Jason C. Parker

Undermining The Kremlin Americas Strategy To Subvert The Soviet Bloc 1947 1956:

Undermining the Kremlin Gregory Mitrovich,2000 Mitrovich demonstrates that inspiration for these efforts did not originate within the intelligence community but with individuals at the highest levels of policymaking in the U S government

BOOK JACKET A Companion to Ronald Reagan Andrew L. Johns,2015-02-10 A Companion to Ronald Reagan evaluates in unprecedented detail the events policies politics and people of Reagan s administration It assesses the scope and influence of his various careers within the context of the times providing wide ranging coverage of his administration and his legacy Assesses Reagan and his impact on the development of the United States based on new documentary evidence and engagement with the most recent secondary literature Offers a mix of historiographic chapters devoted to foreign and domestic policy with topics integrated thematically and chronologically Includes a section on key figures associated politically and personally with Reagan

A Companion to Dwight D. Eisenhower Chester J. Pach,2017-04-07 A Companion to Dwight D Eisenhower brings new depth to the historiography of this significant and complex figure providing a comprehensive and up to date depiction of both the man and era Thoughtfully incorporates new and significant literature on Dwight D Eisenhower Thoroughly examines both the Eisenhower era and the man himself broadening the historical scope by which Eisenhower is understood and interpreted Presents a complete picture of Eisenhower s many roles in historical context the individual general president politician and citizen This Companion is the ideal starting point for anyone researching America during the Eisenhower years and an invaluable guide for graduate students and advanced undergraduates in history political science and policy studies Meticulously edited by a leading authority on the Eisenhower presidency with chapters by international experts on political international social and cultural history

The Whole World Was Watching Robert Edelman,Christopher Young,2019-12-10 In the Cold War era the confrontation between capitalism and communism played out not only in military diplomatic and political contexts but also in the realm of culture and perhaps nowhere more so than the cultural phenomenon of sports where the symbolic capital of athletic endeavor held up a mirror to the global contest for the sympathies of citizens worldwide *The Whole World Was Watching* examines Cold War rivalries through the lens of sporting activities and competitions across Europe Asia Africa Latin America and the U S The essays in this volume consider sport as a vital sphere for understanding the complex geopolitics and cultural politics of the time not just in terms of commerce and celebrity but also with respect to shifting notions of race class and gender Including contributions from an international lineup of historians this volume suggests that the analysis of sport provides a valuable lens for understanding both how individuals experienced the Cold War in their daily lives and how sports culture in turn influenced politics and diplomatic relations

Name, Rank, and Serial Number Charles S. Young,2014-04-01 The Korean War became a prolonged struggle over POWs as Name Rank and Serial Number details The United Nations Command compelled prisoners to defect and the communists used captive GIs in propaganda denouncing capitalism At home ex POWs were used in

propaganda again when the Army chastised the nation for raising effeminate sons unable to withstand captivity **A Question of Balance** Michael Creswell, 2006-10-31 Challenging standard interpretations of American dominance and French weakness in postwar Western Europe Michael Creswell argues that France played a key role in shaping the cold war order In the decade after the war the U S government s primary objective was to rearm the Federal Republic of Germany within the framework of a European defense force the European Defense Community American and French officials differed however over the composition of the EDC and the rules governing its organization and use Although U S pressure played a part more decisive factors in both internal French politics and international French concerns ultimately led France to sanction the plan to rearm West Germany Creswell sketches the successful French challenge to the United States tracing the genuine sometimes heated debate between the two nations that ultimately resulted in security arrangements preferred by the French but acceptable to the Americans Impressively researched and vigorously argued **A Question of Balance** advances significantly our understanding of power politics and the rise of the cold war system in Western Europe **Dean Acheson** Robert L. Beisner, 2009-03-06 In this acclaimed biography Robert L Beisner paints an indelible portrait of one of the key figures of the last half century In a book filled with insight based on research in government archives memoirs letters and diaries Beisner illuminates Acheson s major triumphs including the highly underrated achievement of converting West Germany and Japan from mortal enemies to prized allies But underlying all his actions Beisner shows was a tough minded determination to outmatch the strength of the Soviet bloc **Fighting Fundamentalist** Markku Ruotsila, 2016 Markku Ruotsila s **Fighting Fundamentalist** restores the controversial fundamentalist pastor and broadcaster Carl McIntire to his place as one of the most influential religious leaders in twentieth century United States and one of the principal founders of the Christian Right

Transnational Anti-Communism and the Cold War Stéphanie Roulin, Giles Scott-Smith, 2014-04-22 How was anti communism organised in the West This book covers the agents aims and arguments of various transnational anti communist activists during the Cold War Existing narratives often place the United States and especially the CIA at the centre of anti communist activity The book instead opens up new fields of research transnationally **The Cold War** Priscilla Roberts, 2018-12-07 This detailed two volume set tells the story of the Cold War the dominant international event of the second half of the 20th century through a diverse selection of primary source documents One of the most extensive to date this set of primary source documents studies the Cold War comprehensively from its beginning with the emergence of the world s first communist government in Russia in late 1917 to its end in 1991 All of the key events including the Berlin Blockade the Korean War the Cuban Missile Crisis the Vietnam War and the nuclear arms race are discussed in detail The primary sources provide insight into the thinking of all participants drawing on Western Soviet Asian and Latin American perspectives In **The Cold War Interpreting Conflict through Primary Documents** primary documents are organized chronologically allowing readers to appreciate the ramifications of the Cold War within a clear time frame Extensive

interpretive commentary provides in depth background and context for each document This work is an indispensable reference for all readers seeking to become deeply knowledgeable about the Cold War **Empire of Ideas** Justin Hart,2013-02-14 Covering the period from 1936 to 1953 Empire of Ideas reveals how and why image first became a component of foreign policy prompting policymakers to embrace such techniques as propaganda educational exchanges cultural exhibits overseas libraries and domestic public relations Drawing upon exhaustive research in official government records and the private papers of top officials in the Roosevelt and Truman administrations including newly declassified material Justin Hart takes the reader back to the dawn of what Time Life publisher Henry Luce would famously call the American century when U S policymakers first began to think of the nation s image as a foreign policy issue Beginning with the Buenos Aires Conference in 1936 which grew out of FDR s Good Neighbor Policy toward Latin America Hart traces the dramatic growth of public diplomacy in the war years and beyond The book describes how the State Department established the position of Assistant Secretary of State for Public and Cultural Affairs in 1944 with Archibald MacLeish the Pulitzer Prize winning poet and Librarian of Congress the first to fill the post Hart shows that the ideas of MacLeish became central to the evolution of public diplomacy and his influence would be felt long after his tenure in government service ended The book examines a wide variety of propaganda programs including the Voice of America and concludes with the creation of the United States Information Agency in 1953 bringing an end to the first phase of U S public diplomacy Empire of Ideas remains highly relevant today when U S officials have launched full scale propaganda to combat negative perceptions in the Arab world and elsewhere Hart s study illuminates the similar efforts of a previous generation of policymakers explaining why our ability to shape our image is in the end quite limited *The United States, Italy and the Origins of Cold War* Kaeten Mistry,2014-05-15 This international history of the origins of cold war in postwar Europe examines the complex relationship between the United States and Italy **Hearts, Minds, Voices** Jason C. Parker,2016-09-01 The Cold War superpowers endeavored mightily to win hearts and minds abroad through what came to be called public diplomacy While many target audiences were on the conflict s original front lines in Europe the vast majority resided in areas in the throes of decolonization and experienced the Cold War as public diplomacy as a media war for their allegiance rather than as violence In these areas superpower public diplomacy encountered volatile issues of race empire poverty and decolonization which intersected with the dynamics of the Cold War and with anti imperialist currents The challenge to US public diplomacy was acute Jim Crow and Washington s European imperial alliances were inseparable from the image of the United States and put American outreach unavoidably on the defensive Newly independent voices in the non European world responded to this media war by launching public diplomacy campaigns of their own In addition to validating the strategic importance of public diplomacy they articulated a different vision of the postwar world Rejecting the superpowers Cold War they forged the Third World project around nonalignment post imperial economic development and anti colonial racial solidarity In doing so Jason

C Parker argues the United States inadvertently helped to nurture the Third World as a transnational imagined community on the postwar global landscape Tracing US public diplomacy during the early years of the Cold War Hearts Minds Voices narrates how US foreign policy engaged with and impacted the Global South and international history more broadly Fast Tanks and Heavy Bombers David E. Johnson,2013-01-14 The U S Army entered World War II unprepared In addition lacking Germany s blitzkrieg approach of coordinated armor and air power the army was organized to fight two wars one on the ground and one in the air Previous commentators have blamed Congressional funding and public apathy for the army s unprepared state David E Johnson believes instead that the principal causes were internal army culture and bureaucracy and their combined impact on the development of weapons and doctrine Johnson examines the U S Army s innovations for both armor and aviation between the world wars arguing that the tank became a captive of the conservative infantry and cavalry branches while the airplane s development was channeled by air power insurgents bent on creating an independent air force He maintains that as a consequence the tank s potential was hindered by the traditional arms while air power advocates focused mainly on proving the decisiveness of strategic bombing neglecting the mission of tactical support for ground troops Minimal interaction between ground and air officers resulted in insufficient cooperation between armored forces and air forces Fast Tanks and Heavy Bombers makes a major contribution to a new understanding of both the creation of the modern U S Army and the Army s performance in World War II The book also provides important insights for future military innovation Britain, America and Anti-Communist Propaganda 1945-53 Andrew Defty,2013-12-02 In the Cold War battle for hearts and minds Britain was the first country to formulate a coordinated global response to communist propaganda In January 1948 the British government launched a new propaganda policy designed to oppose the inroads of communism by taking the offensive against it A small section in the Foreign Office the innocuously titled Information Research Department IRD was established to collate information on communist policy tactics and propaganda and coordinate the discreet dissemination of counter propaganda to opinion formers at home and abroad **The Transformation of American Air Power** Benjamin S. Lambeth,2000 In this balanced appraisal of air power s newly realized strengths in joint warfare Benjamin Lambeth a defense analyst and civilian pilot who has flown in most of the equipment described in this book explores the extent to which the United States can now rely on air delivered precision weapons in lieu of ground forces to achieve strategic objectives and minimize American casualties Confronting the Unconventional David Tucker,2006 Are there limits to military transformation Or if it seems obvious that there must be limits to transformation what are they exactly why do they arise and how can we identify them so that we may better accomplish the transformation that the U S military is capable of If limits to military change and transformation exist what are the broader implications for national policy and strategy The author offers some answers to these questions by analyzing the efforts of the French British and Americans to deal with irregular threats after World War II Journal of Intelligence History Vol. 4, No. 1 Summer 2004 , *Publications*

Combined: Russia's Regular And Special Forces In The Regional And Global War On Terror , Over 2 400 total pages Russian outrage following the September 2004 hostage disaster at North Ossetia s Beslan Middle School No 1 was reflected in many ways throughout the country The 52 hour debacle resulted in the death of some 344 civilians including more than 170 children in addition to unprecedented losses of elite Russian security forces and the dispatch of most Chechen allied hostage takers themselves It quickly became clear as well that Russian authorities had been less than candid about the number of hostages held and the extent to which they were prepared to deal with the situation Amid grief calls for retaliation and demands for reform one of the more telling reactions in terms of hardening public perspectives appeared in a national poll taken several days after the event Some 54% of citizens polled specifically judged the Russian security forces and the police to be corrupt and thus complicit in the failure to deal adequately with terrorism while 44% thought that no lessons for the future would be learned from the tragedy This pessimism was the consequence not just of the Beslan terrorism but the accumulation of years of often spectacular failures by Russian special operations forces SOF in the apt US military acronym A series of Russian SOF counterterrorism mishaps misjudgments and failures in the 1990s and continuing to the present have made the Kremlin s special operations establishment in 2005 appear much like Russia s old Mir space station wired together unpredictable and subject to sudden startling failures But Russia continued to maintain and expand a large variegated special operations establishment which had borne the brunt of combat actions in Afghanistan Chechnya and other trouble spots and was expected to serve as the nation s principal shield against terrorism in all its forms Known since Soviet days for tough personnel personal bravery demanding training and a certain rough or brutal competence that not infrequently violated international human rights norms it was supposed that Russian special operations forces steeped in their world of threats to the state and associated with once dreaded military and national intelligence services could make valuable contributions to countering terrorism The now widely perceived link between corrupt special forces on the one hand and counterterrorism failures on the other reflected the further erosion of Russia s national security infrastructure in the eyes of both Russian citizens and international observers There have been other more ambiguous but equally unsettling dimensions of Russian SOF activity as well that have strong internal and external political aspects These constitute the continuing assertions from Russian media the judicial system and other Federal agencies and officials that past and current members of the SOF establishment have organized to pursue interests other than those publicly declared by the state or allowed under law This includes especially the alleged intent to punish by assassination those individuals and groups that they believe have betrayed Russia The murky nature of these alleged activities has formed a backdrop to other problems in the special units

The Cold War Spencer C. Tucker, 2020-10-27 This sweeping reference work covers every aspect of the Cold War from its ignition in the ashes of World War II through the Berlin Wall and the Cuban Missile Crisis to the collapse of the Soviet Union in 1991 The Cold War superpower face off between the Soviet Union and the United States dominated

international affairs in the second half of the 20th century and still reverberates around the world today This comprehensive and insightful multivolume set provides authoritative entries on all aspects of this world changing event including wars new military technologies diplomatic initiatives espionage activities important individuals and organizations economic developments societal and cultural events and more This expansive coverage provides readers with the necessary context to understand the many facets of this complex conflict The work begins with a preface and introduction and then offers illuminating introductory essays on the origins and course of the Cold War which are followed by some 1 500 entries on key individuals wars battles weapons systems diplomacy politics economics and art and culture Each entry has cross references and a list of books for further reading The text includes more than 100 key primary source documents a detailed chronology a glossary and a selective bibliography Numerous illustrations and maps are inset throughout to provide additional context to the material

Undermining The Kremlin Americas Strategy To Subvert The Soviet Bloc 1947 1956 Introduction

In the digital age, access to information has become easier than ever before. The ability to download *Undermining The Kremlin Americas Strategy To Subvert The Soviet Bloc 1947 1956* has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download *Undermining The Kremlin Americas Strategy To Subvert The Soviet Bloc 1947 1956* has opened up a world of possibilities. Downloading *Undermining The Kremlin Americas Strategy To Subvert The Soviet Bloc 1947 1956* provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading *Undermining The Kremlin Americas Strategy To Subvert The Soviet Bloc 1947 1956* has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download *Undermining The Kremlin Americas Strategy To Subvert The Soviet Bloc 1947 1956*. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading *Undermining The Kremlin Americas Strategy To Subvert The Soviet Bloc 1947 1956*. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also

undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Undermining The Kremlin Americas Strategy To Subvert The Soviet Bloc 1947 1956, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Undermining The Kremlin Americas Strategy To Subvert The Soviet Bloc 1947 1956 has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Undermining The Kremlin Americas Strategy To Subvert The Soviet Bloc 1947 1956 Books

1. Where can I buy Undermining The Kremlin Americas Strategy To Subvert The Soviet Bloc 1947 1956 books?
