## **Understanding Church Growth C Peter Wagner:**

Understanding Church Growth Donald A. McGavran, 1990-07-12 Author Donald A McGavran is considered a founder of the Church Growth Movement in America In this 3rd edition of his standard work McGavran analyzes the causes methods and strategies for successful church growth both in America and abroad      **Understanding Church Growth** Donald Anderson McGavran, 1980 Soon after it was published Understanding Church Growth by Donald McGavran Eerdmans 1970 became known as the definitive exposition of the church growth philosophy and its author was recognized as the dean of church growth studies and prophet of church growth importance and practices Southwestern Journal of Theology Though Understanding Church Growth was geared toward overseas missions many began to see that its principles and strategies were also applicable to North American churches Because of the widening interest in North American church growth Donald McGavran has revised and updated his landmark study to make it more relevant and accessible to pastors and lay leaders in the United States and Canada This revision has not altered the original aim of the book to demonstrate that communicating the faith discipling the nations and propagating the Gospel are the chief and irreplaceable tasks of the church biblically required and pragmatically sound McGavran has however Americanized the book throughout so that basic church growth principles can be more easily applied to the burgeoning American Church Growth Movement Besides adding three new chapters McGavran has incorporated the recent contributions of several contemporary church growth specialists including C Peter Wagner Ralph Winter Winfield Arn and George Hunter Back cover      **Church Growth and the Whole Gospel** C. Peter Wagner, 1998-12-15 Has the church growth movement failed to stress the social dimensions of the Christian faith Dr Peter Wagner a leading exponent of church growth argues that Christians can evangelize and churches can grow strongly while at the same time participating in the global struggle on behalf of the poor and oppressed for justice and peace for brotherhood and liberation and for the alleviation of human suffering      Church Growth C. Peter Wagner, 1986 Trends among the world s 20 largest churches The local church as a church planting base Church growth and the Holy Spirit Using computers to support church growth Who s who in church growth      Strategies for Church Growth C. Peter Wagner, 2010-01-01 Why Plan Strategy Is church growth theory incompatible with belief in the sovereignty of God Does adherence to church growth principles leave out dependency upon the work of the Holy Spirit C Peter Wagner answers no to both questions He further believes that no task could be more crucial than fulfilling the Great Commission in our generation and how to approach and plan for the execution of this task is the questions of the day Strategies for Church Growth addresses this key issue in a biblically pragmatic way It brings together for the first time many principles of evangelism and missions which have proved through recent research and experience to be effective in implementing the Great Commission It also unifies in concise form the latest research of the Church Growth Movement the Lausanne Committee on World Evangelization the U S Center for World Mission and numerous other key contributors to the recent explosion of evangelistic

technology Among the topics explored are the major components of strategy choosing the appropriate strategy advantages of having a strategy the theology of church growth the harvest principle and soil testing why you should aim for church growth characteristics of good goals the meaning of mission and evangelism how to target your outreach **The Changing**

**Church** C. Peter Wagner, 2004-07-07 Peter Wagner tells readers exactly how they can contribute to the Church's worldwide fulfillment of God's kingdom on earth The Changing Church sheds light on the exciting things that are happening by the power of the Holy Spirit The Church is being aligned with God's plan for the Great Harvest While we might feel small in the scheme of things we can make a huge impact when we unite with what God is doing worldwide This new vision overlooks denominational barriers asking one and all to join together for the ultimate fulfillment of God's purposes **Your Church**

**Can Grow** C. Peter Wagner, 2001-01-11 Is your church healthy and growing or stagnant and dying If your church is afflicted with remnant theology spiritual naval gazing pastoral timidity hyper cooperativism or terminal ethnikitis changes are it's already dying on the vine On the other hand if your church is growing it's probably a healthy church Healthy churches like healthy people says the author exhibit certain vital signs Wagner has his own list of 7 signs that lead can be taken as leading to good health and gives many illustrations of churches that exhibit and or don't exhibit those signs Back cover Your

Spiritual Gifts Can Help Your Church Grow C. Peter Wagner, 2012-05-14 Find Your Gifts and Use Them to Serve God's People The Bible tells us that God has given every believer one or more spiritual gifts to build up the Body of Christ But how can Christians know which gifts they possess This revised edition of C Peter Wagner's bestselling spiritual gifts resource will help you learn about your own gifts and empower your congregation or group to use their specific gifts In this comprehensive and easy to understand guide and accompanying spiritual gifts inventory you will also discover The 28 gifts listed in the Bible and how to distinguish them The difference between gifts talents and roles How you can know your individual gifts and use them effectively Five steps to help you build God's kingdom through your gifts You Spiritual Gifts Can Help Your Church Grow will help you and your group use the gifts God has provided to you so that your church will flourish **Church Planting for a**

**Greater Harvest** C. Peter Wagner, 2010-03-01 For the past four decades this highly effective method of evangelism has been vastly overlooked As a result large segments of the population have remained unreached No single church can meet every person's needs that's why planting new churches ones that will meet the needs of specific groups is so necessary Now after ten years of research and teaching on the subject C Peter Wagner shares his knowledge and insight in this comprehensive guide on how to plant a church It's an up to date textbook on church planting and a helpful summary of church growth principles in general Church Planting for a Greater Harvest contains everything Wagner taught in his highly successful How to Plant a Church seminar a presentation that was offered sixteen times and drew 5 000 participants Today as we see a renewed interest in church planting the Lord is blessing the efforts of church planters everywhere The future can be an exciting time of growth for churches Get ready to be carried into what could be the greatest era of harvest the world has ever

seen     **Evaluating the Church Growth Movement** Zondervan,2010-06-01 What exactly is the Church Growth movement This timely volume in the Counterpoints series addresses the history of the movement that has become such an enormous shaping force on the Western church today and it explores in a roundtable forum of leading voices five main perspectives on the classic Church Growth movement Effective Evangelism View presented by Elmer Towns Gospel in Our Culture View presented by Craig Van Gelder Centrist View presented by Charles Van Engen Reformist View presented by Gailyn Van Rheen Renewal View presented by Howard Snyder Each view is first presented by its proponent then critiqued by the co contributors The interactive and fair minded format allows the reader to consider the strengths and weaknesses of each view and draw informed personal conclusions Evaluating the Church Growth Movement concludes with reflections by three seasoned pastors who have grappled with the practical implications of Church Growth The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair minded and respectful of the biblical text Each volume is a one stop reference that allows readers to evaluate the different positions on a specific issue and form their own educated opinion     **The Book of Church Growth** Thom S. Rainer,1998-09-01 The Church Growth

Movement has divided devout Christians Even though Rainer is an advocate his aim here is to present an objective view of the movement its history the theology associated with it and the principles which seem to separate churches that grow from those that don t     *The Everychurch Guide to Growth* Elmer L. Towns,C. Peter Wagner,Thom S. Rainer,1998-08-01 Shows churches of every size how to revive and expand their ministries breaking through barriers and growing into the future

**The Book of Acts** C. Peter Wagner,2008-06-02 Experience Pentecost Look on as 130 converts shake a city Meet Paul Go with him as he plants the first Gentile church Extend the kingdom s power and see the enemy upset Walk with Paul as he travels to Corinth Antioch Ephesus and beyond For those desiring to be a part of God s action in their churches their communities and throughout the world there is nothing that will help more than thoroughly understanding the book of Acts and applying what we can learn from it Acts was designed to be God s training manual for Christians It worked in the early church and it works in the postmodern world The reader s study of Acts in The Book of Acts will bring new intimacy with the Spirit and new joy in doing His will     **Dominion!** C. Peter Wagner,2008 Jesus has mandated his church to actively engage

in transforming society on earth Thy kingdom come on earth as it is in heaven But when societal issues and problems loom large it can seem an impossible task Offering solid teachings on apostles and prophets spiritual warfare the church in the workplace and much more C Peter Wagner shows readers just how kingdom action can change the world With a sense of mission and urgency Wagner explores the biblical roots of dominion theology the views of great Christian thinkers through the ages the ways Christians are working it out in their lives and on the job and what each part can do when brought together through the operational power of the Holy Spirit     *Your Church Can Grow* C. **Biblical Church Growth** Gary L. McIntosh,2003-05-01 Every pastor wants to have a vibrant dynamic church There are many popular models for church growth based on outstanding churches led by outstanding pastors But unfortunately specific models are temporary and go out of style quickly Author Gary McIntosh explores the biblical principles for church growth and applies them to today s culture Instead of concentrating on the ephemeral how of church growth he focuses on the unchanging why McIntosh defines church growth as all that is involved in bringing men and women who do not have a personal relationship with Jesus Christ into fellowship with him and into responsible church membership In other words church growth is effective evangelism not a methodology for increasing membership According to Biblical Church Growth growing churches always evidence a desire to fulfill the Great Commission by cooperating with God in building a faithful church Using personal stories and current statistics as well as numerous biblical examples the author sets forth ten basic principles that provide an eternal foundation for helping any church large or small achieve lasting vitality and growth
