Understanding Aleister Crowley's Thoth Tarot:

Understanding Aleister Crowley's Thoth Tarot Lon Milo DuQuette, 2003-11-01 Understanding Aleister Crowley's Thoth Tarot was his final opus the culmination of a lifetime of occult study and practice With artist Lady Frieda Harris he condensed the core of his teaching astrology Qabalah magick gematria and numerology and alchemy into the 78 cards of the tarot Although Crowley's own Book of Thoth provides insight into the cards it is a complicated dated book What has been missing and what Crowley authority Lon Milo DuQuette has created is an introductory text for the deck In clear language DuQuette provides everything you need to know about Crowley's fundamental principles to get the most out of using the Thoth deck Many use the deck simply because the artwork is so beautiful but there is so much more to it than that DuQuette starts with the basic historical background of this extremely popular deck before delving into descriptions of each card in depth from both a purely tarot perspective and from an expanded magickal point of view Each card is described in detail regarding its straight tarot meaning which is then expanded upon with all the other attributions Crowley intended This unique guide will be of great interest to all tarot readers who use the Thoth Tarot especially those looking for correspondences with other occult systems to enhance their readings and will be treasured by students of Aleister Crowley's works

Understanding Aleister Crowley's Thoth Tarot Lon Milo DuQuette, 2017-09-01 Originally published in 2003 Understanding Aleister Crowley's Thoth Tarot has proved to be the essential guide to accessing the unique symbolism and meaning of Aleister Crowley's remarkable tarot deck along with the deeply textured artwork of Lady Frieda Harris Crowley authority Lon Milo DuQuette starts by providing an insightful historical background before delving into descriptions of each card in depth from a tarot perspective and from an expanded magickal point of view He first describes the tarot meaning of each card in detail and then explains all the other attributions Crowley intended This unique guide has been updated with a new introduction that provides information on the unicursal hexagram cards included with the deck but never explained
