Guide Sarah Swainsbury, 2022-04-11 The ultimate compilation of nutritional information training tips client success stories and workout programming that we have used on our clients over the past 7 years to achieve the amazing results that we have. When we train clients we work with them in the following three ways:

- 1 Physically we help them develop their strength, flexibility, coordination, and endurance. We help them increase their confidence in the gym and increase their fitness levels to a place they never thought was possible.
- 2 Nutritionally we expand our clients' knowledge of nutrition and healthy eating. We recognise that all bodies are unique and that everyone's metabolic makeup is different. There is no one size fits all approach. Our clients receive the best dietary support possible as they work towards their goals. Most importantly we show our clients how to develop a healthy relationship with food that is sustainable in the long term, no quick fixes over here.
- 3 Mentally, mindset is everything. We help our clients to focus their thoughts, heighten their self-awareness, and increase their self-confidence so that they realise anything is possible and that nothing can hold them back.
