Tucker, 2014-05-27 Though we often focus more on the male heroes and villains in the Bible the pages of Scripture are brimming with women who are edgy strong willed and controversial Far from the stereotype of sweet and submissive many women of the Bible steal the show despite being cast in the supporting roles What parts did these women have in the vast family of God What challenges did they face that we face even today And what can we learn from them if we allow them to be the three dimensional people they really were In *Dynamic Women of the Bible* the lives of more than fifty biblical women are summoned from their graves to live again by the author who brought you *The Biographical Bible* Scripture references biographical profiles sidebars featuring twenty additional women of the Bible discussion questions and life applications make this book perfect for small groups Bible studies book clubs and personal reading **Scarlet Cord** Lindsay Hardin Freeman, Karen N. renunció a todo sin esperar nada a cambio y Dios la honró. Betsab despertó la pasión de un rey con su belleza y su dolor movió el corazón de Dios. María respondió en simple obediencia al llamado de Dios en el momento que toda la eternidad había estado esperando. Cada una enfrentó retos extraordinarios y aun escandalosos, cada una tomó un gran riesgo personal para cumplir con su llamado y cada una estaba destinada a desempeñar un papel clave en el linaje de Jesucristo. This compilation of the five books in the bestselling series *A Lineage of Grace* shares the stories of the five unlikely women who changed eternity: Tamar betrayed by the men who controlled her future fought for her right to believe in a loving God; Rahab, a woman with a past, received from God a new path for her future; Ruth, who gave up everything expecting nothing and was honored by God; Bathsheba's beauty stirred the passion of a king and her pain moved the heart of God; Mary responded in simple obedience to God's call in the moment all eternity had been waiting for. Each was faced with extraordinary even scandalous challenges, each took great personal risk to fulfill her calling and each was destined to play a key role in the lineage of Jesus Christ. **A**

Lineage of Grace Francine Rivers, 2012-11-21. The complete biblical historical fiction compilation by the New York Times bestselling author of *Redeeming Love* and *A Voice in the Wind*. The Bible is filled with inspiring stories of unlikely candidates God chose to change eternity. This bestselling compilation in one volume contains five novellas about such people: women in the family tree of Jesus Christ: Tamar, Rahab, Ruth, Bathsheba, Mary. Each was faced with extraordinary even scandalous challenges. But they had courage. They lived daring lives. Sometimes they made mistakes, big mistakes. And yet God in His infinite mercy and grace used them to bring forth the Christ, the Savior of the world. Their stories still hold great meaning and inspiration for us today. Tamar risked her life and reputation to be the woman she was called to be. See how the Lord uses our circumstances and our steps toward Him, however faltering, to fulfill His plan. Rahab was exploited by men who saw only her beauty, yet she held fast to her faith in God and was rewarded. Discover how God seeks and finds those whose hearts are tender toward Him, no matter how far away they are. Ruth's loyalty, especially toward her mother-in-law Naomi, helped her persevere in the face of tragedy and God gave her a second chance at love. Be encouraged that God will provide even when all hope seems lost. Bathsheba's scandalous affair with David did not end in one night. Learn that God is willing to restore and redeem those lost in the depths of despair who call out to Him. Mary is one of the most revered women in history. But first she was an ordinary woman striving to please God in the same way women still do today. When God spoke, Mary responded in obedience, which changed the world forever. Each novella includes an in-depth Bible study, perfect for personal reflection or group discussion. Watch these five women in the Bible come to life and learn from their examples of hope, faith, love, and obedience. *The Oxford Handbook of Feminist Approaches to the Hebrew Bible* Susanne Scholz, 2020-12-31. Joshua Cyril J. Barber, 2006-02-01 Most studies of the Book of Joshua fall into two well defined categories On the one hand we have the writings of those devout students of God s Word who build upon typology and explain the events of the book as symbols of subsequent greater events Their approach is largely allegorical Other scholars lay stress on the exegetical nuances of the text the history and geography of the times discount the miraculous and provide a naturalistic interpretation of the momentous happenings that took place They often fail to see the hand of God in the events described by the biblical writer Dr Barber s treatment is different He is conservative in his discussion of the text and he paints a real life picture of the events as they transpired He is also cognizant of the issues and shows God to be utterly faithful to His covenants He does not gloss over the failures of Joshua and the Israelites but finds in them warnings for believers today Of particular importance is his discussion of the way to achieve day to day victory in the Christian life This is a practical devotional book designed for use by lay people
