The Neuroscience of Interrogation

Why Torture Doesn't Work Interrogation

Shane O'Mara

Why Torture Doesn't Work Interrogation:

Why Torture Doesn't Work Shane O'Mara, 2015-11-30 Besides being cruel and inhumane torture does not work the way torturers assume it does As Shane O'Mara's account of the neuroscience of suffering reveals extreme stress creates profound problems for memory mood and thinking and sufferers predictably produce information that is deeply unreliable or even counterproductive and dangerous

Why Torture Doesn't Work Shane O'Mara, 2015-11-30 Torture is banned because it is cruel and inhumane But as Shane O'Mara writes in this account of the human brain under stress another reason torture should never be condoned is because it does not work the way torturers assume it does In countless films and TV shows such as *Homeland* and *24* torture is portrayed as a harsh necessity If cruelty can extract secrets that will save lives so be it CIA officers and others conducted torture using precisely this justification But does torture accomplish what its defenders say it does For ethical reasons there are no scientific studies of torture But neuroscientists know a lot about how the brain reacts to fear extreme temperatures starvation thirst sleep deprivation and immersion in freezing water all tools of the torturer's trade These stressors create problems for memory mood and thinking and sufferers predictably produce information that is deeply unreliable and for intelligence purposes even counterproductive As O'Mara guides us through the neuroscience of suffering he reveals the brain to be much more complex than the brute calculations of torturers have allowed and he points the way to a humane approach to interrogation founded in the science of brain and behavior Torture may be effective in forcing confessions as in Stalin's Russia But if we want information that we can depend on to save lives O'Mara writes our model should be Napoleon It has always been recognized that this way of interrogating men by putting them to torture produces nothing worthwhile

Interrogation and Torture Steven J. Barela, Mark Fallon, Gloria Gaggioli, Jens David Ohlin, 2020 This book develops for the first time a comprehensive discussion regarding the legality of torture and the efficacy of interrogation Scientific research has concluded that torture is not effective So what interrogational methods are effective and how does one deploy those methods in such a way that is consistent with law and morality

Parameters, 2017

Cosmopolitanism and the Evils of the World Michael H. DeArmey, 2020-05-28 This book analyses five forms of transnational evils and offers cosmopolitan recommendations for reducing their occurrence With civilisation in crisis it is crucial now more than ever to attempt to mitigate the catastrophes that face us in the decades to come In a compelling and frightening account of transnational evil DeArmey identifies and explores in depth the dark side of human behaviour from genocide slavery torture and terrorism to the greatest disaster of our time the worldwide destruction of the earth's biosphere Building on Kant's theory of a new world organisation designed to eliminate the evil of war and strengthen the world community DeArmey develops a biotic and value based theory of dignity reconstructing a cosmopolitan world order that supports the Kantian theories of respect care and hospitality Cosmopolitan changes to the United Nations are proposed including a bicameral assembly and crucially an environmental council with legal powers In each chapter cosmopolitan

recommendations are made that will reduce the occurrence of the transnational evil in question it is through these recommendations that the dignity and world citizenship of humanity can be protected and strengthened Without them we are headed towards the collapse of civilisation and mass extinction in the biosphere **Contesting Torture** Rory Cox,Faye Donnelly,Anthony Lang Jr.,2022-10-27 This edited volume seeks to contest prevailing assumptions about torture and to consider why despite its illegality torture continues to be widely employed and misrepresented The resurgence of torture and public justifications of it led to the central questions that this inter disciplinary volume seeks to address How is it possible for torture to be practiced when it is legally prohibited What kinds of moves do agents make that render torture palatable Why do so many ignore the evidence that torture is ineffective as an intelligence gathering technique Who are the victims of torture The various contributors in the book look to history the practices of interrogators artistic representations documentary films rendition policies political campaigns diplomatic discourses international legal rules refugee practices and cultural representations of death and the body to illuminate how torture becomes permissible Building from the personal to the communal and from the practical to the conceptual the volume reflects the multivalence of torture itself This framework enables readers at all levels better appreciate how and why torture is open to so many interpretations and applications This book will be of much interest to students of International Relations Security Studies Terrorism Studies Ethics and International Legal Studies **Personalist Neuroethics: Practical Neuroethics. Volume 2** James

Beauregard,2023-05-23 Personalist Neuroethics Practical Neuroethics Volume 2 is the second volume by the author to address ethical questions in neuroscience The first volume dealt primarily with theoretical issues while the present volume delves into specific and concrete ethical dilemmas that arise in neuroscience research and practice The topics covered include human dignity and neuroethics neuroethical issues at the beginning of life e g stem cell use in neuropsychiatric treatments neuroethics and injured persons e g brain injury and disorders of consciousness brain computer interface technology neuroethics at the end of life e g dementia care the ethics of enhancement and neuroethics as it impacts forensics and the justice system the media national security and warfare and the rarely discussed topic of neuroethics and religion

The Oxford Handbook of Terrorism Erica Chenoweth,Richard English,Andreas Gofas,Stathis N. Kalyvas,2019-03-14 The Oxford Handbook of Terrorism systematically integrates the substantial body of scholarship on terrorism and counterterrorism before and after 9 11 In doing so it introduces scholars and practitioners to state of the art approaches methods and issues in studying and teaching these vital phenomena This Handbook goes further than most existing collections by giving structure and direction to the fast growing but somewhat disjointed field of terrorism studies The volume locates terrorism within the wider spectrum of political violence instead of engaging in the widespread tendency towards treating terrorism as an exceptional act Moreover the volume makes a case for studying terrorism within its socio historical context Finally the volume addresses the critique that the study of terrorism suffers from lack of theory by

reviewing and extending the theoretical insights contributed by several fields including political science political economy history sociology anthropology criminology law geography and psychology In doing so the volume showcases the analytical advancements and reflects on the challenges that remain since the emergence of the field in the early 1970s Psychology of Terrorists Raymond H. Hamden, 2018-11-20 The Psychology of Terrorists examines the personality profile of the individual and categorizes the psychology of terrorists into four distinct profiles which are outlined and analyzed in detail There are many books that cover social psychology and political violence and aggression but few establish the mind set of the terrorist as an individual This includes taking into account personal experiences and religious or political ideology for the purposes of understanding conceptual and tactical objectives and profiling terrorists to counter terrorist threats Dr Raymond Hamden presents a unique look at terrorists as individuals with personal motives as well as those of principle The book presents an analysis of terrorists without prejudice or bias for any political religious nationality creed or race Too many times the world see experts focus on issues that are based on their own predispositions or partialities Although there is criticism on the reliability of profiling this research demonstrates validity and reliability It is vital to understand terrorist motivations and this can only be achieved by knowing the terrorists psychological character looking at the individual terrorist taking into account particular experiences psychological makeup background and fundamentalist ideology The Psychology of Terrorists Profiling and CounterAction will be a welcomed addition to psychologists terrorism researchers criminal profilers investigators and intelligence professionals counter and anti terrorism experts as well as military security and law enforcement professionals tasked with protecting individuals from the various acts of terrorism domestically and globally Psychological Torture Pau Perez Sales, 2016-11-03 Sadly it is highly likely that psychological torture is committed by governments worldwide and yet notwithstanding the serious moral questions that this disturbing and elusive concept raises and research in the area so limited there is no operational or legal definition This pioneering new book provides the first scientific definition and instrument to measure what it means to be tortured psychologically as well as how allegations of psychological torture can be judged Ground in cross disciplinary research across psychology anthropology ethics philosophy law and medicine the book is a tour de force which analyses the legal framework in which psychological torture can exist the harrowing effects it can have on those who have experienced it and the motivations and identities of those who perpetrate it Integrating the voices both of those who have experienced torture as well as those who have committed it the book defines what we mean by psychological torture its aims and effects as well as the moral and ethical debates in which it operates Finally the book builds on the Istanbul Protocol to provide a comprehensive new framework including practical scales that enables us to accurately measure psychological torture for the first time This is an important and much needed overview and analysis of an issue that many governments have sought to sweep under the carpet Its accessibility and range of coverage make it essential reading not only for psychologists and psychiatrists interested in this field but also human rights organizations lawyers and the wider

international community

Why Torture Doesn't Work Interrogation Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Why Torture Doesn't Work Interrogation PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Why Torture Doesn't Work Interrogation PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free

downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Why Torture Doesnt Work Interrogation free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Why Torture Doesnt Work Interrogation Books

What is a Why Torture Doesnt Work Interrogation PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Why Torture Doesnt Work Interrogation PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Why Torture Doesnt Work Interrogation PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Why Torture Doesnt Work Interrogation PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Why Torture Doesnt Work Interrogation PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. **How do I compress a PDF file?** You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and

download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
