compelling narratives by exploring the essential frameworks that underpin effective storytelling It unveils how understanding

narrative structures such as the Hero's Journey and act structures combined with logical sequencing is crucial for creating stories that resonate. The book analyzes examples from literature and performing arts illustrating how these frameworks can be tailored to various genres to build tension and engage audiences. The book's unique value lies in its integrated approach blending theoretical concepts with practical applications to make complex ideas accessible. It highlights intriguing facts such as the impact of logical sequencing on creating a sense of inevitability. By focusing on plot construction and narrative design, Plot Engineering provides aspiring writers, playwrights, and screenwriters with a skill set applicable across different mediums. Structured in three parts, the book begins with core concepts and narrative frameworks, progressing to real-world examples and advanced techniques for suspense and character development. It culminates in a discussion of ethical considerations, reminding storytellers of their power and responsibility. This approach ensures that readers gain a thorough understanding of plot engineering and its application in performing arts and language arts.
