Whispering Wings Angelcia Carol Wright,2012-10 There are seven levels in heaven seven levels on Earth and seven levels steps we all must go through before we can go home to heaven When you know your loved one is alive in heaven and you can talk and even see them from time to time it makes living a lot easier Your spirit visits them while you sleep Each of us retains our past lives in our own orb Yes we all have a purpose to live **Whispering Wings My Walk with God** Angelica Carol Wright,2012-01-01

Whispering Winds and Ministering Fires Joan G. Caldwell,1999-06 Whispering Winds and Ministering Fires is a collection of inspirational verse by accomplished writer and lyricist Joan Caldwell Many times through the years the author found herself awakened awestruck by an overflow of verse Or she would be working on lyrics for a song or poem and suddenly be pulled in another direction She would then write down her inspirations as fast as she could before another came to mind The poems in Whispering Winds and Ministering Fires came to her one after another until the book was complete In writing these verses Joan has found understanding knowledge wisdom and faith that she would like to share with you in this collection *?WHOEVER HEARD OF A PURPLE HAPPY TREE??* Joyce Timberlake,2014-03 The Happy Tree is a mischievous lovable little creature who is an outcast from his forest home because he accidentally started a fire with a magic glass on a stick magnifying glass In the process of trying to save the youngest Joy Baby Angie the Happy Tree uses the leaves on his top knot to smother the fire But something terrible happens His leaves change from green to purple When this happens he becomes a social outcast with the tree town elders The Happy Tree is the Joy Babies constant companion

Listening for God Marian Korth,2013-01-22 Discover how God talks to us through everyday happenings One day God tells us to hold our to do lists lightly There are more important things for today Another day Gods message is to think a little harder about how we spend our money Some days God just says to relax and enjoy the beauty of the earth Priorities values prayer music nature and hospitality are some of the themes addressed in these 52 reflections on everyday living Most of the reflections originated as posts on the blog of Whispering Winds Retreat Haven As you read the reflections in Listening for God you can expect to Smile as you read about some amazing coincidences and then remember some of the equally amazing coincidences in your own life Think about the choices you make every day and how they reflect your values Wipe a tear from your eye as you read about Emma seeing God a week before she died Look at birds a little differently as you wonder what songs they are singing today Feel your heart soar as you begin to hear God speaking to you regularly in your everyday life

Love is an impressive stairway James Brown,2012-02-05 These are poems of true love and love let downs in life and love poems to uplift **From the Heart** Gail P. Winters,2007-11-16 Somewhere upon these pages you will find a piece of your own life There are poems that will touch your heart make you laugh and make you cry This is a book of inspirational and spiritual poetry including several inspirational short stories that are written to touch the heart The 92 poems are based on the journey through life which includes everything from love to growth to very soul touching expressions which possibly

everyone encounters along the way through the journey of life The poems are written on love on family on finding oneself and some humor to ease the way of life also included are Christmas poems that are sure to touch the heart The 5 short stories are based on personal experience to the fantasy of what may have been The imagination and inspiration hopefully will lead one down a path of discovery to understanding My motto is to make people think which has led me from inspiration to poetry to bring hope and faith to those who like me are searching for answers to life's questions To touch one life so deeply that transformations occurs along the way is the greatest success one can attain To me a poem is not a poem unless it can convey a message to the reader a message so heartfelt that it touches a heart almost immediately *A Collection of Hymns for Public and Private Worship* ,1837 From the Shadow of Freedom Louise Yvonne Dean,2013-12-10 From the Shadow of Freedom is a collection of poems and prayers that I wrote during a very difficult time in my life due to physical mental and sexual abuse After surviving multiple attempts of suicide I gave up on death and just dealt with the pain I lived and wrote in the shadow of freedom with the dream that someday I would become free and soar like an eagle to be the person I was created to be in this lifetime To express oneself verbally was wrong and for me to pen the words of these poems I would always have to hide somewhere in the shadows in order not to be caught and punished for expressing my thoughts and feelings Today I no longer live in that prison of abuse nor do I live in the shadows I can openly express my thoughts and feelings I have found that freedom is a beautiful thing and today I soar as that eagle I always dreamed of I pray these poems and prayers will penetrate the darkest shadows of all who read them and bring light peace freedom and healing to their dark wounded heart soul and spirit Freedom From the Shadow of L Sacred Harmony ,1838
