## **Under The Rising Sun War Captivity And Survival 1941 1945:**

**The Philippines in World War II, 1941-1945** Walter F. Bell, 1999-12-30 Because of their strategic location the Philippines exercised a profound influence in the thinking of both Japanese and American strategists before and during World War II A number of controversies surrounding the preparations for war the initial defense of the islands the Japanese occupation the conduct of guerrilla operations and the 1944 1945 American campaign to retake the islands still draw the interest of students and scholars This work provides a finding aid for individuals seeking to deal with these issues A bibliographic overview of available periodical and book literature in English this book is multidimensional encompassing all aspects military political economic and social of the Pacific War as it relates to developments in the archipelago The book is an essential source for those looking for insights into the war's impact on Philippine society and also into military operations in and around the islands With a chronological summary of wartime events in the islands as well as the bibliography the work constitutes a major contribution to the furtherance of historical inquiry on World War II in the Philippines

**Under the Rising Sun** Edward W. Weiss, 1995 Scattered Under the Rising Sun Stewart Mitchell, 2013-01-19 The harrowing true story of the Scottish battalion that spent over three years in Japanese captivity during World War II Posted to Singapore in 1937 with their families the members of the 2nd Battalion Gordon Highlanders found themselves fighting bravely when the Japanese invaded Malaya in December 1941 But by mid February came the surrender of Singapore and those who were not killed became POWs After initial incarceration in Singapore the Gordons were dispersed to work on the famous Thai Burma railway in the mines of Taiwan and Japan and on other slave labor projects The conditions they existed under defy modern comprehension Others died trapped in hell ships torpedoed by allied submarines Of the thousand men involved initially over four hundred had died before liberation in summer 1945 Despite their diverse backgrounds all the men had been bound by close regimental spirit and all suffered hard labor starvation brutality and tropical diseases Rank was no protection from death The author of this history has researched the plight of these extraordinary men so many of whom never saw their native Scotland again Despite the grim conditions he captures the strong collective regimental spirit and the humor and cooperation that saved so many who would otherwise have perished This is an inspiring tale of courage and survival against appalling odds

**Historical Dictionary of World War II** Anne Sharp Wells, 2023-12-15 World War II was the largest and most costly conflict in history the first true global war Fought on land on sea and in the air it involved numerous countries and killed maimed or displaced millions of people both civilian and military around the world In spite of the alliances that bound many of the same participants the war was essentially two separate but simultaneous conflicts one involved Japan as the major antagonist and took place mostly in Asia and the Pacific and the other initiated by Germany and Italy was contested mainly in Europe North Africa the Mediterranean and the Atlantic This book focuses on the lesser known war the war with Japan It begins with Japan's seizure of Manchuria from China in 1931 and covers Japan's ambitious attacks on Pearl Harbor

and other territories ten years later the use of atomic bombs on Japan's cities and the end of the Allied occupation of Japan in 1952. Although Japan renounced war in its 1947 constitution, conflict continued across Asia as former colonies fought for independence and civil war engulfed other areas. *Historical Dictionary of World War II: The War Against Japan*, Second Edition, contains a chronology, an introduction, and an extensive bibliography. The dictionary section has more than 500 cross-referenced entries on the military, diplomatic, political, social, economic, and scientific aspects of the war, in addition to the lives of the people who participated in and directed the war. This book is an excellent resource for students, researchers, and anyone wanting to know more about the war against Japan during World War II. **Ambon** Roger Maynard, 2014-07-29

**Survival: heroism, courage, and mateship in Ambon, a place of nightmares** In February 1942, Ambon, an Indonesian island north of Darwin, fell to the Japanese army, and the Allied forces defending it were captured. Over a thousand of these soldiers were Australian. By the end of the war, just one third of them had survived, and Ambon became a place of nightmares, one of the most notorious of all POW camps the war had seen. Many of the men captured were massacred, and of those who initially survived, many later succumbed to the sadistic brutality of the Japanese guards. Starvation also took a fearful toll, and then there were the medical experiments. It was a place almost without hope for those who held on, made worse by the fact that the savagery inflicted on them wasn't limited to their captors but also came from their own. One soldier described their hopelessness towards the end with the bleak words: "The men knew they were dying." Yet, astoundingly, there were survivors, and in Ambon, they speak of not just the horrors but the bravery, endurance, and mateship that got them through an ordeal almost impossible to imagine. The story of Ambon is one of both the depravity and the triumph of the human spirit; it is also one that's not been widely told. Until now. **World War II Resources on the Internet** Roland H. Worth, 2002. This book is

a guide to the enormous number of World War II resources available on the Internet. Section One contains addresses of websites with information pertaining to pre-war international diplomacy and crises in Europe and Asia, and United States and Allied wartime diplomacy in Europe and Asia. Section Two lists websites containing information about the world at war, particularly those providing overviews of the war or specifically covering the fighting in Europe, the Mediterranean, the Pacific Islands, or mainland Asia. Sites listed in Section Three contain information about selected major civilian and military leaders of the war years, including Charles de Gaulle, Adolf Hitler, Chiang Kai-shek, General Douglas MacArthur, Benito Mussolini, General George S. Patton Jr., Franklin D. Roosevelt, Joseph Stalin, Tojo Hideki, and Harry S. Truman, to name a few. For each site listed, a brief description and summary of its information is provided. [Recently Acquired by the National Diet Library](#) Kokuritsu Kokkai Toshokan (Japan), 1998 **Captivity, Flight, and Survival in World War II** Alan Levine, 2000-08-30. A collection of prisoner of war and concentration camp survivor stories from some of the toughest World War II camps in Europe and the Pacific; this book details the daring escapes and highlights the fundamental aspects of human nature that made such heroic efforts possible. Levine takes a comprehensive approach

including evasion efforts by those fleeing before the enemy who never reached formal prisoner of war camps as well as escapes from ghettos and labor camps Levine pays particular attention to dramatic escapes by small boat Many are not widely known although some were made over vast distances or in fantastically difficult conditions from enemy occupied areas Accounts include attempts at freedom from both German and Japanese prisoner of war camps stories that reveal much about the conditions prisoners endured Some of these escapes are far more amazing than the famed Great Escape from Stalag Luft III German and Austrian prisoners also recount their amazing flights from India to Tibet and Burma This study challenges some ideas about behavior in extreme situations and casts interesting light on human nature

*Prisoners of War* Arnold Krammer, 2007-11-30 America's current War on Terror is causing a readjustment of centuries of POW policies Prisoners of war are once again in the news as America and Western Europe grapple with a new faceless enemy and the rules of war and the torture of POWs are open to reconsideration Until very recently there has been astonishingly little written on the subject of prisoners of war Yet to understand the present it is critical to look back over history To that end Arnold Krammer examines the fate of war prisoners from Biblical and Medieval times through the halting evolution of international law to the current reshuffling of the rules The issue of prisoners of war is of more immediate concern now than ever before and an examination of the history of their treatment and current status may well influence foreign policy The fate of war prisoners through history has been cruel and haphazard The lives of captives hung by a thread Execution enslavement torture or being held for ransom were equally likely International agreements developed haltingly through the 19th and 20th centuries to culminate in the Geneva Accords of 1929 America's current War on Terror is causing a readjustment of centuries of POW policies Prisoners of war are once again in the news as America and Western Europe grapple with a new faceless enemy and the rules of war and the torture of POWs are open to reconsideration Until very recently there has been astonishingly little written on the subject of prisoners of war Yet to understand the present it is critical to look back over history To that end Arnold Krammer examines the fate of war prisoners from Biblical and Medieval times through the halting evolution of international law to the current reshuffling of the rules Since biblical times war captives have been considered property and counted as booty to be enslaved or killed Americans were interested in generals and weapons and battles but not the fate of prisoners of war The Second World War when 90 000 Americans fell into enemy hands began to change that Concern for our POWs in Germany and Japan and close contact with enemy camps in America began to change our attitudes However it was the Vietnam War media driven and polarizing that caused the American public to truly reevaluate the plight of its sons and brothers heroic and clearly loyal as they fell into the hands of an inscrutable and apparently unyielding distant enemy More recently during the first Gulf War of 1991 and the current War on Terrorism the issue of prisoners of war has moved to center stage involving the clash of ideologies politics and expediency Since 9 11 the rights and safety of prisoners of war caught up in the War on Terror have been debated in Congress and adjudicated on by former Attorney General Alberto

Gonzales whose conclusions were protested by numerous organizations The issue of prisoners of war is of more immediate concern now than ever before and an examination of the history of their treatment and current status may well influence foreign policy      *Bibliographic Guide to East Asian Studies* New York Public Library Staff,1996-07 An aid for reseaching non western cultures the Bibliographic Guide to East Asian Studies covers Japan China North and South Korea Honk Kong and Taiwan with approximately 3 500 listings from LC MARC tapes and the Oriental Division of The New York Public Library It includes publications about East Asia materials published in any of the relevant countries and publications in the Chinese Japanese and Korean languages Listings are transcribed into Anglicised characters Each entry provides complete bibliographic information along with the NYPL and or LC call numbers      *Angels of the Underground* Theresa Kaminski,2015-11-13 When the Japanese began their brutal occupation of the Philippines in January 1942 76 000 ill and starving Filipino and American troops tried to hold out on Bataan and Corregidor That spring after having been forced to surrender most of those men were thrown into Japanese POW camps while dozens of others slipped away to organize guerrilla forces During the three violent years of occupation that followed Allied sympathizers in Manila smuggled supplies and information to the guerrillas and the prisoners Theresa Kaminski s *Angels of the Underground* tells the story of four American women who were part of this little known resistance movement Gladys Savary Claire Phillips Yay Panlilio and Peggy Utinsky all incredibly adept at skirting occupation authorities to support the Allied war effort The nature of their clandestine work meant that the truth behind their dangerous activities had to be obscured as long as the Japanese occupied the Philippines If caught they would be imprisoned tortured and executed Throughout the Pacific War these four women remained hidden behind a veil of deceit and subterfuge An impressive work of scholarship grounded in archival research FBI documents and memoirs *Angels of the Underground* illuminates the complex political dimensions of the occupied Philippines and its importance to the war effort in the Pacific Kaminski s narrative sheds light on the Japanese occupied city of Manila the Bataan Death March and subsequent incarceration of American military prisoners in camps O Donnell and Cabanatuan and the formation of guerrilla units in the mountains of Luzon *Angels of the Underground* offers the compelling tale of four ordinary American women propelled by extraordinary circumstances into acts of heroism and makes a significant contribution to the work on women s wartime experiences Through the lives of Gladys Yay Claire and Peggy who never wavered in their belief that it was their duty as patriotic American women to aid the Allied cause Kaminski highlights how women have always been active participants in war whether or not they wear a military uniform      **Invading Australia** Peter Stanley,2008-06-03 1942 was a key year in Australia s history As its people had so long feared White Australia an outpost of empire seemed about to be invaded by the Japanese In that one year Darwin was bombed submarines torpedoed ships in Sydney Harbour and Australian Militiamen died on the Kokoda Trail Each year more and more Australians celebrate Anzac Day and honour the lives of those who fought for their country There is even a push to create a new public holiday in

remembrance and celebration of the Battle for Australia But was there ever really such a battle and how close did Australia actually come to being invaded Invading Australia provides a comprehensive thorough and well argued examination of these and other pertinent questions Peter Stanley writes compellingly about Australian attitudes to Japan before during and after World War II and uses archival sources to discuss Japan s war plans early in 1942 He also shows that rather than a Battle for Australia there was a worldwide fight for freedom and democracy that has allowed the West to enjoy great prosperity in the decades since 1945

**Alaska at War, 1941-1945** Fern Chandonnet,2007-09-15 Over the course of the past two hundred years only one United States territory has experienced foreign occupation Alaska Available for the first time in paperback Alaska at War brings readers face to face with the North Pacific front in World War II Wide ranging essays cover the war as seen by Alaskan eyes including the Japanese invasion of the Attu and Kiska islands the effects of the war on Aleutian Islanders and the American campaign to recover occupied territory Whether you re a historian or a novice student interested in this pivotal period of American history Alaska at War provides fascinating insight into the background history and cultural impact of war on the Alaskan homefront

*Inside the Bataan Death March* Kevin C. Murphy,2014-09-24 For two weeks during the spring of 1942 the Bataan Death March one of the most widely condemned atrocities of World War II unfolded The prevailing interpretation of this event is simple American prisoners of war suffered cruel treatment at the hands of their Japanese captors while Filipinos sympathetic to the Americans looked on Most survivors of the march wrote about their experiences decades after the war and a number of factors distorted their accounts The crucial aspect of memory is central to this study how it is constructed by whom and for what purpose This book questions the prevailing interpretation reconsiders the actions of all three groups in their cultural contexts and suggests a far greater complexity Among the conclusions is that violence on the march was largely the result of a clash of cultures undisciplined individualistic Americans encountered Japanese who valued order and form while Filipinos were active even ambitious participants in the drama

*Reassessing the Japanese Prisoner of War Experience* R P W Havers,R. P. W. Havers,2003-03-27 This book explores the history of the Changi Prisoner of War camp at Singapore between the surrender in 1942 and the eventual liberation by British forces in September 1945 It discusses the forms of POW resistance to the Japanese

*Japan to the Rescue* Humphrey McQueen,1991 Examines Australia s relationship with Japan and the need to reconsider our historical attitudes with both Japan and the USA in the context of regional stability and defence Includes a detailed bibliography The author is a freelance historian widely known for his writings and radio commentaries

*Visions of War* M. Paul Holsinger,Mary Anne Schofield,1992 For Americans World War II was a good war a war that was worth fighting Even as the conflict was underway a myriad of both fictional and nonfictional books began to appear examining one or another of the raging battles These essays examine some of the best literature and popular culture of World War II Many of the studies focus on women several are about children and all concern themselves with the ways that the war changed lives While many of the contributors

concern themselves with the United States there are essays about Great Britain Canada France Germany Poland Russia and Japan *Horizon Beyond* Julius Tahija,1995 *Victory in Defeat* Gregory Urwin,2011-01-15 Told here for the first time in vivid detail is the story of the defenders of Wake Island following their surrender to the Japanese on December 23 1941 The highly regarded military historian Gregory Urwin spent decades researching what happened and now offers a revealing look at the U S Marines sailors soldiers and civilian contractors in captivity In addition to exhaustive archival research he interviewed dozens of POWs and even some of their Japanese captors He also had access to diaries secretly kept by the prisoners This information has allowed Urwin to provide a nuanced look at the Japanese guards and how the Americans survived three and a half years in captivity and emerged with a much lower death rate than most other Allied personnel captured in the Pacific In part Urwin says the answer lies in the Wake Islanders establishment of life saving communities that kept their dignity intact Their mutual help networks encouraged those who faltered under physical and psychological torture including what is today called water boarding The book notes that the Japanese camp official responsible for that war crime was sentenced to life imprisonment by an American military tribunal Most Wake Islanders spent the war at two camps just outside Shanghai one of the few places where Japanese authorities permitted the Red Cross to aid prisoners of war The author also calls attention to the generosity of civilians in Shanghai including Swiss diplomats and the American and British residents of the fabled International Settlement who provided food and clothing to the prisoners In addition some guards proved to be less vicious than those stationed at other POW camps and occasionally went out of their way to aid inmates As the first historical work to fully explore the captivity of Wake Island s defenders the book offers information not found in other World War II histories **Imprisoning the Enemy** Nikolaos Theotokis,2024-11-30 Offers a vivid examination of Axis prisoners of war during World War II detailing their experiences circumstances and the complexities of their captivity in various theatres from 1940 to 1945 Prisoners of war POWs are an important part in the history of the Second World War Nikolaos Theotokis in this vividly written book examines the subject taking a closer look at the hundreds of thousands of Axis military personnel including women mostly German who were held in POW camps POW cages prisons or forced labor camps after being captured by or surrendering to Allied forces between 1940 and 1945 in the North African European and Pacific theaters of operations Hundreds of cases of officers of the Wehrmacht and the SS as well as of the Royal Italian and the Imperial Japanese Armies have been grouped by the author in two main categories those who were taken prisoner by Allied forces and those who surrendered to them This is not a book about military might but about people many of whom were proven innocent victims of circumstance Officers who committed suicide to avoid capture and others who were charged and punished as war criminals are separately presented along with a great number of foreign volunteers who were captured by or surrendered to Allied forces during the war after joining units of the German or the Japanese Armies Members of the military and secretarial staff of Adolf Hitler who were imprisoned after the German capitulation are also highlighted in the

book along with cases of high ranking officers in co belligerent Romania who were harshly punished by their country s post war communist authorities for being anti communists and for having fought against the Red Army Another category also examined by the author are the German prisoners who were handed over to Joseph Stalin by the western Allies in May 1945 as a gesture of friendship although the Soviet Union had not signed the Geneva Convention This book is a concise authoritative account of the Axis POWs being also an unrivaled source of information on the subject

Delve into the emotional tapestry woven by Emotional Journey with in Dive into the Emotion of **Under The Rising Sun War Captivity And Survival 1941 1945** . ### **Under The Rising Sun War Captivity And Survival 1941 1945 Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Under The Rising Sun War Captivity And Survival 1941 1945 has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Under The Rising Sun War Captivity And Survival 1941 1945 has opened up a world of possibilities. Downloading Under The Rising Sun War Captivity And Survival 1941 1945 provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Under The Rising Sun War Captivity And Survival 1941 1945 has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Under The Rising Sun War Captivity And Survival 1941 1945. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Under The Rising Sun War Captivity And Survival 1941 1945. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Under The Rising Sun War Captivity And Survival 1941 1945, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Under The Rising Sun War Captivity And Survival 1941 1945 has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is

crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### **FAQs About Under The Rising Sun War Captivity And Survival 1941 1945 Books**

1. Where can I buy Under The Rising Sun War Captivity And Survival 1941 1945 books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Under The Rising Sun War Captivity And Survival 1941 1945 book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Under The Rising Sun War Captivity And Survival 1941 1945 books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Under The Rising Sun War Captivity And Survival 1941 1945 audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.

9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Under The Rising Sun War Captivity And Survival 1941 1945 books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
