Barrett, [Why Me, Lord?](#) Jim Taylor, 2014-04-11 This book offers a reasonable understanding of John s revelation letter to the seven churches of Asia a letter that is not like the rest of the Bible and is difficult to understand John s revelation letter describes a terrible spiritual war that was fought between God and Satan a war that was caused by a simple statement Jesus made Matthew 16 18 when he said he would build his church and nothing could stop it But Satan knew in order to fulfill his own purpose which was to control the world himself he must kill the church or it would be the end of him There is a parallel view of that spiritual war however It was also fought as a carnal war between the first century church and the Roman Empire John wrote about the spiritual forces of God as they battled against the evil spiritual forces of the devil and his angels The carnal war that those spiritual forces caused the war between the church and the Roman Empire was described by Edward Gibbon 1737 1794 in

his history of the decline and fall of Rome Gibbon only wrote history and he did not consider his writings to be a description of anything that was going on in God's kingdom but the writings of both John and Gibbon describe the extreme price first century Christians had to pay to be faithful to God and to continue on establishing his church throughout the world This book compares the things that John saw take place in the spiritual world the cause with something that was quite like it but happened in this physical world between Rome and the church the effect which was described by Gibbon in his history

Why? Why Me, God? Roger Richter,2022-10-12 Have you ever been in a situation in your life where you said Why me Why me God How did I get here and why did this have to happen to me I am a good person and try to do the right things and live the right way I think we all have had situations in our lives that can make you ask these questions but I have lived those situations sometimes to extremes Through those experiences I have found some answers as to why and some peace and understanding in my own life I have been spared from death supernaturally three times I know about I had an angel ride in my car one day for forty five minutes and I talked with him I even met my guardian angel I know that sounds crazy to some people but I have experienced those events in my life plus a lot of other things that would seem extreme I do realize some of my supernatural experiences will be hard for some people to believe So what is the book about This is one man's struggle with life that continues today life faith and courage to never give up even when the odds are against you If you read this book I hope it will inspire you to fight for God's promises in your life Never give up on your promises because God will honor those promises He was and still is in my life My life is just one example of His love forgiveness and mercy May God always be with you

Why Me Lord?! Dallas M. Gardner,2023-08-08 As a believer in God are you prepared for suffering and grief that will come your way After the death of my beloved wife in 2018 I started searching for resources to provide some guidance on how to cope with the intense grief that comes with being a widower at a fairly young age To my surprise I found very few publications directed at helping widowers deal with the suffering of losing their spouse and almost nothing from a Christian perspective on the topic In the months following my wife's passing I absorbed as much information on grieving and suffering as I could find I read about grief and attended grief sharing sessions at my local church But I kept questioning why these things happened to my family and why prayers were not heard I realized that the church as a whole does not do a very good job in preparing the flock for

grief and suffering which inevitably will come our way at some point in our lives During this period of confusion doubt and crying out for answers God responded to my protests and ultimately provided comfort as only he can Why Me Lord Suffering Widower was written to offer witness to God's unwavering grace and to look into the insights regarding suffering from the Bible primarily the book of Job
