Work Art And Society Two:

Journal of the Royal Society of Arts Royal Society of Arts (Great Britain),1866 *Journal of the Royal Society of Arts*
Royal Society for the Encouragement of Arts, Manufactures and Commerce,1865 **Women, Art and Money in Late**
Victorian and Edwardian England Maria Quirk,2019-05-16 *Women Art and Money in England* establishes the importance
of women artists commercial dealings to their professional identities and reputations in the late nineteenth and early
twentieth centuries Grounded in economic social and art history the book draws on and synthesises data from a broad range
of documentary and archival sources to present a comprehensive history of women artists professional status and business
relationships within the complex and changing art market of late Victorian England By providing new insights into the
routines and incomes of women artists and the spaces where they created exhibited and sold their art this book challenges
established ideas about what women had to do to be considered professional artists More important than a Royal Academy
education or membership to exhibiting societies was a woman s ability to sell her work This meant that women had strong
incentive to paint in saleable popular and middlebrow genres which reinforced prejudices towards women s naturally inferior
artistic ability prejudices that continued far into the twentieth century From shining a light on the difficult to trace pecuniary
arrangements of little researched artists like Ethel Mortlock to offering new and direct comparisons between the incomes
earned by male and female artists and the genres commissions and exhibitions that earned women the most money *Women*
Art and Money is a timely contribution to the history of women s working lives that is relevant to a number of scholarly
disciplines **The Dictionary of British Women Artists** Sara Gray,2009-06-25 The most comprehensive volume of its
kind Gray s *Dictionary of British Women Artists* offers extensively researched biographies of some of the most significant

entry provides key biographical information as well as where possible commentary on the artist s studies lifestyle travels and
family Entries also detail significant works exhibitions and membership of societies Gray s introduction provides a useful
context to the biographies **Journal of the Society of Arts** Royal Society of Arts (Great Britain),1865 **Work** Ken
