A New Dawn, or the Fading of the Light? Culture and Evangelization Today John C. Gallagher C.S.B., 2019-12-05 Parents are disheartened when their

children fall away from religious practice Pastoral workers wonder how they can get people to take religion seriously Something is at work that is puzzling but we can learn something useful about it A crucial factor is the role of culture To have faith is an act of individual responsibility but it can also be influenced by life around us For example popular opinion or concentration on making a fortune can make us deaf to any message about what lies beyond our immediate concerns This book is the fruit of the author s extensive study of how cultural forces influence attitudes Calling on long experience lecturing and in pastoral ministry he shows how cultural factors influence religious belief in our times and how ordinary believers can be active participants in creating a culture that opens us to God s word **Defending Catholicism** James S.

Anderson,2019-07-11 Hosts of helpful Catholic apologetic books currently exist however a concise treatment that specifically targets all the major Protestant objections in an easily accessible manner is hard to find Anderson s fourth volume offers such It provides readers with salient counterpoints for each objection and most often from the very source Protestants use to deny important aspects of the faith the Bible Thus without even realizing it Protestants implicitly accept the Catholic faith as they accept the very texts the faith provided them Important issues such as these are pointed out throughout the book It is a must read for Catholics seeking to address Protestant questions and for Protestants desiring to understand why Catholicism claims to be biblical through and through This work cogently articulates how Catholicism is biblical and just how often Protestant positions are untenable **Bethlehem: The House of Bread** James S. Anderson,2023-10-16

When the vast majority of American Catholics today do not understand the Eucharist much less believe what the Church and Christ himself maintain about it Bethlehem The House of Bread is a timely primer to understand the Catholic teaching on the Eucharist It provides an overview of what Vatican II declared the source and summit of the Christian life Step by step Bethlehem House of Bread in Hebrew scans the Bible from Genesis to Revelation revealing the scriptural roots of the Real Presence of Christ in the Eucharist thus placating the Protestant views that it is merely symbolic Bethlehem continues the exploration with writings of the early church medieval theologians and recent influential Catholic leaders All of them concur with the Bible The Eucharist has the power to transform one s life This booklet is for anyone desiring to know more about this vital mystery of the faith in these troubling time *A Culture of Engagement* Cathleen Kaveny,2016-03-01

Religious traditions in the United States are characterized by ongoing tension between assimilation to the broader culture as typified by mainline Protestant churches and defiant rejection of cultural incursions as witnessed by more sectarian movements such as Mormonism and Hassidism However legal theorist and Catholic theologian Cathleen Kaveny contends there is a third possibility a culture of engagement that accommodates and respects tradition It also recognizes the need to interact with culture to remain relevant and to offer critiques of social political legal and economic practices Kaveny suggests that rather than avoid the crisscross of the religious and secular spheres of life we should use this conflict as an opportunity to come together and to encounter challenge contribute to and correct one another Focusing on five broad areas of interest Law as a Teacher Religious Liberty and Its

Limits Conversations about Culture Conversations about Belief and Cases and Controversies Kaveny demonstrates how thoughtful and purposeful engagement can contribute to rich constructive and difficult discussions between moral and cultural traditions This provocative collection of Kaveny s articles from Commonweal magazine substantially revised and updated from their initial publication provides astonishing insight into a range of hot button issues like abortion assisted suicide government sponsored torture contraception the Ashley Treatment capital punishment and the role of religious faith in a pluralistic society At turns masterful and inspirational A Culture of Engagement is a welcome reminder of what can be gained when a diversity of experiences and beliefs is brought to bear on American public life **Ask the Bishop:**
