Why I Am a Baptist Clarence Larkin,2017-02-23 In this inspirational book preacher and educator Clarence Larkin explains the characteristics of Baptism which motivated him to join his denomination Larkin offers in this fine work an in depth guide to baptism from its origins in the Gospels to its character traditions and doctrine in the modern day The aim of baptizing and its symbolism in Christian belief are also explained with the use of the Biblical Gospels and other sources Never one to stray from the very core of his subject Clarence Larkin keenly tells the reader about the origins of the very word Baptism The ceremonial procedures from the view of the baptizer and the person to be baptized are also discussed Quotes of the Gospel are frequent with Larkin striking the tone of clarity which was his custom The assumption that Baptists believe baptism is essential to salvation is shown to be incorrect with Larkin careful to cite the Gospels to support this assertion The baptism itself is not a literal washing away of sins but an affirmation of faith in Jesus Christ his deeds and character and the purpose of his death It is up to the baptized person to adhere truthfully to this pledge and thus attain their salvation It is here in this book that Larkin reaches out to the pedobaptists Baptists whom believe in infant baptism with a tone of reconciliation At the time of writing there was marked disagreement between the Baptists in general and this subgroup which Larkin sought to make amends Furthermore various other denominations are described providing some insight into how Baptism was organized in the United States in the early 20th century **Three Reasons why I Am a Baptist** J. Allan Johnson, 2018-12-18 I was twenty three years old when I joined the Bethel Baptist Institutional Church in Jacksonville Florida All of my life up until about five months before I joined Bethel I had been a Jehovah s witness When I left the Jehovah s witnesses I joined the Nation of Islam for about three months It was during these three months that I encountered one of Bethel s deacons who witnessed Christ to me and shared his testimony In New Member Orientation class the teacher confronted us with a question that has resounded in my mind for the forty four years since then Why are you a Baptist to be honest I had never learned anything about Baptists when I was a witness I was at this Baptist church because my friend who witnessed Christ to me was a member of this church and had invited me to come Otherwise to answer the teacher s question I had to first know what a Baptist is This book starts by answering that question and finishes with my answer to the teacher s question When I first joined the Baptist church the teacher in New Members class challenged us to answer the question Why am I a Baptist Forty four years later I am writing this book to share my answer to his question In Why I Am A Baptist I tell you what I learned about me from discovering what a Baptist IS to discovering the Baptist in me who has always been there even when I was a JW This book is not intended to tell you how to be a Baptist or to answer the teacher s question for you If that were my intent I would have chosen a different title But it will present a short history of the Baptist Church from the early beginnings to its arrival in North America to the events that led to the launching of the first Black Baptist churches in the United States and beyond
