Why We Belong Evangelical Unity And Denominational Diversity:

Why We Belong Anthony L. Chute, Christopher W. Morgan, Robert A. Peterson, 2013-06-30 Denominations The mention of the word is often enough to spark strong reactions regardless of whether one is for or against them This hopeful new volume made up of contributions from prominent evangelical leaders argues for the importance of denominations highlighting their significant strengths while acknowledging potential weaknesses Contributors from a variety of backgrounds Anglican Presbyterian Baptist Pentecostal Lutheran and Methodist share their own personal stories related to why they identify with a particular tradition and yet still maintain a robust sense of evangelical unity across denominational lines Far from merely highlighting differences this book celebrates the unity that believers enjoy in the gospel for the purpose of fostering productive dialogue and increased understanding within the fragmented landscape of modern evangelicalism

Baptists and the Christian Tradition Matthew Y. Emerson, Christopher W. Morgan, R. Lucas Stamps, 2020-06-15 In Baptists and the Christian Tradition editors Matthew Emerson Christopher Morgan and Lucas Stamps compile a series of essays advocating Baptist catholicity This approach presupposes a critical but charitable engagement with the whole church both past and present along with the desire to move beyond the false polarities of an Enlightenment based individualism on the one hand and a pastiche of postmodern relativism on the other

Worship, Tradition, and Engagement David S. Dockery, James Earl Massey, Robert Smith, 2018-04-20 Worship Tradition and Engagement is designed to honor the life scholarship and influence of Timothy George the founding dean of Beeson Divinity School Timothy George is one of the premier evangelical scholars and leading statesmen of this generation This volume reflects on the many themes of Dean George s life and ministry including theology church history gospel church worship tradition and engagement The book edited by David S Dockery James Earl Massey and Robert Smith Jr includes essays by some of the most notable scholars and leaders of our day including Kevin Vanhoozer Robert P George Albert Mohler Graham Cole Gerald Bray Elizabeth Newman Richard Mouw Thomas Guarino Will Willimon and several others Each author makes a distinctive and significant contribution to this important project bringing depth and breadth to this thematic volume designed to honor scholar and Christian leader Timothy George

Retrieval for the Sake of Renewal Christopher R. Hanna, 2022-11-18 To borrow imagery from C S Lewis s The Lion the Witch and the Wardrobe Timothy George s perspective as a historical theologian is the wardrobe that we can walk through to get to Narnia an exciting new place where we discover the wonderful works of Augustine Aquinas Calvin Luther Wesley and many others George is one of the most respected church historians theologians and Christian educators of our time But how did this Baptist preacher from Tennessee become a premier church historian and follow in the footsteps of great historians like the Harvard scholar George Huntston Williams who was a Unitarian the Duke scholar David Steinmetz who was a Methodist and the Yale scholar Jaroslav Pelikan who was a Lutheran and later Eastern Orthodox This book will uncover how each of these influences contributed to George s eye opening heart warming and kingdom advancing approach

to the study of church history Local and Universal C. Ryan Fields, 2024-02-06 How might we reclaim the universality of the church without losing its local situatedness In this SCDS volume C Ryan Fields juxtaposes the Free Church tradition with its Episcopal counterpart arguing that the Free Church tradition can helpfully inform our understanding of the one body of Christ while remaining true to its local roots When Doctrine Divides the People of God Rhyne R. Putman, 2020-04-22 An Excellent Study on Christian Unity and Doctrinal Diversity This helpful book will encourage Christians to hold their convictions with greater irenicism humility awareness and wisdom Gavin Ortlund Senior Pastor First Baptist Church of Ojai author *Finding the Right Hills to Die On* As evangelicals we desire to be biblical we want our doctrine to be rooted in the Bible our lives to be guided by the Bible and our disagreements to be resolved by the Bible And yet conflicts within our church communities continue to appear and seemingly multiply with time Interpretations of the Bible and deeply held convictions often put Christians at odds Encouraging us toward grace in disagreement and firmness in truth Rhyne Putman reflects on how Christians can maintain the biblical call for unity despite having genuine disagreements Handbook of Denominations in the United States, 14th edition Roger E. Olson, Frank S. Mead, Samuel S. Hill, Dr. Craig D. Atwood, 2018-05-15 The Handbook of Denominations in the United States has long been the gold standard for reference works about religious bodies in America The purpose of this Handbook is to provide accurate and objective information about the most significant Christian traditions and denominations in the United States today It contains descriptions of over 200 distinct Christian denominations as well as overviews of the several major Christian traditions to which they belong based on shared historical and theological roots and commitments The information for each denomination has been provided by the religious organizations themselves and focuses on the denominations doctrines statistics and histories The 14th edition is completely updated with current statistics new denominations and recent trends The book has been made more useful and manageable by moving very small groups into broader articles while giving more detail and description to the large and influential denominations *Spirituality for the Sent* Nathan A. Finn, Keith S. Whitfield, 2017-03-28 While spiritual formation focuses on the inner life of the Christian the missional church discussion focuses on one's life in the world Nathan A Finn and Keith S Whitfield bring together leading evangelical voices to cast a new vision for a missional spirituality that fosters spiritual maturity while also fueling Christian evangelism cultural engagement and the pursuit of justice *The Love of God* Christopher W. Morgan, 2016-09-30 Our understanding of the love of God has been tragically distorted The comfortable sentimentalized version we commonly encounter today is far from the biblical depiction of God's love Featuring contributions from well known evangelical scholars this multi disciplinary study presents the biblical view of the love of God from the perspectives of systematic theology biblical theology apologetics pastoral theology and ethics The contributors including D A Carson Andreas J K stenberger Raymond C Ortlund Jr Robert L Plummer and many others address a variety of issues related to how God's love is expressed in the Old and New Testaments the Trinity apologetics Christian living social justice and more

This addition to the Theology in Community series will promote clear sound thinking about what Scripture means when it declares that God is love Part of the Theology in Community series **The Routledge Research Companion to the History of Evangelicalism** Andrew Atherstone, David Ceri Jones, 2018-07-11 Evangelicalism an inter denominational religious movement that has grown to become one of the most pervasive expressions of world Christianity in the early twenty first century had its origins in the religious revivals led by George Whitefield John Wesley and Jonathan Edwards in the middle decades of the eighteenth century With its stress on the Bible the cross of Christ conversion and the urgency of mission it quickly spread throughout the Atlantic world and then became a global phenomenon Over the past three decades evangelicalism has become the focus of considerable historical research This research companion brings together a team of leading scholars writing broad ranging chapters on key themes in the history of evangelicalism It provides an authoritative and state of the art review of current scholarship and maps the territory for future research Primary attention is paid to English speaking evangelicalism but the volume is transnational in its scope Arranged thematically chapters assess evangelicalism and the Bible the atonement spirituality revivals and revivalism worldwide mission in the Atlantic North and the Global South eschatology race gender culture and the arts money and business interactions with Roman Catholicism Eastern Christianity and Islam and globalization It demonstrates evangelicalism s multiple and contested identities in different ages and contexts The historical and thematic approach of this research companion makes it an invaluable resource for scholars and students alike worldwide
