accordingly closed with the passage of the Douro and the expulsion of the French from Portugal The hero Terence O Connor was the son of the senior captain of the Mayo Fusiliers and when the regiment was ordered to join Sir Arthur Wellesley s expedition to Portugal the colonel of the regiment obtained for him a commission although so notorious was the boy for his mischievous pranks that the colonel hesitated whether he would not get into some serious scrapes especially as Dick Ryan one of the ensigns was always his companion in mischief and both were aided and abetted by Captain O Grady However on the way out the slow old transport in which a wing of the regiment was carried was attacked by two French privateers who would have either taken or sunk her had it not been for a happy suggestion of the quick witted lad For this he gained great credit and was selected by General Fane as one of his aides de camp In this capacity he went through the arduous campaign under General Moore that ended at Corunna His father had been so seriously wounded at Vimiera that he was invalided home and placed on half pay and in the same battle Captain O Grady lost his left arm but on its being cured returned to his place in the regiment At Corunna Terence while carrying a despatch was thrown from his horse and stunned and on recovering found that the British had already embarked on board the ships of the fleet He made his way to the frontier of Portugal and thence to Lisbon He was then appointed to the staff of Sir John Craddock who was now in command and sent in charge of some treasure for the use of the Spanish General Romana who was collecting a force on the northern border of Portugal Terence had orders to aid him in any way in his power to check the invasion of Portugal from the north Of this order he took advantage when on the way the agents of the junta of Oporto endeavoured to rob him attacking the house where he and his escort had taken up their quarters with a newly raised levy of two thousand five hundred unarmed peasants By a ruse he got their leaders into his hands and these showed such abject cowardice that the peasants refused further to follow them and asked Terence to take the command of the force He assented formed them into two battalions appointed two British orderlies as majors the Portuguese officer of his escort lieutenant colonel and his troopers captains of companies put them in the way of obtaining arms and by dint of hard drill and kindness converted them into an efficient body of soldiers Finding that little was to be expected from Romana s force he acted as a partisan leader and in this capacity performed such valuable service that he was confirmed in the command of his force which received the name of the Minho regiment and he and his officers received commissions for the rank they held in the Portuguese army *Under Wellington's Command: a Tale of the Peninsular War, Etc* George Alfred Henty, 1899 **Under Wellington's Command** G a Henty, 2020-04-17 As many boys into whose hands the present volume may fall will not have read my last year s book *With Moore in Corunna* of which this is a continuation it is necessary that a few words should be said to enable them to take up the thread of the story It was impossible in the limits of one book to give even an outline of the story of the Peninsular War without devoting the whole space to the military operations It would in fact have been a history rather than a tale and it accordingly closed with the passage of the Douro and the expulsion of the French from Portugal **By England's Aid; or, the Freeing of the**
