Understanding Chinese Society Changes And Transformations Series On Contemporary China:

Understanding Chinese Society: Changes And Transformations Eileen Yuk-ha Tsang, 2015-12-08 Before 1978 China was backward economically politically diplomatically and was extremely isolated The country had a few diplomatic allies like North Korea Russia and Vietnam However in the past three decades the country has witnessed robust changes that have aroused the interest of the westerners in knowing more about the country This book provides first hand information on China's social changes and economic transformation It enables readers to understand the Chinese Society vividly dynamically and practically It examines various facets of the Chinese society ranging from famous landmarks popular customs festivals food daily chores etc The book also offers tips for those who are willing to live work and run a business in China Chinese Society - Change and Transformation Li Peilin, 2012-07-26 There is growing interest in social transformation in contemporary China with much work published on the subject This book is different from other books in that it presents an overview of the work of Chinese sociologists on how Chinese society is changing It reports on a great deal of original research by leading outstanding Chinese scholars including extensive fieldwork and large scale social change survey data and covers comprehensively the full range of aspects of the subject It assesses developments since the beginning of reform in China and provides overall a comprehensive understanding of China's social development and of the likely impact of future social changes on China **Social Transformation and Chinese Experience** Peilin Li, 2017-03-16 China's success on economic growth and its exploration on political reform in the past few decades have attracted the attention from worldwide economic and political experts This book studies China's transformation and experience from a sociological perspective which broadens the research horizons and explores more complexity in contemporary China This book examines China's social structural transformation especially its implications on resource allocation and expounds on China's sociology academic history In addition it covers a broad range of issues including China's experience of reform and development urbanization social hierarchy change social conflicts social management mass consumption etc Lastly it investigates China's urban village as a byproduct of economic development and urbanization which is rarely seen in other countries These themes are key to understanding contemporary Chinese society which makes this book a valuable reference for specialists on Chinese studies and those who are interested in contemporary China Chinese Society - Change and Transformation Li Peilin, 2012-07-26 There is growing interest in social transformation in contemporary China with much work published on the subject This book is different from other books in that it presents an overview of the work of Chinese sociologists on how Chinese society is changing It reports on a great deal of original research by leading outstanding Chinese scholars including extensive fieldwork and large scale social change survey data and covers comprehensively the full range of aspects of the subject It assesses developments since the beginning of reform in China and provides overall a comprehensive understanding of China's social development and of the likely impact of future social changes on China **Social Construction In Contemporary**

China Xueyi Lu, 2017-05-19 Placing the modernization of China in a historical context Social Construction in Contemporary China provides a powerful argument that social construction is instrumental for the country's modernization process and a key factor in China's national rejuvenation A wide range of topics and issues related to social construction are covered including people's livelihood and social undertakings income distribution urban and rural communities community organizations social management social norms reforms of social institutions and systems social restructuring and the process of social construction In addition to well informed and insightful analyses of these subjects that draw on the country's historical experiences contributors also provide policy suggestions on how to tackle problems and respond to challenges Its breadth and depth make this volume a valuable addition to the growing body of literature on this important topic

Moralization Of China Xin Liu, 2017-12-12 Alongside China's vast material development there came a change of its mental habits largely affected by the technological revolution in the means of mass communication This book shows how such a change has brought and yet been brought by a new form of pictorial thought essentially sensuous and imagery which is suggesting a possible future for the world Today's China is different from what it used to be the Maoist years appear even to the official mind an absurdity and this difference is evident in the replacement of the Maoist mass politics by what should be called Moral politics which is petty and personal It is the moralizing practice that characterizes today's China when the birth of so called ordinary people taken as a collection of individual authors of their own private lives and personal stories became an acknowledged social fact proliferating in all kinds of mass media This study traces the birth of ordinary people to the beginning of the century when the reformation of the political in terms of personal dilemmas or moral groans began From the beginning of this century the moral content of Chinese politics is more and more fulfilled by such as problems of marriage or sexual affairs In other words this is participant observation of an affective change in the Chinese mind where and when sociology became photographic i e the photographer a natural sociologist and the mold of Facebook or Wechat communication has reshaped the ideographic tradition of its writing system This is yet another Cultural Revolution on the ruins of the Maoist revolution

Reform And Development In China: After 40 Years Wei Shan, Lijun Yang, 2019-03-08 This book provides a comprehensive review of China's experience in reform and opening up from political social and economic perspectives It attempts to engage existing scholarly debates in three areas first how the party state has evolved in the past four decades and whether it remains a Leninist system or has departed from this system second how public attitudes values and behavior have been intertwined with institutional change and how the state is expanding its welfare coverage to enhance regime legitimacy Second how China has attempted to explore new engines for its growth with consideration towards environmental protection and technological progress Chapters in this book are selected from three years of conference presentations co organized by the Institute of Public Policy IPP at the South China University of Technology and UNESCO Since 2014 IPP and UNESCO have co hosted a series of annual international conferences and invited leading scholars from

China Europe and the US to discuss the major challenges to China and the world *Transformation of Ethical Ideas in Contemporary China* Xinzhong Yao, Shuihuan Wang, 2024-11-30 This book takes Confucian ethics as the main line time and space as the longitude and latitude and concisely demonstrates the changes of Chinese traditional ethics and their modern values Its connotation starts from the basic moral norms of five Ethics and five Virtues and from the multi dimensional perspectives of self cultivation family ethics social ethics political ethics and environmental ethics It highlights the core characteristics of the integration of individual virtues and public morals such as benevolence righteousness propriety wisdom courtesy leniency faith sensitivity earnestness kindness goodness virtue and conduct and discusses the ethical requirements of loyalty harmony filial piety fraternity and bravery which are constantly gaining and losing with the changes of the times This book focuses on the vitality of Chinese ethical innovation in the context of globalization and modernization showing how it demonstrates its value in the complex process of dialogue with other civilizations in the world and interaction between China and foreign countries and how it contributes to the construction of a community with a shared future for mankind and the promotion of world peace and prosperity **Language and Identity across Modes of Communication** Dwi Noverini Djenar, Ahmar Mahboob, Ken Cruickshank, 2015-03-10 This edited collection examines how people use a range of different modalities to negotiate influence and or project their own or other people s identities It brings together linguistic scholars concerned with issues of identity through a study of language use in various types of written texts conversation performance and interviews *China's Omnidirectional Peripheral Diplomacy* Jianwei Wang, Tiang Boon Hoo, 2019-04-05 In view of its size and vast land and sea boundaries that it shares with its neighbours China has always regarded its peripheral policy as a crucial aspect of its national security Such a mentality conforms to Chinese leaders core belief that a stable external environment in particular its immediate region remains the sine qua non for the continued and sustained rejuvenation of their nation This book examines China s evolving strategies towards its surrounding peripheries It is the first book to examine in detail President Xi Jinping s steering of China s peripheral diplomacy It argues that China pursues an ambitious omnidirectional regional diplomacy that emphasizes the entire periphery region and not just specific peripheries According to this book Chinese regional policy cannot be properly and adequately understood without taking into account its full breadth substance and scope Featuring chapters that explore China s evolving policy in Northeast Asia Southeast Asia South Asia and Central Asia and addressing new developments under Xi this book fleshes out the intricacies of how China has been managing its peripheral relationships in Asia under new circumstances and new leadership **Urban Loopholes** Ying Zhou, 2017-06-26 Urban reuse creative production consumerism and heritage protection have formed an alliance for the transformation of inner city districts of Shanghai This in depth study based on the author s intimate familiarity of the local scene and supplemented by her critical outsider s insights describes the strategies players and processes of a uniquely Chinese model of urban transformation Concepts like Urban Loopholes Preservation via inhabitation and Gentrification with

Chinese characteristics characterize the specific mechanisms for urban development in Shanghai Urban Loopholes invites the reader to rethink the necessity of urban resilience in the face of globalization's impact for change Visual Culture in Contemporary China I Zhou Xian, 2023-07-21 As the first volume of a two volume set that examines the interaction between social transformation and visual culture in contemporary China this book explores the visual construction of popular culture avant garde art and grassroots media culture Drawing on an approach of Marxist historic materialism and academic resources of sociology communication and art this study of contemporary China's visual culture emphasizes two inter related aspects the visual construction of society and the social construction of the visual It seeks to unravel how visual culture is produced and constructed as well as how it reflects the profound social transformation and reshapes people's understanding and experience of modernization In this volume the contributors revisit popular culture avant garde art and grassroots media culture in contemporary China analyzing the visual image and representation and visual culture's role in social construction In doing so the book also reveals the cultural tension of contemporary China in which the visual aspect figures prominently This book will serve as an essential read for scholars and students of China studies and cultural studies as well as all levels of readers interested in visual culture in contemporary China Family Change and Family Policies in Contemporary China Hu Zhan, 2025-09-05 This book examines the dramatic transformation of Chinese families in recent decades analyzing how economic and social policies and changes have reshaped family structures and relationships The book explores government policy responses to emerging family related challenges while balancing traditional values with modern realities In seven detailed chapters the author explores key aspects of China's family evolution including changing family structures intergenerational dynamics social services and institutional reconfiguration The work provides an in depth analysis of how policies have adapted to address population aging shifting Special attention is given to the delicate balance between preserving traditional family values and accommodating inevitable demographic and economic changes This title will be essential reading for scholars policymakers and students of Chinese studies sociology and social policy It will also provide valuable insights for anyone interested in understanding contemporary Chinese society and family dynamics Social Transformation in Modern China Xin Zhang, 2000-09-25 In this book Xin Zhang sheds light on the sources of China's modernization Contemporary China Review [2024 Spring/Summer Issue] Journal Editors, 2024-07-25 As the Year 2024 has already passed half I sincerely hope and pray for world peace and for people to live and work in peace But looking ahead I believe the future will still not be peaceful The Russian Ukrainian war is still raging and the people are suffering The Israeli Hamas conflict seems to have no signs of stopping and the US election is surging As I said before the three major divisions facing the world are presented at the same time this year the Russian Ukrainian war is a major division between the democratic and dictatorial camps the US election is a major left right division and the Israeli Hamas conflict has surpassed the left right division and the democracy dictatorship division Is the world heading for doomsday We wait and see *The*

Political Economy of China's Great Transformation Xingyuan Feng, Christer Ljungwall, Sujian Guo, 2016-07-15 The Political Economy of China's Great Transformation consists of three parts first covering the current political transformation providing a general political background for the socio economic fiscal and urban and rural transformation The book analyses the economic transformation and addresses the shortcomings of existing interpretations of the Chinese Miracle and develops a new multi dimensional framework In addition it shows how the private sector has been developing and what a major role it is playing in pushing forward the overall economic development The book also focuses on the analysis of China's fiscal transformation With the set of refined principles of fiscal federalism that the author has developed it examines the problems of Chinese fiscal federalism in contrast to them It further elaborates on topics such as the local government debt and explains why further reforms are necessary making this book a very comprehensive read to understand China's progress

China's Economic Statecraft: Co-optation, Cooperation And Coercion Mingjiang Li, 2017-03-16 This book aims to study China's economic statecraft in the contemporary era in a comprehensive manner It attempts to explore China's approaches to using its economic trade investment and financial power for the pursuit of its political security and strategic interests at the regional and global levels The volume addresses three major issue areas in particular The first issue pertains to how Beijing has used its economic clout to protect what it perceives as its core interests in its external relations Three cases are included the Taiwan issue human rights and territorial dispute in the South China Sea The second major area of inquiry focuses on how China has employed its economic power in its key bilateral relations including relations with Japan North Korea the United States and other states in the East Asian region The third issue concerns China's economic statecraft in the global context It addresses the impacts of China's economic power and policy on the transformation of the global financial structure developments in Africa the international intellectual property rights regime and China's food security relations with the outside world

The Domestic Dynamics Of China's Energy Diplomacy Chi Zhang, 2015-09-17 Since the beginning of the 21st century China's energy diplomacy has been expanding rapidly and the country is searching for energy resources worldwide This movement has not only improved China's energy security and international relations but also enabled the Chinese national oil companies NOCs to access new investment markets and implement development strategies The Chinese government and the NOCs need each other's support to realise their respective interests The interaction between the government and the NOCs will have a critical influence on China's energy diplomacy The Domestic Dynamics of China's Energy Diplomacy explores the long neglected domestic dynamics of China's energy diplomacy in particular the interaction of national and corporate interests It argues that the convergence of national and corporate interests is the key momentum of China's energy diplomacy It observes that the government NOC relationship has been evolving with China's economic and enterprise reform Finally it tests the empirical evidence of the domestic dynamics of China's energy diplomacy against the three mainstream international political economy theories showing their merits and shortcomings in explaining the

phenomenon before providing an alternative conceptualisation of the movement

Critical Decade, A: China's Foreign Policy (2008-2018) Zhiqun Zhu, 2019-07-09 China emerged as a major economic diplomatic and military power during the critical decade from 2008 to 2018. As a result, China's foreign policy has become more active and dynamic. This book provides a unique perspective to understand Chinese foreign policy during this decade by examining continuities and changes in both internal and external factors that have shaped China's development. The book focuses on key challenges in China's diplomacy such as US-China relations, the Korean Peninsula, Taiwan, Japan, India, Chinese investment overseas, the Belt and Road Initiative, global and regional cooperation, soft power, etc. It also includes an extensive annotated bibliography of major recent publications on various aspects of Chinese foreign policy. This is the first scholarly book that studies the evolution and key challenges of China's foreign relations during the critical decade 2008-2018 when China grew into a crucial, sometimes assertive power in international affairs.

Media and Cultural Transformation in China Haiqing Yu, 2009-02-24 This book examines the role played by the media in China's ongoing cultural transformation. It demonstrates that the media is integral to China's changing culture in the age of globalization whilst also being part and parcel of the State and its project of re-imagining national identity.
