

Guidelines for the completion and submission of the Undergraduate Legacy Application are specified below. Although an undergraduate chapter does not vote upon an applicant for membership under the legacy provision, all requirements for membership must be met.

1. A family member soror may obtain an Undergraduate Legacy Application from the Basileus of the chapter of where she is a member or from the Graduate Advisor of the undergraduate chapter in where her daughter, adopted daughter, step-daughter, granddaughter, or legal ward² desires membership. *(For Alpha Kappa Alpha Sorority, Incorporated, a legal ward is defined as one whose permanent care, control and custody legally have been placed with a soror by an appropriate court of law. Candidate must provide court documentation that reflects she is a legal ward.)*

Article IV, Section 14 Constitution and Bylaws states, "The living family-member soror must have been active for at least two (2) years immediately preceding the membership application for the undergraduate legacy candidate." Two years equal twenty-four (24) consecutive months.

2. The top portion of the Undergraduate Legacy Application should be completed by the applicant. The remaining portion of the Undergraduate Legacy Application should be completed by the family member soror.
3. Upon completion of the Undergraduate Legacy Application, the family member soror should sign it. If she is a member of a chapter she must obtain the signature of her chapter Basileus. *Falsification of any information on the Undergraduate Legacy Application provided by the family member soror makes her subject to a penalty, which may include expulsion. Further, if it is determined by the Corporate Office that any information provided on the Undergraduate Legacy Application is false, the applicant will not be approved for membership.*

Per Article IV, Section 39 of the Constitution and Bylaws, "Any soror determined to have been ineligible for membership following her initiation in Alpha Kappa Alpha Sorority, Incorporated, because of the revelation or submission of fraudulent information or documents, shall on the recommendation of the Regional Director, and by majority vote of the Directorate, have her membership revoked until the next Boule at which time a vote on expulsion will be taken."

4. The family member soror should give the completed and signed Undergraduate Legacy Application to her daughter, adopted daughter, step-daughter, granddaughter, or legal ward prior to the Rush program.
5. The applicant shall take her official transcript, the completed Undergraduate Legacy Application, Undergraduate Membership Interest Application, two letters of reference, at least one Evidence of Community/Campus Involvement Form, an official letter from the college/university registrar for verification of full-time status, and the Letter of Interest to the Formal Rush.
6. The credentials of the legacy applicant are included with the packet of membership credentials of other prospective candidates.
7. It shall be the responsibility of the Corporate Office staff to verify the information on the Undergraduate Legacy Application. If any information on the application cannot be verified, the Corporate Office staff may request that the family-member soror provide additional documentation within a specified time.

Calendars, Undergraduate, 1975 **Decoding Undergraduate College Admission** Isabela E Valdes, 2023-12-21 Do you feel overwhelmed with the college admissions process Let me share some tips and tricks I learned throughout my journey During my college admissions journey I encountered many difficulties and obstacles based mainly on the lack of resources and information available for first generation Latinx students in the United States While attending college I was lucky enough to have worked in a career center that helped guide my search and I had parents who had gone through the college process before yet many of my friends were not so lucky and struggled to navigate the complex process that is the college admissions cycle Moreover many also had no support due to the language barrier because their parents did not speak English The goal and mission of this book are to help guide students like you and me through a process that can feel exclusionary whether due to a language barrier or cultural differences while also helping your parents have a basic understanding of the undergraduate admissions process But in truth my hope is for this book to be able to help guide anybody and everybody through a process that may be overwhelming or inaccessible Even though some parents might not be able to play an active role in their child's admissions process by reading this book they can understand the complexity of the process and help their child as much as they can journey through the college admissions landscape **Undergraduate Manual** Scranton University, Scranton, Pa,
