Work Like A Spy:

Work Like a Spy J. C. Carleson, 2013-02-07 The book you are holding will fundamentally change the way you look at the collection compartmentalization analysis distribution application and protection of intelligence in your business J C Carleson's presentation of years of spy tradecraft will make you a more effective force within your organization James Childers CEO ASG Global Inc When J C Carleson left the corporate world to join the CIA she expected an adventure and she found it Her assignments included work in Iraq as part of a weapons of mass destruction search team travels throughout Afghanistan and clandestine encounters with foreign agents around the globe What she didn't expect was that the skills she acquired from the CIA would be directly applicable to the private sector It turns out that corporate America can learn a lot from spies not only how to respond to crises but also how to achieve operational excellence Carleson found that the CIA gave her an increased understanding of human nature new techniques for eliciting information and improved awareness of potential security problems adding up to a powerful edge in business Using real examples from her experiences Carleson explains how working like a spy can teach you the principles of Targeting figuring out who you need to know and how to get to them Elicitation a subtle way to get the answers you need without even asking a question Counterintelligence how to determine if your organization is unwittingly leaking information Screening CIA recruiters methods for finding and hiring the right people The methods developed by the CIA are all about getting what you want from other people In a business context these techniques apply to seeking a new job a promotion a big sale an advantageous regulatory ruling and countless other situations As Carleson writes In a world where information has a price it pays to be vigilant Her book will show you how

The Hunt for the Missing Spy Penny Warner, 2016-01-01 Cody Quinn Luke and M E are the Code Busters clever clue hunters with a passion for puzzles They can't wait for their school trip to Washington D C where they'll get to visit the International Spy Museum But it seems as if someone is spying on them or at least leaving coded messages that even the Code Busters can't crack And once they arrive at the museum they notice they're being followed by a mysterious stranger Then a classmate goes missing Could the unknown spy be responsible It's up to the Code Busters to find out Can you crack the code Test your brain with the Code Busters to see if you have the right stuff to be an ace detective Answers are in the back if you ever get stuck
