

## Workday - User Guide to Performance Management (CAP)

The following step-by-step guide is designed to walk employees and managers through the Performance Management process (CAP) in Workday. Part 1 refers to the Goal-setting process. Users needing assistance at any point in the process should contact their Human Resources Business Partner.

The image displays two screenshots of the Workday Performance Management (CAP) interface. The top screenshot shows the 'My Goals' dashboard for a user named Michael Kim. A callout box points to the 'My Goals' link in the navigation bar, stating: "HRIS pushes out Step 1 to managers, and it appears in inbox. Manager initiates goals, but may have had input from employee." The bottom screenshot shows the 'Get Content - Input Goals' screen. A callout box points to the 'Go to Guided Editor' button, stating: "Following instructions, enter form by selecting Go to Guided Editor." The interface includes various navigation links, a search bar, and a grid of icons for different performance management functions.
