Who Touched Base In My Thought Shower:

Who Touched Base in My Thought Shower? Steven Poole, 2013 Do you hate going forward Do you shudder when a colleague wants to reach out Are you disgusted by low hanging fruit sick of being on the team and reluctant to open the kimono Does the phrase blue sky thinking make you see red Do you really want to drill down or take a helicopter view Are you past caring whether the key drivers are going to move the needle Should anyone really punch a puppy And can you bear to hear about a big hairy audacious goal If modern office jargon makes you want to throw up this book is for you Taking a hilarious and scathing deep dive into the most hated and absurd examples of corporate speak it is a come to Jesus moment for verbally downtrodden workers everywhere
