

WHO WERE THE DRUIDS?

MICHAEL SENIOR

Who Were Druids Michael Senior

Anne Fraser

Who Were Druids Michael Senior:

The Dagda's Harp Sharan Newman, 2014-01-30 Sharan Newman's acclaimed first novel *The Dagda's Harp* written for young adults is a fresh and beautiful interpretation of the classic Irish myth. Upon its publication in 1976 the Philadelphia Children's Reading Round Table selected it as its Book of the Month. This is the story of Michael, a young Druid apprentice, and his quest for a lost harp which will save his homeland Ierne from conquest by the evil Formorians. Michael's childhood friend Shana is of the immortal race of Tuatha, sworn enemies of the Formorians. They are guided by Broga, a tiny pipe playing Lipricanni, to a strange and mysterious lake where they meet the boastful centurion Colinus. At the home of Michael's warrior father, they meet Patrik, an educated Christian slave who will help them look for the harp. They encounter many strange enchantments on their journey, including the fearsome Maebdh, queen of the Formorians, and Michael's stepmother. But it is at the great battle of Magh Tuiregh that the group discovers the true power of the Dagda's Harp and the heroism that is necessary for good to triumph over evil. PRAISE The Author has created her lusty romance on ancient Irish legends. It's an artful evocation of times when magic, benign and baneful, was taken for granted. The lad Michael is a reluctant druid apprentice. But he's urged into derring-do when the plight of Shana and her mother are revealed to him. They had been taken in by Michael's people by order of the chief Druid Proinsas when they had fled from the wicked Formorians. Proinsas now asks for Michael's help, a quest for Shana's uncle and the mysterious supernatural harp of Dagda, ruler of the underworld. The young man literally goes through fire to save his people and his honor. It would be hard to find a more pleasurable way to spend a couple of hours than in the company of the romantic characters celebrated in Sharan Newman's story. 12 and up. Publishers Weekly. Her well-planned structure, fully drawn characters, and suspenseful narrative become a colorful cornucopia bursting with the unpicked fruit of Gaelic mythology. Ms. Newman's story can be enjoyed equally by parents and their young alike, especially if they are of Irish descent and want to understand Ireland's cultural legacy. This book really excited me. Eleanor Eby. The Philadelphia Inquirer. Newman has faceted a well-paced story with more dialogue which will appeal to children not as versed in the fantasy realms. Booklist. *Inside* Bill Carey, 2008-12-22. Michael London had it all: a good job, a home, a loving husband. But one day he lost it all and found himself in a world beyond his imagining. Michael journeyed to Inside, met the descendants of the Druids, and found a new home, new friends, and new love. [The Antiquities of Hastings and the Battlefield](#) Thomas Holwell Cole, 1884. *The King Arthur Quest* Clayton Donoghue, 2018-10-04. Who was King Arthur? A man or a myth? Was he a living, breathing figure in medieval history, or is he merely a timeless literary character in a beloved fairy tale? King Arthur is a monumental figure as we know him, but will the search for the real King Arthur prove the legend, or will it undermine his majesty? *The King Arthur Quest* takes a deep look into discovering the true person behind the great legend of King Arthur and whether the man really existed at all. Author Clayton Donoghue investigates a number of sources of the stories behind the man, and it turns out that the legendary king was real all right, but that he may not be as

exciting as what some people like Geoffrey Monmouth have made the king out to be Nevertheless the real King Arthur lived in the Dark Ages when Briton was being overrun by the Irish the Picts and the Anglo Saxons and these were desperate times of survival completely void of knights in shining armour yet from this turbulence clerics and scribes managed to keep records that survive today revealing Arthur s true identity King Arthur may not have been part of the age of chivalry or even a king at all Yet tracing his legacy in both history and in fiction can tell us something about who he was and why he was important both for the people arising out of the Dark Ages and for us today
