Women With Intellectual Disabilities Finding A Place In The World:

Parents with Intellectual Disabilities Gwynnyth Llewellyn, Rannveig Traustadottir, David McConnell, Hanna Bjorg Sigurjonsdott, 2010-02-18 The first international cross disciplinary book to explore and understand the lives of parents with intellectual disabilities their children and the systems and services they encounter Presents a unique pan disciplinary overview of this growing field of study Offers a human rights approach to disability and family life Informed by the newly adopted UN Convention on the Rights of Persons with Disabilities 2006 Provides comprehensive research based knowledge from leading figures in the field of intellectual disability Deinstitutionalization and People with Intellectual Disabilities

Kelley Johnson, Rannveig Traustadottir, 2005-06-29 This collection of personal and professional perspectives addresses the key steps towards deinstitutionalization as they have been experienced by people with intellectual disabilities living inside total institutions moving out living in the community and moving on to new forms of both institutionalization and community life

Women With Intellectual Disabilities Kelley Johnson, 2000-03-01 This book provides the first comprehensive exploration of the issues affecting the lives of women with intellectual disabilities Women from all over the world have collaborated to write about their lives their experiences and their hopes for the future Different aspects of life work family relationships and more are discussed Disability and the Life Course Mark Priestley, 2001-07-05 Disability and the Life

Course first published in 2001 explores the global experience of disability using a novel life course approach The book explores how disabling societies impact on disabled people s life experiences and highlights the ways in which disabled people have acted to take more control over their own lives It provides a unique combination of analysis policy issues and autobiography offering the reader a rare opportunity to make links between the theoretical the political and the personal in a single volume The material is set in a truly international context with contributions from thirteen different countries bringing together established and emerging writers both disabled and non disabled The book bridges some important gaps in the existing disability literature by including issues relevant to disabled people of all ages and with different kinds of impairments and also by offering a unique analysis of the relationship between disability and generation in a changing world

People with intellectual disabilities Kelley Johnson, Jan Walmsley, 2010-09-24 What does it mean to live a good life Why has it proved so difficult for people with intellectual disabilities to live one What happens when we make a good life the centre of our consideration of people with intellectual disabilities These questions are explored through a re examination of ideas from philosophy and social theory and through personal life stories This important and timely book provides an analysis and critique of current policies and underpinning ideologies in relation to people with intellectual disabilities and explores ways in which a good life may be made more attainable **Inclusive Research with People with Learning Disabilities**

Kelley Johnson, Jan Walmsley, 2003-03-19 The authors discuss participative approaches to research and provide an up to date account of inclusive practice with individuals with learning disabilities Drawing on evidence from two major studies they

explain how lessons learnt from inclusive research in the learning disability field are applicable to others working with marginalized groups

A Guide to Psychological Understanding of People with Learning Disabilities Jenny Webb, 2013-07-31 Who are the people we describe as having learning or intellectual disability Many clinical psychologists working in a mental health setting are now encountering people with learning disabilities in some cases for the first time This book provides the background information and understanding required to provide a basis for a truly inclusive and effective service for people with learning disability In *A Guide to Psychological Understanding of People with Learning Disabilities* Jenny Webb argues that we need a new clinically based definition of learning disability and an approach which integrates scientific rigour with humanistic concern for this group of people who are so often vulnerable to misunderstanding and marginalisation Psychological approaches need to be grounded in an understanding of historical theoretical and ethical influences as well as a body of knowledge from other disciplines The Eight Domains is a simple but holistic method for information gathering while The Three Stories is an integrative model of formulation for use in relation for those people whose needs do not fit neatly into any one theory Divided into three sections the book explores Understanding the context Understanding the person eight domains Making sense three stories This book provides an invaluable guide for trainee clinical psychologists and their supervisors and tutors working with adults with learning disability It will also be valuable for clinical psychologists working in mainstream settings who may now be receiving referrals for people with learning disability and want to update their skills

Global Perspectives on Disability Activism and Advocacy Karen Soldatic, Kelley Johnson, 2019-08-22 This book explores the diverse ways in which disability activism and advocacy are experienced and practised by people with disabilities and their allies Contributors to the book explore the very different strategies and campaigns they have used to have their demands for respect dignity and rights heard and acted upon by their communities by national governments and the international community The book with its contemporary global focus makes a significant contribution to the field of disability and social justice studies particularly at a time of major social political and cultural upheaval *Global Perspectives on Disability Activism and Advocacy* offers a significant intervention within the field of disability at a time of major social upheaval where actors advocates and activists are seeking to hold onto existing claims for rights equality and disability justice
