Fernández Arroyo, Alexandre Senegacnik, 2020-12-17 This book explores convergences of legal doctrine despite jurisdictional cultural and political barriers as well as divergences due to such barriers examining topics that are of vital importance to contemporary legal scholars Written by leading experts from all continents its 26 chapters present a comparative analysis of cutting edge legal issues of the 21st century While each of the countries covered stands alone as a sovereign state in a technologically advanced world their disparate systems nonetheless show comparable strategies in dealing with complex legal issues Several of the chapters show how in addition to state normative production and state adjudication a growing panoply of non state instruments and non state adjudication are becoming more and more central to the legal field This book is a key addition to the library of any scholar wanting to keep abreast of the major trends in contemporary law Representing the current state of law in a vast range of areas it covers each topic from a comparative perspective Cet ouvrage en examinant des sujets d'une importance vitale pour les juristes contemporains traite des convergences de la doctrine juridique malgré les barrières juridictionnelles culturelles et politiques ainsi que des divergences dues à ces barrières critiquées par des universitaires de tous les continents ses 26 chapitres présentent une analyse comparative de sujets juridiques majeurs du 21^e siècle Dans un monde technologiquement avancé bien que chaque pays analysé dans cet ouvrage demeure autonome en tant qu'état souverain l'ensemble des systèmes disparates présente néanmoins des stratégies comparables pour traiter des questions juridiques complexes En outre plusieurs chapitres montrent comment en plus de la production normative et de la résolution des différends juridiques la panoplie croissante de différents types d'instruments juridiques et de résolution non juridique des différends devient de plus en plus centrale dans la sphère juridique Cet ouvrage est un ajout essentiel à la bibliothèque de tout universitaire souhaitant se tenir au courant des principales tendances du droit contemporain Il couvre un vaste domaine de sujets traités d'un point de vue comparatif et représente l'état actuel du droit dans chaque domaine

Democracy and Education in Namibia and Beyond M. Amukugo, 2017-07-19 The Namibian constitution makes full provision for education as a fundamental human right and freedom Three years into independence as part of the government's educational policy the Education for All Policy was launched as a stepping stone to free quality education However inequities have become widely pronounced within the Namibian educational system Democracy and Education in Namibia and beyond debates the education-democracy nexus in Namibia and the southern African context It defines and explores the meaning of democracy and related concepts It also looks at what democracy means in the context of human rights and access to education The ten chapters in this collection interrogate the strengths and limitations of education as an instrument of social change and question whether or not the Namibian educational objectives and practices do develop and help to sustain a democratic

culture in Namibia The authors in the collection have drawn material from their own teaching and research experience across the fields of education and social science in Namibia and beyond and present their findings in a pedagogical framework suitable as a challenging text for tertiary students At a time when education is in crisis especially in South Africa where strident calls for free tertiary education and Africanisation of the curriculum are spreading like wildfire this book gives scholarly insight into the history and social conditions that gave rise to our current predicament *Assault on Mexican American Collective Memory, 2010-2015* Rodolfo F. Acuña, 2017-05-30 This book uses a micro narrative structure to explore the assault on the collective memory of Mexican Americans in the Southwest United States from 2010-2016 These communities survival depends on their histories and identities which are being quickly erased by gentrification and dispersal neoliberalism and privatization This issue is most apparent in the education system where Mexican American students receive inferior educations and lack access to higher education Avoiding the overly theoretical macro narrative this book uses case studies and micro narratives to suggest possible changes and actions to address this issue It also explores how the erasure of Mexican Americans history and identity mirrors society as a whole Bilingual Study and Research Nicolás Etcheverry Estrázulas, 2021-12-15 This book addresses the importance of bilingualism in legal education Written by respected experts in the field it presents reports on bilingual legal education in countries with such diverse cultures and histories as Belgium Canada China the Czech Republic Finland France Germany Italy Japan Mexico Romania Singapore Taiwan and the USA The findings are also summarized in a General Report that was presented at the 20th IACL General Congress in Fukuoka Japan **Handbook of Quality of Life in African Societies** Irma Eloff, 2019-08-09 This handbook reflects on quality of life in societies on the continent of Africa It provides a widely interdisciplinary text with insights on quality of life from a variety of scientific perspectives The handbook is structured into sections covering themes of social context culture and community the environment and technology health education and family It is aimed at scholars who are working towards sustainable development at the intersections of multiple scientific fields and it provides measures of both objective and subjective quality of life The scholarly contributions in the text are based on original research and it spans fields of research such as cultures of positivity wellbeing literacy and multilingualism digital and mobile technologies economic growth food and nutrition health promotion community development teacher education and family life Some chapters take a broad approach and report on research findings involving thousands and in one case millions of participants Other chapters zoom in and illustrate the importance of specificity in quality of life studies Collectively the handbook illuminates the particularity of quality of life in Africa the unique contextual challenges and the resourcefulness with which challenges are being mediated This handbook provides empirically grounded conceptualizations about life in Africa that also encapsulate the dynamic ingenious ways in which we as Africans enhance our quality of life Encyclopedia of Teacher Education Michael A. The Oxford Handbook of Comparative Foreign Relations Law Curtis A. Bradley, 2019-06-07 This Oxford Handbook ambitiously seeks to lay the groundwork for the relatively new field of comparative foreign relations law Comparative foreign relations law compares and contrasts how nations and also supranational entities for example the European Union structure their decisions about matters such as entering into and exiting from international agreements engaging with international institutions and using military force as well as how they incorporate treaties and customary international law into their domestic legal systems The legal materials that make up a nation's foreign relations law can include constitutional law statutory law administrative law and judicial precedent among other areas This book consists of 46 chapters written by leading authors from around the world Some of the chapters are empirically focused others are theoretical and still others contain in depth case studies In addition to being an invaluable resource for scholars working in this area the book should be of interest to a wide range of lawyers judges and law students Foreign relations law issues are addressed regularly by lawyers working in foreign ministries and globalization has meant that domestic judges too are increasingly confronted by them In addition private lawyers who work on matters that extend beyond their home countries often are required to navigate issues of foreign relations law An increasing number of law school courses in comparative foreign relations law are also now being developed making this volume an important resource for students as well Comparative foreign relations law is a newly emerging field of study and teaching and this volume is likely to become a key reference work as the field continues to develop

Electronic Legal Deposit Paul Gooding, Melissa Terras, 2020-10-02 Legal deposit libraries the national and academic institutions who systematically preserve our written cultural record have recently been mandated with expanding their collection practices to include digitised and born digital

materials The regulations that govern electronic legal deposit often also prescribe how these materials can be accessed Although a growing international activity there has been little consideration of the impact of e legal deposit on the 21st Century library or on its present or future users This edited collection is a timely opportunity to bring together international authorities who are placed to explore the social institutional and user impacts of e legal deposit It uniquely provides a thorough overview of this worldwide issue at an important juncture in the history of library collections in our changing information landscape drawing on evidence gathered from real world case studies produced in collaboration with leading libraries researchers and practitioners Biblioteca Nacional de Me xico Bodleian Libraries British Library National Archives of Zimbabwe National Library of Scotland National Library of Sweden Chapters consider the viewpoint of a variety of stakeholders including library users researchers and publishers and provide overviews of the complex digital preservation and access issues that surround e legal deposit materials such as web archives and interactive media The book will be essential reading for practitioners and researchers in national and research libraries those developing digital library infrastructures and potential users of these collections but also those interested in the long term implications of how our digital collections are conceived regulated and used Electronic legal deposit is shaping our digital library collections but also their future use and this volume provides a rigorous account of its implementation and impact

Spatial Governance and Planning in Latin America Juan E. Cabrera, Francesca Blanc, Giancarlo Cotella, 2025-10-31 This book is the first to provide an in depth discussion of spatial governance and planning systems SGPSs in Latin America with analysis and comparison across 10 different countries Argentina Bolivia Brazil Chile Colombia Cuba Ecuador Mexico Peru and Uruguay The primary function of SPGSs is to empower the public sector to exert control over spatial development Originally understood mainly through a legal paradigm it is now acknowledged that a range of informal institutions also play a role responding to societal and community needs that the state or market is unable to address This collection teases out these contrasting influences highlighting the role of indigenous culture in certain contexts and the increase of participatory processes in others The book features not only individual country case studies but also chapters discussing the broader themes as well as how the Latin American context compares to the European one A timely contribution to this evolving topic the book will appeal to students and scholars in the fields of planning urban and regional studies public policy and human geography

Lawyers in 21st-Century Societies Richard L Abel, Ole Hammerslev, Hilary Sommerlad, Ulrike Schultz, 2020-04-02 The world s legal professions have undergone dramatic changes in the 30 years since publication of the landmark three volume Lawyers in Society which launched comparative sociological studies of lawyers This is the first of two volumes in which scholars from a wide range of disciplines countries and cultures document and analyse those changes The present volume presents reports on 46 countries with broad coverage of North America Western Europe Latin America Asia Australia North Africa and the Middle East sub Saharan Africa and former communist countries These national reports address the impact of globalisation

and neoliberalism on national legal professions the relationship of lawyers and their professional associations to the state and tensions between state and citizenship changes in lawyer demography rapidly growing numbers and the profession's efforts to retain control the entry of women and obstacles to full gender equality ethnic diversity legal education the proliferation of institutions and pedagogic innovation the regulation of lawyers structures of production especially the growth of large firms and the impact of technology and paraprofessionals the distribution of lawyers across roles and access to justice state funded legal aid and pro bono services The juxtaposition of the reports reveals the dramatic transformations of professional rationales labour markets and working practices and the multiple contingencies of the role of lawyers in societies experiencing increasing juridification within a new geopolitical order
