Wicca Candle Magic Lisa Woods,2021-02-12 55% OFF for Bookstores LAST DAYS What motivates you Wicca should never be something you take time out of your regular life to practice The point of a spiritual path such as Wicca is to incorporate your spiritual practice into your daily life without fuss or

drama Your spirituality should inform your thoughts opinions and action in daily life as well as in ritual Practicing Wicca every moment of the day should make your life more harmonious not more complicated As organized religions gained more of a stronghold in the world the witch was often associated with unrighteousness evil and heathenism Missionaries could more easily convert impressionable people by accusing the witches of doing evil As modern science came into being there was even more reason to fear the people who lived their lives healing with herbs and praying to the full moon And unfortunately many of these beliefs still linger today in modern times This is part of the reason that the practice is referred to as Wicca and not witchcraft because witches have long had a bad name There are a lot of beliefs about Witches and Pagans Some people are simply misinformed and others just don't want to hear the truth but I'm not here to preach on who's right or wrong I'm simply here to tell you about Wicca how it came about and how you can become a practitioner if you so choose to If you are looking to gain a better understanding of what Wicca is if you have a strong connection to nature haven't found a spiritual path or want to feel more connected to the universe This book can provide you with the information you have been looking for You will learn a great deal about becoming a Wiccan what green witchcraft involves and the steps required to determine whether this is the right path for you As you grow and develop your skills keep a record of your journey and start your own Grimoire to have your own book of spells and magic Wicca is a creative art and so with these basics as your guide you can take your spell work into your own hands and start inventing spells that work with your life Use your intuition but also use your good judgment Remember this important rule the energy you put out is the energy you get back Empower your life and fulfill your dreams through the beauty of Wicca And so it is Once you're ready to create magic remember to relax and have fun with it A mistake is not a deal breaker whatever you do do so with good strong intent and you will see the results better than you imagined This book covers the following topics Wiccan Deities How to Choose God and Goddess Wicca Pentacle The Five Elements The Sabbats of the Wiccan Calendar How to Set Up your Personal Altar Beginners Tools and Supplies 55% OFF for Bookstores LAST DAYS Buy it NOW and get addicted to this amazing book **Wicca** Scott Cunningham, 2010-09-08 Cunningham's classic introduction to Wicca is about how to live life magically spiritually and wholly attuned with nature It is a book of sense and common sense not only about magick but about religion and one of the most critical issues of today how to achieve the much needed and wholesome relationship with our Earth Cunningham presents Wicca as it is today a gentle Earth oriented religion dedicated to the Goddess and God Wicca also includes Scott Cunningham's own Book of Shadows and updated appendices of periodicals and occult suppliers **Wicca Starter Kit** Joy Cunningham, 2020-12-20 *Living Wicca* Scott Cunningham, 1993 The sequel to Wicca A Guide for the Solitary Practitioner this book is a step by step guide for those who have made the conscious decision to bring their Wiccan spirituality into their everyday lives Witchcraft For Beginners Lisa Moon, 2021-06-09 55% OFF for Bookstores NOW at 23.97 instead of 34.97 LAST DAYS Do you feel the need for more positive energy through Wicca The Wiccan belief system is actually quite complex

in the fact that Wiccans have a certain way of thinking and living their lives Similar to other religions Wiccans like balance and peace of all things They are very in tune with nature and the Earth making all things whole and a sense of oneness with all living things They go by a guilt free morality What this means is that there is no jealous or vindictive God in Wicca The mother goddess is mainly loving nurturing generous and wise Whereas the gods are protective playful assertive and strong without punishment or violence Wiccans live vicariously through their gods and goddesses and implement all that is pure in the Wiccan form Witchcraft is technically considered a type of magic whose emphasis is on earthly magic such as natural magic and herbal magic The witch in all her forms lives in these practices living on the fringe of society and acting as healer and destroyer Often associated with women witchcraft can be practiced by men as well But never fear this book will help you dismantle myths misconceptions and build a solid foundation of understanding In this book we ll go over the history and origins of the Wiccan religion the basics of the Wiccan pantheon of deities and their worship rituals the dynamics of magic in the natural world the nuances of spell casting and more Spend some time exploring your goals and dreams and begin to make a list of spells you would like to try This book covers The Simple Overview to Wicca Wiccan Beliefs The Craft Simple Wicca Spells Everyone Needs To Help You Succeed In Life Getting Started To The Wiccan Path Deities and the Divine Wiccan Tools Commonly Found on the Altar The Circle A Wiccan s Sacred Space The Wiccan Calendar Holidays Moon Magic and Using the Days of the Week Candle Spells Crystal Magic Simple Herbal Magic And much more 55% OFF for Bookstores NOW at 23 97 instead of 34 97 LAST DAYS Grab your copy NOW and get addicted to this amazing book **Wicca & Wealth**
