Volvo 240/740/760/780/940/960 1990-93 Repair Manual, 1994 **Winning** Matt Stone, Preston Lerner, 2023-08-31

Winner of International Automotive Media Gold Award 2010 For all his fame as one of Hollywood's great actors a world class humanitarian and the proprietor of a natural food empire the late Paul Newman had another intriguing facet that was less known and perhaps closer to his heart than all the rest of his well chronicled life He was an avid successful and well respected car racer and team owner This book tells that story from Newman's racing career begun in earnest at an age when many race car drivers contemplate retirement to the partnership he formed in 1983 with Chicago racing entrepreneur and team owner Carl Haas to the impressive stable of automobiles he owned from the Porsches and Ferraris to quirkier modified VWs and Volvos This is the tale of a life full of passion and skill of someone who entered the 24 Hours of Daytona at the age of 70 and made his last professional race outing at 82 whose roster of drivers for Newman Haas reads as a who's who of open wheel racing and whose interest in cars extended from the likely suspects to old trucks and new hybrids And then there's the charming pal who when the incorrigible prankster Robert Redford had a miserably wrecked Ferrari dropped at his front door returned the favor by having the car crushed into a cube delivered to Redford's living room The anecdotes the races the cars all are here adding up to what for many would be a full life but for Paul Newman was simply another side of a man of talent conviction and enduring spirit See Motorbooks author Matt Stone interviewed by Jay Leno on JayLenosGarage.com <http://www.jaylenosgarage.com> video jays book club matt stone 1164286
