Unclean Lips Unclean Lips:

The Gospel According to Mark Marie Noonan Sabin, 2006 Complete biblical texts with commentary written at a pastoral level the Scripture translation is that of the New American Bible with Revised New Testament and Revised Psalms 1991 Isaiah Robert L. Wilken, Angela Russell Christman, Michael J. Hollerich, 2007-07-03 In his extremely thorough work on Isaiah Robert Wilken brings to bear his considerable knowledge of early Christianity Drawing on writings of the church fathers Eusebius of Caesarea Ambrose Jerome Cyril of Alexandria Theodoret of Cyrus Bernard of Clairvaux and nearly sixty others all of them masterfully translated this work allows the complex words of Isaiah to come alive Wilken's selection of ancient commentators clearly illuminates how Isaiah was used by the New Testament writers and understood by the early church fathers Each chapter begins with a modern English translation of the septuagint prepared by Moiss Silva Editorial comments provide a foundation for understanding the excerpted commentaries and other writings that follow for each chapter Isaiah Interpreted by Early Christian and Medieval Commentators is ideal for devotional and spiritual reading and for a deeper understanding of the church's historical interpretation of this major prophet **The Art of Reading Scripture** Ellen F. Davis, Richard B. Hays, 2003-10-02 The difficulty of interpreting the Bible is felt all over today Is the Bible still authoritative for the faith and practice of the church If so in what way What practices of reading offer the most appropriate approach to understanding Scripture The church's lack of clarity about these issues has hindered its witness and mission causing it to speak with an uncertain voice to the challenges of our time This important book is for a twenty first century church that seems to have lost the art of reading the Bible attentively and imaginatively The Art of Reading Scripture is written by a group of eminent scholars and teachers seeking to recover the church's rich heritage of biblical interpretation in a dramatically changed cultural environment Asking how best to read the Bible in a postmodern context the contributors together affirm up front Nine Theses that provide substantial guidance for the church The essays and sermons that follow both amplify and model the approach to Scripture outlined in the Nine Theses Lucidly conceived carefully written and shimmering with fresh insights The Art of Reading Scripture proposes a far reaching revolution in how the Bible is taught in theological seminaries and calls pastors and teachers in the church to rethink their practices of using the Bible Contributors Gary A Anderson Richard Bauckham Brian E Daley Ellen F Davis Richard B Hays James C Howell Robert W Jenson William Stacy Johnson L Gregory Jones Christine McSpadden R W L Moberly David C Steinmetz Marianne Meye Thompson **Slow of Speech and Unclean Lips** Robert Stephen Reid, 2010-01-01 Historically people who have risen to the occasion to speak of faith for their generation have been keenly aware of their own limitations whether Moses who was slow of speech or Isaiah who was concerned that he spoke with unclean lips The question both Moses and Isaiah seem to be asking is who am I to speak for God And we wonder in turn was it they who spoke or God who spoke through them These biblical images carry the weight of the question raised by the essays in this volume How is preaching both the work of God and yet also a function of

the individual's own person and identity How is the preacher to conceive the identity he or she assumes when proclaiming the Word of God Some of the leading educators in homiletics today propose a variety of possible preaching identities in this volume preacher as messenger of hope as lover as God's mystery steward as ridiculous person as fisher as host and guest as one out of one's mind and as one entrusted The result is an open ended invitation for readers to identify their own preaching identity either in concert with one of the images presented here or of their own making appropriately contextualized to their own ministry and theology Contributors Andre Resner Anna Carter Florence Chuck Campbell James Kay John McClure Lincoln Galloway Lucy Hogan Robert Stephen Reid and Thomas Long The Ascension of Isaiah Shepherd Sr

The Gnostics, the New Versions and the Deity of Christ Jay P. Green, Sr., George Whitefield, 2000-07 If Jesus Christ is not God of the same essence with God the Father and God the Holy Spirit having all the attributes of the Trinity while on earth as well as while He reigned in Heaven then we of all men are most miserable And how do we know that He is and always has been God from eternity It is written in the Holy Scriptures But what if the version of the Bible we read is ambivalent in one place saying He is co equal with God and in another place denying Him one or more of the attributes that are essential to God Read this book and you will see that all but three of the new versions are guilty of denying Christ s goodness sinlessness omnipresence omniscience omnipotence and a dozen more of the attributes of God You will see it written in black and white with exact quotations from eight of the new versions This important challenge to the trend so evident in the new versions the despising of the words God breathed out through the prophets and apostles and the mixing in of the corrupt wisdom of men ought to be supported by every one of you who love God and His Word as HB wrote it

Notes: Critical, Explanatory, and Practical on the Book of the Prophet Isaiah Albert Barnes, 1854 **When the Lord Shall Build up Zion** Margaret White, 2012-01-12 WHEN THE LORD SHALL BUILD UP ZION has been birthed out of a cry for spiritual awakening This book is a burning message to believers in the Lord Jesus Christ to commit themselves for the building of God s spiritual house There is urgent need to restore apostolic and prophetic ministries today so that the foundation of God s people may be sound Those that have ears to hear let them hear what the Spirit is saying to the churches God will shake everything that that can be shaken so that those things that cannot be shaken remain Hebrews 12 27 For the Love of the habitation of our God let s give ourselves unreservedly to Him that we may be built into Zion **The Ministry of**

Homilies on Isaiah Origen, 2021 Hans Urs von Balthasar places Origen of Alexandria in rank beside Augustine and Thomas in importance for the history of Christian thought explaining that his brilliance has captivated theologians throughout history Spirit and Fire 1984 1 This brilliance shines forth in his nine extant homilies on Isaiah in which he employs his theology of the Trinity and Christ to exhort his audience to play their crucial role in salvation history Origen reads Isaiah's vision of the Lord and two seraphim in Isaiah 6 allegorically as representing the Trinity and this theme runs throughout the nine homilies His representation of the seraphim as the Son and Holy Spirit around the throne of the Father brought early accusations that Origen was a proto Arian subordinationist followed by a pointed condemnation by Emperor Justinian in 553 These homilies originally delivered between 245 and 248 are extant only in a fourth century Latin translation Though St Jerome likely because of these controversies does not identify himself as the Latin translator the evidence overwhelmingly points to his pen and his reliability in conveying Origen's authentic meaning is well documented If one sets aside the questionable charges of subordinationism these homilies expounding on passages from Judges 6:10 come alive with Origen's legacy of presenting Christ as the central figure of the soul's ascent to God Reading allegorically the two seraphim to be Jesus and the Holy Spirit around the Father's throne Origen draws a picture of the Trinity as a tightly knit whole in which the Son and the Holy Spirit eternally sing the Trisagion Holy holy holy to each other and the Father about the divine truths of God's nature allowing the part of their song that conveys the middle things of salvation history to be heard by creation The second seraph is the Son or Jesus who descends holding a hot coal or Scripture from the altar of the throne with which he cleanses Isaiah's lips or the believer's soul Origen employs his signature exegetical method of allegory and typology through the lens of the threefold meaning of Scripture to emphasize to his hearers that Christ is the deliverer the content

and the reward of the healing Word He repeatedly assures them that those who submit to Scripture will enter into salvation history's cycle of cleansing from sin growth in virtue and ever deepening knowledge of God As a result they will become like Christ and thus will be prepared to join the Trinity for all eternity at the heavenly wedding feast *Westminster Commentaries* Walter Lock, David Capell Simpson, 1911 *The Book of the Prophet Isaiah* George Wöösung Wade, 1911

The Book of the Prophet Isaiah, 1911 *Isaiah 1-39* Steven A. McKinion, Thomas C. Oden, 2014-02-19 For the early church fathers the prophecy of Isaiah was not a compendium of Jewish history or theology but an announcement of the coming Messiah fulfilled in the life and ministry of Jesus of Nazareth In this ACCS volume readers will find commentary on Isaiah 1-39 ranging from East to West and from the first through the eighth centuries **Share My Pleasant Stones** Eugenia Price, 2021-03-23 *Share My Pleasant Stones* offers personal insights and practical guidelines for expanding one's relationship with Jesus Christ through daily reading and meditation Each page one for every day of the year is headed by a quotation from the Bible and followed by notes the author has written in the margins of her own Bible over the years It is perhaps Eugenia Price's most personal book First published in 1957 and now reissued with a new preface by the author *Share My Pleasant Stones* is a book Eugenia Price's readers will want to open every day
