Echoes of the Good News Justin Nnaemeka Onyeukaziri, 2014-03-14 As Christians today we need to enter into dialogue with the context of the world of which generation we are The Four gospel evangelists present to us the Jesus who always engages his contemporary in an intelligent conversation not only on matters of faith and morals but on the entire existential life situations of the people at his time In the constant conversation between Jesus and his major interlocutors the scribes the Pharisees and or the Sadducees Jesus demonstrates and establishes that Christianity should have the nature of a rational intelligent faith and morals not an irrational blind faith and moral Whenever we fail as Christians to act or react to the realities of our world with a rational or intelligent faith and moral attitude we always end up not only becoming inhuman cruel exploitative manipulative and hypocritical like the scribes and the Pharisees of Jesus time but we also become predators persecutors fanatics enemies and killers of gifted and ingenious people in the name of God We become stagnant and remain in the past making Christianity unattractive sterile and a gathering of people of weak minds who nourish themselves with fables and superstitions Thus Christianity would be erroneously conceived as an enemy to science enemy to technological advancement enemy to politics enemy to Economic growth and entire human development and societal advancements This rational faith attitude is what this book attempts to expose and invite everyone to have for a better and richer Christian experience in our informative explosive generation *The Real Narrow Path into the Hidden Kingdom of God* Joseph Ho, 2015-08-28 This book was birthed as a result of seeing many sincere Christians falling into heresy myths and fairy tales spun by irresponsible preachers who would speak anything in order to gain an audience through lies and deceit The contents of this book are not fictional They were all painstakingly tested and lived in order to test the doctrines learnt in the modern churches This book is dedicated to help those who want to move in the Spirit of God to be truly led by him and not by man made rules and teachings which have no power to manifest the presence of God in their walk The author teaches how to hear from God and the main principles or laws in the kingdom of God that is true kingdom living The author was ordained and called by God through three distinct verses given supernaturally by the Holy Spirit these are Numbers 33 33 Job 33 33 and Ezekiel 33 33 *The Greatest Words Ever Spoken* Steven K. Understanding Matthew - Using Semitic Bible Study

Methods Michael Harvey Koplitz, This commentary was researched and written using Semitic Bible Study Methods Aramaic the language Yeshua spoke and the culture of Yeshua s day These methods were initially developed by the Sage Hillel over 2000 years ago augmented and the author Semitic Bible study methods are based on asking questions about the Scripture examining the language and culture of that day This is a strange idea for church people because the Church teaches that only the Church can interpret Scripture This is not true God wants us to ask questions because Scripture s meaning is as deep as God and God is infinite
