Problems John Dorsey,2012 White Girl Problems? Nah, It's Everyone Tre Chado,2025-07-04 White Girl Problems Nah It s Everyone is a comedic raw and rhythmic modern folklore that unpacks the myth that purpose peace and self discovery belong only to the privileged few Told through the eyes of a woman who once believed finding herself was for Skylar and her oat milk this story takes you from break rooms to bus stops kitchen tables to revival nights all while cracking jokes and dropping truth This book is for the Black sheeps the overlooked the ones who were taught to survive but never shown how to search for more It s an invitation to see that purpose is not reserved for those with trust funds and retreat hashtags it s for everyone The Girl Problem Ruth M. Alexander,1995 During the Progressive Era young working class women were

sometimes jailed for engaging in social and sexual activities that signaled their rejection of Victorian moral standards These disadvantaged delinquents were subject to legal sanctions that were rarely applied to rebellious middle class girls As she traces the history of a social crisis that came to be known as the girl problem Ruth M Alexander reconstructs the stories of individual women incarcerated in reformatories who helped redefine female adolescence in the United States Alexander draws on the rich case files of reformatories at Bedford Hills and Albion New York Bringing together writings by the young inmates letters from their parents and institutional records she follows the histories of a hundred girls as they run afoul of the law are incarcerated and struggle to reenter society From the interplay among girls families courts and penal institutions emerges a fascinating picture of class inequality and culture conflict Alexander finds that most delinquent young women eventually accepted the idea that freedom was best won by conformity and accommodation In showing how a new social problem was identified and tackled Alexander also documents the emergence of the modern professions of social work and mental hygiene Reenacting a key chapter in the transformation of adolescence The Girl Problem contributes to the history of sexuality and social reform through the Progressive Era and beyond **Our Hidden Conversations** Michele

Norris,2024-01-16 Peabody Award winning journalist Michele Norris offers a transformative dialogue on race and identity in

America unearthed through her decade long work at The Race Card Project The prompt seemed simple Race Your Thoughts Six Words Please Send The answers though have been challenging and complicated In the twelve years since award winning journalist Michele Norris first posed that question over half a million people have submitted their stories to The Race Card Project inbox The stories are shocking in their depth and candor spanning the full spectrum of race ethnicity identity and class Even at just six words the micro essays can pack quite a punch revealing fear pain triumph and sometimes humor Responses such as You re Pretty for a Black girl White privilege enjoy it earned it Lady I don t want your purse My ancestors massacred Indians near here Urban living has made me racist I m only Asian when it s convenient Many go even further than just six words submitting backstories photos and heirlooms a collection much like a scrapbook of American candor you rarely get to see Our Hidden Conversations is a unique compilation of stories richly reported essays and photographs providing a window into America during a tumultuous era This powerful book offers an honest if sometimes uncomfortable conversation about race and identity permitting us to eavesdrop on deep seated thoughts private discussions and long submerged memories The breadth of this work came as a surprise to Norris For most of the twelve years she has collected these stories many were submitted by white respondents This unexpected panorama provides a rare 360 degree view of how Americans see themselves and one another Our Hidden Conversations reminds us that even during times of great division honesty grace and a willing ear can provide a bridge toward empathy and maybe even understanding *Girl Trouble* Joan Sangster,2010-12-08
