Why Is That So Funny A Practical Exploration Of Physical Comedy Softcover:

Why is that So Funny? John Wright, 2007-04 Book This unique exploration of the principles and practice of physical comedy starts with a discussion of the various types of laughter that can be provoked by performance It then presents graduated sequences of over a hundred games and exercises devised to demonstrate and investigate the whole range of comic possibilities open to a performer The result is an intensely practical and thoroughly stimulating investigation of how comedy works in physical terms **Nick Hern Books** Nick Hern Books (London), Nick Hern Books, Limited, 2006

Bourdieu in the Studio Evi Stamatiou, 2023-09-27 This book offers tools to address the growing and urgent interest in exposing and challenging unconscious biases in the studio exploiting how actor training uniquely combines elements of education and culture It is the first practical and rigorous investigation of Pierre Bourdieu's idea that domination and inequality are embodied in surreptitious ways This book adapts and develops the techniques of Joan Littlewood and Ariane Mnouchkine that juxtapose the social with the comedic to theatricalise Bourdieusian concepts inviting critical consciousness and critical praxis in the studio It constructs the creative intervention Ludic Activism that can be practically applied in an actor training context Actors from diverse training backgrounds were trained to use Ludic Activism co investigating how the Bourdieu inspired vocabulary and pedagogy can facilitate the acknowledgement and tackling of dispositions during theatre making Ludic Activism developed the participants social representations into progressive and compassionate versions reinforcing an understanding and use of their positionality in performance through a set of authorial acting tasks This book is an advanced study for actors directors and teachers of acting for both the training rehearsal studio and research The methodology account of the process and evaluation of the creative intervention including illustrations and selected videos that can be accessed on the Routledge website under the Support Material section here <https://www.routledge.com/Bourdieu-in-the-Studio-Decolonising-and-Decentering-Actor-Training-Through-Stamatiou/p/book/9781032306070> demonstrate a decolonising and decentering trajectory for actor training **New York Magazine** ,1997-06-23 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea Los Angeles Magazine ,2003-11 Los Angeles magazine is a regional magazine of national stature Our combination of award winning feature writing investigative reporting service journalism and design covers the people lifestyle culture entertainment fashion art and architecture and news that define Southern California Started in the spring of 1961 Los Angeles magazine has been addressing the needs and interests of our region for 48 years The magazine continues to be the definitive resource for an affluent population that is intensely interested in a lifestyle that is uniquely Southern Californian **Library Journal** ,2002 Playing the Mask John

Wright, 2017 This book is a wonderfully accessible introduction to a fresh and innovative acting technique for actors theatre makers and teachers to use in training and rehearsal A mask releases the actor to be playful and playfulness generates ideas finds meaning develops characterisation and is infinitely more fun than traditional training Rather than a dry guide to making masked theatre it is about for instance playing Lady Macbeth in Red Nose or Hamlet in the mask of The Victim The Ogre or The Fool or even Romeo and Juliet in grotesque half masks All in the name of liberating your creativity and ultimately improving your performance Extensively illustrated with a rich variety of masks this inventive and pragmatic book is full of invaluable games and exercises drawn from the author's own workshops his experience as co founder of both Trestle and Told by an Idiot and his pioneering mask and clown work in many professional productions Funny Bones Kimmy Sunday, 2025-05-10 Tap into the universal language of laughter Discover the core secrets of physical comedy and learn how to tickle anyone's funny bone Why does a well timed stumble or an exaggerated reaction make people laugh all over the world Funny Bones explores the fundamental elements of physical comedy revealing how you can unlock this powerful form of communication and connect with audiences on a primal joyous level Join author Kimmy Sunday on an insightful journey into the heart of humor This book is an exploration of the empathy timing and physical expression that create universally understood comedy Perfect for actors clowns performers speakers and anyone looking to inject more humor and connection into their interactions Unlock your comedic potential by learning The deep seated reasons physical humor resonates across all cultures Fundamental techniques Mastering falls trips takes and reactions How to build physical characters that audiences instantly recognize and love Practical exercises designed to improve your timing control and expressiveness The art of using props and your environment for maximum comedic effect How to tap into empathy to create laughter that unites Principles of non verbal communication essential for physical comedians Ways to find the funny in everyday situations and human behavior Why Funny Bones This guide focuses on the core components the bones of great physical comedy It emphasizes understanding the why behind the laughter enabling you to create authentic effective comedy rooted in shared human experience rather than just mimicking routines Excerpt The Power of Empathy in Comedy One reason this universal quality exists is because physical humor activates our innate sense of empathy When someone on stage trips over their own feet or struggles with a too tall ladder we instinctively relate we've all been there The gap between our usual desire to appear competent and our actual moment of clumsy mishap triggers our sympathy and our laughter This laughter unites people Excerpt Finding the Comedy Physical comedy often lies in the unexpected the exaggeration of the mundane or the relatable struggle against everyday objects or situations By observing human behavior and understanding the foundations of movement and expression you can learn to spot and amplify the comedic potential inherent in physicality Ready to connect entertain and unleash universal laughter Discover your Funny Bones Scroll up and grab your copy today TAGS Physical Comedy Humor Techniques Universal Laughter Acting Skills Clowning Basics Performance Guide Body Language Non Verbal
