Under Fig Tree Visual Prayers:

Under the Fig Tree Roger Hutchison, 2015-12-10 In John 1 48 Nathanael says to Jesus How do you know me Jesus replies with a twinkle in his eye I saw you while you were still under the fig tree Lent is a time to slow down and journey with Jesus through his life death and resurrection Under the Fig Tree is a book of 46 drawings photographs and paintings inspired by Lenten themes readings and stories for each day of Lent and Holy Week The images like snapshots are colorful inspired and rife with emotion The reader receives an opportunity to reflect slow down and walk with Jesus as a friend and disciple to sit with Jesus under the fig tree and talk listen and glimpse the face and heart of authentic love *Under the Fig Tree* William Breault, 1980 *The Art of Calm* Roger Hutchison, 2023-04-18 A revelatory pragmatic and beautifully rendered companion for the millions suffering from mental health issues An invaluable resource for anyone struggling with anxiety fear or depression The Art of Calm is a lifesaving and inspiring guidebook that empowers us to break free from the emotional bondage of mental illness Bursting with deep personal insight and uplifting practical guidance this remarkable and therapeutic journey begins by charting the author's own devastating psychological descent which included panic attacks so severe they landed him in the emergency room When the medical system proved unable to provide sustained help however a floundering Roger Hutchison turned to his faith for guidance The healing path God led him on was nothing short of miraculous offering not only authentic spiritual renewal but also a profound sense of belonging in a world where he once only felt like a stranger Weaving these personal stories with thoughtful questions journaling prompts and a wide range of inspirational practices Hutchison creates a self help tapestry of compassion vulnerability and action At the end of each chapter a colorful variety of reflections and creative exercises from photography music and meditation to cooking hiking and art encourage readers to get up and discover a more centered and peaceful life The result is an essential tool for finding tranquility in the midst of both inner and outer turmoil **Relics, Prayer, and Politics in Medieval Venetia** Thomas E. A. Dale, 1997 Against a historical backdrop of relic theft and propaganda campaigns waged by two cities vying for patriarchal authority in medieval Venetia Thomas Dale shows how Romanesque mural painting shaped sacred space and institutional identity His focus is on the late twelfth century murals in the crypt of Aquileia Cathedral The crypt which contains the relics of Aquileia's founding bishop Saint Hermagoras has a historical significance rooted in a legend identifying the saint as a direct disciple of Saint Mark the Evangelist On this basis the Carolingians promoted the city's status as patriarchal see of Venetia a claim that prompted Venice to steal Mark's relics from Alexandria Egypt and appropriate Aquileia's history This book the first English language study of the crypt explores how the paintings complement the relics of Hermagoras in their distinct devotional and political roles Hermagoras's intercessory power is activated by his orant image displayed over the central aisle within a larger hierarchy of apostles martyrs and bishops The surrounding hagiographic cycle justifies in legalistic fashion Aquileia's patriarchal title and the consecration of the city as locus sanctus of Venetia by the blood of its

martyrs The iconic images in the eastern lunettes present the Virgin's compassio as a pictorial model for the vicarious experience of Christ's Passion Finally a fictive curtain over the socle presents allegories of spiritual warfare in the form of exempla from crusades pilgrimage and the epic poem Psychomachia which Dale analyzes as a gloss on the main program

Does Prayer Matter? A Discussion On Prayer Eleanor DeRycke, 2017-02-02 Does Prayer Matter A Discussion on Prayer is a book of questions Asking questions usually receives answers and that is what this book attempts to do by offering answers to such questions as Does God have time for me What actually happens to my prayers Do they just fade away What about all the sinning I have done How does sin effect my prayer life How can we possible pray without ceasing How can I use prayer as a first aid kit Can I somehow learn to pray as King David did in defeating his enemies And how do I carry out God's work on earth in prayer This book then shares our heritage in prayer as exemplified by the lives of the mighty prayer warriors of the past warriors such as the Reformation fighters Luther Calvin Zwingli Bucer and Melanchthon in most recent years E M Bounds James Gilmour A Wetherell Johnson and Heidi Baker and finally Jesus Christ himself I truly hope you come out of the other side of this book the prayer warrior you hope to become May God bless you prayer warrior

Religion and Art in the Heart of Modern Manhattan Aaron Rosen, 2017-07-28 When you re in New York the sculptor Louise Nevelson once said you re in perpetual resurrection She might have said the same thing about St Peter s Lutheran Church set in the heart of midtown Manhattan In the 1970s the church made a radical move scrapping its neo gothic building for a sleek modern structure in the shadow of a skyscraper The transformation was not just architectural Inside Nevelson created a shimmering chapel while over the years artists and designers such as Willem de Kooning Kiki Smith and Massimo and Lella Vignelli produced works for the sanctuary This fusion of modern art architecture and design was complemented by an innovative jazz ministry including funerals for Billy Strayhorn and John Coltrane and performances by Duke Ellington and other jazz legends For the first time this volume examines the astounding cultural output of this single church Just as importantly the story of St Peter s serves as a springboard for wider reflections on the challenges and possibilities which arise when religion and art intersect in the modern city Working from a wide range of disciplines including art history theology musicology and cultural studies a distinguished group of scholars demonstrate that this church at the center of New York City deserves an equally central place in contemporary scholarship
