his pupils used to say of him that although he was not always right by golly he was never wrong He is certainly never one to  
follow fashions blindly or to accept without thinking the views of those around him He is always prepared to listen carefully  
to the arguments of others He likes a good debate He is always asking questions Here he expounds the common sense ideas  
he has formed about humankind and the world of today and he attempts to explain why so many of the changes he has seen  
during his lifetime have not been for the better      **So You Think You Know Baseball?: A Fan's Guide to the Official**
