Whitewater Home Companion Southeastern Rivers Volume 1:

Whitewater Home Companion: Southeastern Rivers, Volume 1 William Nealy, 2023-05-23 Laugh out loud with this hilarious collection of William Nealy's beloved river maps together in book form for easy reading. A celebrated author and cartoonist, William Nealy gained cult hero status in the outdoor sports community by blending his passion for the outdoors with his unique style of caricatures. He had a knack for learning not by doing but by crashing and burning. For years, his informative and hilarious cartoon maps of popular canoeing and kayaking streams have delighted whitewater paddlers. Practically collectors' items, these maps are sought by paddlers all over the United States for their relevance and wild insider's perspective. In *Whitewater Home Companion Southeastern Rivers Volume I*, William coupled his most celebrated Southeastern US river maps with an anthology of cartoons, paddling homilies, and unsolicited advice. Artistically bizarre, totally irreverent, and laced with lethal doses of macho deflating, highly barbed wit, this masterpiece helped establish William as the Kluge of outdoor literature. Through his distinctive drawing and wholly peculiar river submarine terminology, William successfully portrays rivers and boaters as never before. Featured Rivers: Chattahoochee, Chattooga, Sections III, IV, Cheat Canyon, French Broad, Big Laurel Creek, Gauley, Haw, Hiwassee, Locust Fork of the Warrior River, Nantahala, New River Gorge, Nolichucky, Ocoee, Savage, Youghiogheny. William's zany illustrations have been bound and bandaged together in a monumental new collection of books that include cartoons long out of print. *Whitewater Home Companion* is a wonderful part of The William Nealy Collection, ideal for anyone who loves to laugh and enjoys the great outdoors.

A celebrated author and cartoonist, William Nealy gained cult hero status in the outdoor sports community by blending his passion for the outdoors with his unique style of caricatures. Practically collectors' items, these maps are sought by paddlers all over the United States for their relevance and wild insider's perspective. A brilliant and uproarious follow-up to *Whitewater Home Companion Southeastern Rivers Volume I*, this second volume is a special guidebook to 11 celebrated Southeastern streams in six states. It's special because it provides in map format a wealth of information on each of the rivers described and additionally special because it is embellished throughout with William's nationally renowned art and humor. William was a phenomenon unilaterally deciding that whitewater paddlers should have a sense of humor. Now, largely because of him, most of them do. If you have any doubts concerning your own sense of humor, you should read this book just to be on the safe side. Featured Rivers: Appalachia, Chattahoochee, Atlanta, Cumberland, Below the Falls, Cumberland, Big South Fork Gorge, James River at Richmond, Maury River, Goshen Pass, New River Gorge, Revisited New River, South Fork Potomac River, Lower Shenandoah River, Wilson Creek Gorge. William's zany illustrations have been bound and bandaged together in a monumental new collection of books that include cartoons long out of print. *Whitewater Home Companion* is a wonderful part of The William Nealy Collection, ideal for anyone who loves to laugh and enjoys the great outdoors.

Multiple Literacies for Dance, Physical Education and Sports Stephen G. Mogge, Shelly Huggins, Jaye Knutson, Elin E. Lobel, Pamela Segal, 2023-03-14 This book explores a spectrum of literacies relevant to dance, physical education, and sports. It examines conceptions of movement literacies, disciplinary literacies, and traditional school literacies. It includes theory, research, and instructional practice related to the uses of traditional print, multimedia, and embodied physical literacies. These literacies function independently but are also overlapping and mutually reinforcing in comprehensive instructional planning. As movement and activity-related fields continue to explore the potential for multiple literacies, this book introduces numerous possibilities, both conceptual and practical, for consideration. Pre-service and in-service teachers in dance and physical education programs will learn how to integrate multiple literacies in curriculum design and teaching. Graduate students will examine theoretical premises of movement and disciplinary literacies and become familiar with original research on these topics. Teachers, school administrators, coaches, and athletic directors will use the book in order to guide the inclusion of movement and activity-based fields in the disciplinary literacy agenda, now common in Pre-K through secondary schooling. Media-rich chapters, including photographic, video, and other graphic images, allow students to access concepts through multiple modalities.
