Why We Hate Us American Discontent In The New Millennium

Dick Meyer

Why We Hate Us American Discontent In The New Millennium:

Why We Hate Us Dick Meyer, 2008-08-05 Americans are as safe well fed securely sheltered long lived free and healthy as any human beings who have ever lived on the planet But we are down on America So why do we hate us According to Dick Meyer the following items on this much abbreviated list are some of the contributors to our deep disenchantment with our own culture Cell phone talkers broadcasting the intimate details of their lives in public spaces Worship of self awareness self realization and self fulfillment T shirts that read Eat Me Facebook MySpace and kids being taught to market themselves High level cheating in business and sports Reality television and the cosmetic surgery boom Multinational corporations that claim We care about you The decline of organic communities A line of cosmetics called S L U T The phony red state blue state divide The penetration of OmniMarketing into OmniMedia and the insinuation of both into every facet of our lives You undoubtedly could add to the list with hardly a moment's thought In *Why We Hate Us* Meyer absolutely nails America's early twenty first century mood disorder He points out the most widespread carriers of the why we hate us germs including the belligerence of partisan politics that perverts our democracy the decline of once common manners the vulgarity of Hollywood entertainment the superficiality and untrustworthiness of the news media the cult of celebrity and the disappearance of authentic neighborhoods and voluntary organizations the kind that have actual meetings where one can hobnob instead of just clicking in an online contribution Meyer argues with biting wit and observations that make you want to shout Yes I hate that too that when the social spiritual and political turmoil that followed the sixties collided with the technological and media revolution at the turn of the century something inside us hit overload American culture no longer reflects our own values As a result we are now morally and existentially tired disoriented anchorless and defensive We hate us and we wonder why *Why We Hate Us* reveals why we do and also offers a thoughtful and uplifting prescription for breaking out of our current morass and learning how to hate us less It is a penetrating but always accessible Culture of Narcissism for a new generation and it carries forward ideas that resounded with readers in bestsellers such as *On Bullshit* and *Bowling Alone* *Why We Hate Us*

Dick Meyer, 2009-09-22 Americans are as safe well fed securely sheltered long lived free and healthy as any human beings who have ever lived on the planet But we are down on America So why do we hate us According to Dick Meyer the following items on this much abbreviated list are some of the contributors to our deep disenchantment with our own culture Cell phone talkers broadcasting the intimate details of their lives in public spaces Worship of self awareness self realization and self fulfillment T shirts that read Eat Me Facebook MySpace and kids being taught to market themselves High level cheating in business and sports Reality television and the cosmetic surgery boom Multinational corporations that claim We care about you The decline of organic communities A line of cosmetics called S L U T The phony red state blue state divide The penetration of OmniMarketing into OmniMedia and the insinuation of both into every facet of our lives You undoubtedly could add to the list with hardly a moment's thought In *Why We Hate Us* Meyer absolutely nails America's early twenty first

century mood disorder He points out the most widespread carriers of the why we hate us germs including the belligerence of partisan politics that perverts our democracy the decline of once common manners the vulgarity of Hollywood entertainment the superficiality and untrustworthiness of the news media the cult of celebrity and the disappearance of authentic neighborhoods and voluntary organizations the kind that have actual meetings where one can hobnob instead of just clicking in an online contribution Meyer argues with biting wit and observations that make you want to shout Yes I hate that too that when the social spiritual and political turmoil that followed the sixties collided with the technological and media revolution at the turn of the century something inside us hit overload American culture no longer reflects our own values As a result we are now morally and existentially tired disoriented anchorless and defensive We hate us and we wonder why Why We Hate Us reveals why we do and also offers a thoughtful and uplifting prescription for breaking out of our current morass and learning how to hate us less It is a penetrating but always accessible Culture of Narcissism for a new generation and it carries forward ideas that resounded with readers in bestsellers such as On Bullshit and Bowling Alone

Democracy and the Next American Economy Henry A. J. Ramos, 2019-04-30 Progressive intellectual Henry A J Ramos believes the United States is at a crossroads facing the most challenging moment since the civil rights movement of the late 1960s and early 1970s In fact absent major new interventions and investments he sees this moment as a pivotal turning point in the American journey in which political polarization income and wealth disparity and public violence much of which is race related threaten the very essence and integrity of our democracy and economy Ramos examines the policies that have contributed to America's decline including those that have led to the concentration of great wealth in the hands of a few while condemning many to systemic poverty and inequality Current economic and social trends he stresses are unsustainable and call for organized concerted action by people of conscience and those affected Ultimately Ramos provides a roadmap for the future so the United States can continue to provide opportunities for its people and serve again as a leader in the international community He offers case studies of organizations that have successfully created and administered programs that further equity in society restore democratic practices implement better urban and city planning and protect the environment Demonstrating both the critical importance and real possibility of leveraging prosperity and justice for all Americans this compelling work is a must read for anyone interested in democracy economic restoration and environmental sustainability

Essentials of Managing Stress During Times of Pandemic: A Primer Brian Luke Seaward, 2021-04-21 A great addition to any personal health and wellness course as well as for use as a stand alone resource Essentials of Managing Stress During Times of Pandemic provides a concise and practical guide to stress management tips and techniques It begins by uncovering what stress is the psychology of stress and how it affects the body before delving into effective coping skills The guide then walks through stress relief techniques including nutrition and physical exercise recommendations and closes with ten tips for staying grounded The included case studies illustrate how these approaches can be applied in practice

Affluenza John de

Graaf, David Wann, Thomas H. Naylor, 2014-02-03 A witty yet hard hitting look at the symptoms causes and cures for America's addiction to buying more stuff Library Journal NEW EDITION REVISED AND UPDATED affluenza n a painful contagious socially transmitted condition of overload debt anxiety and waste resulting from the dogged pursuit of more We tried to warn you The 2008 economic collapse proved how resilient and dangerous affluenza can be Now in its third edition this book can safely be called prophetic in showing how problems ranging from loneliness endless working hours and family conflict to rising debt environmental pollution and rampant commercialism are all symptoms of this global plague The new edition traces the role overconsumption played in the Great Recession discusses new ways to measure social health and success such as the Gross Domestic Happiness index and offers policy recommendations to make our society more simplicity friendly The underlying message isn't to stop buying it's to remember always that the best things in life aren't things It is not a book that shakes a finger in our faces and reprimands hardworking Americans for wanting a little more comfort elegance and enjoyment it creates something of real value a new way of accounting for true happiness in our lives Scott Simon Weekend Edition host NPR Affluenza is a sober indictment of the excesses and sheer waste in our increasingly consumer oriented society We would all be well served to read the book and pass it on to relatives friends and neighbors in the hopes of creating a great public conversation around how to eradicate the affluenza pandemic Jeremy Rifkin author of The Third Industrial Revolution

The Lonely Quest Robert C. Hauhart, 2018-12-07 Today the United States is a country divided along lines of gender economic inequality educational level and political affiliation Democrats typically select a different range of matters of serious public concern compared to Republicans Many Americans describe difficulty in coming to terms with the demands placed on them in their work communities and personal lives and achieving satisfaction The institutional crises that pervade our politics economy educational systems and communities have inspired a contemporary crisis a widespread inability for many to live as integrated effective selves in the twenty first century United States Drawing on a wide range of historical and contemporary research The Lonely Quest explores the dilemma of constructing the self in the U S today

Essentials of Managing Stress Brian Luke Seaward, 2016-01-07 The fourth edition of Essentials of Managing Stress teaches readers practical skills and techniques on how to best handle daily stressors and empowers them with the tools needed to live a balanced life The Fourth Edition is a highly accessible and student friendly text that is designed to promote personal growth along with content retention Students are guided through a series of more than 80 exercises and questionnaires that encourage them to adopt effective stress management practices into their personal health behaviors A new chapter on Ecotherapy rounds out the text and provides insight into the healing powers of nature

Against Values Philip J. Harold, 2022-11-01 Today's wholesale lack of trust in our institutions is a problem with deep roots in liberalism and it cannot be solved by tweaking a liberal paradigm in which different conceptions of the good create conflict that is resolved by a sovereign state without reference to a nonexclusive common good Ultimately the essence of liberalism is contained in the

language of values which serve as wedges to divide people Philip J Harold takes this problem head on with a thoroughgoing survey reaching back to the early modern era to uncover the nature of liberalism's basic assumptions and diagnose its breakdown As opposed to traditional liberal denial of a good superior to individual interest Harold proposes a postliberal political philosophy able to understand the common good as friendship and social trust built up by loyalty While critiquing values language Harold also addresses the concept of sovereignty and the invention of morality as its supplement the inappropriate distinction between the empirical and the transcendental the true nature of the secular and the sacred the necessarily symbolic expression of the common good and the false conceptualization of religion and politics **When Did**

White Trash Become the New Normal? Charlotte Hays, 2013-10-28 Tattoos Unwed pregnancy Giving up on shaving showering and employment These used to be signatures of a trashy individual Now they're the new norm What happened to etiquette hygiene and self restraint Charlotte Hays Southern gentlewoman extraordinaire takes a humorous look at the spread of white trash culture to all levels of American society **China's Modernization I** Georg Peter, Reuß-Markus

Krauß, 2015-09-09 The idea of only one way leading to a modern society seems to be hardly tenable But even if we agree to this our theories and terms describing modernization are gained on our own Western history So social science has to reconsider its basic terms to describe China's modernization and maybe even the understanding of modernization itself The first of two volumes on China's modernization collects articles by leading Chinese and Western scientists focusing on the main conflicts and differences this process involves In a first section Changing China Dealing with Diversity Björn Alperman analyses the terms Class Citizenship and Individualization in China's Modernization Andrew Kipnis analyses the Chinese Nation Building as Instead of and Before Globalization while John R Gibbins examines Principles for Cosmopolitan Societies Values for Cosmopolitan Places On Modernization Law Business and Economy in China the second section deals with Modernizing Chinese Law The Protection of Private Property in China by Sanzhu Zhu Chinese Organizations as Groups of People Towards a Chinese Business Administration by Peter J Peverelli and Income Gaps in Economic Development Differences among Regions Occupational Groups and Ethnic Groups by Ma Rong The last section Thinking Differentiations Chinese Origin and the Western Culture concentrates on the role of religion with articles by Richard Madsen Christianity and Hybrid Modernity in China and Thorsten Botz Bornstein Confucianism Puritanism and the Transcendental China and America Jeffrey N Wasserstrom argues that Nathan Sharansky's test for free nations should take regional variations into account in China and the Town Square Test In Metaphor Poetry and Cultural Implicature Ying Zhang examines if the Western understanding of metaphor can be transferred to Chinese language and culture The additional rubric On Contemporary Philosophy involves three articles about the question Can Science Change our Notion of Existence by Jody Azzouni The Epistemological Significance of Practices by Alan Millar and On Cappelen and Hawthorne's Relativism and Monadic Truth by J Adam Carter Content and abstracts www.protosociology.de
