Who Will Be Saved In The Coming Period Of Judgment:

Who Will be Saved in the Coming Period of Judgment? Henry Allan Ironside, 19?? *Who Will Be Saved in the Coming Period of Judgment?* H. A. Ironside, 2017-10-30 ERE seeking to answer this question which seems to be a perplexity to some it might be well to state as briefly as possible what is meant by the period of judgment as this paper will probably fall into the hands of some who as yet have given but little attention to prophetic teaching In doing this it will be necessary to do little more than refer to a large number of passages of Scripture many of which the lack of space will forbid quoting in full but it is hoped the reader will refer to any that are unfamiliar to him **The Non-Prophet's Guide™ to the End Times** Todd Hampson, 2018-10-02 I Believe Jesus Will Return What More Do I Need to Know Do you tend to avoid studying books of the Bible like Revelation and Ezekiel Does it feel like words such as rapture and apocalypse fly right over your head It s common to dismiss these and other topics related to Bible prophecy as irrelevant and well too complicated But God s Word says Blessed is the one who reads aloud the words of this prophecy and blessed are those who hear it and take to heart what is written in it because the time is near Revelation 1 3 Prepare to be blessed in an entertaining and meaningful way The Non Prophet s Guide to the End Times combines engaging illustrations with down to earth explanations to help you navigate the ins and outs of Bible prophecy There s no better time to grasp God s plans for the future and for you than this very moment

Biblical Studies on the Prophecies of the Rapture and Revelation

Larry Phillip Russell, 2017-11-16 Biblical Studies on the Prophecies of the Rapture and Revelation is an introduction to and exploration of the Bible's teachings on the Second Advent of Jesus Christ. It distinguishes the Rapture from the Revelation. It affirms the Premillennial Pre-tribulation Rapture and Dispensational views. Explored are various theological positions of the Return of Christ. Biblical history, Church history, and insights from key Scripture passages. Russell writes for inquiring laity, clergy, and seminarians. This work provides edification, inspiration, a wealth of Biblical knowledge, working together strands of history, theology, Biblical studies, statistics, and even humor. The book addresses the Unconditional Covenant God made with Israel, kindly refutes Replacement theology, the Amil and Postmil views, defines Daniel's 70th Week, considers the future Tribulation Millennium, reminds of God's Sovereignty and Providence, warns of sensationalism, date setting, presents signs of the times, and touches on Apostasy. The book is a comprehensive eschatological work with significant amounts of doctrine, Biblical history, the history of Christianity, and interrelated eschatological considerations. It also admonishes practical Christian living and encourages seeking paths of holy living. If you desire to understand the distinctions between the Rapture and the Revelation, seek a challenging and rewarding journey of study, and if you would find your faith strengthened and your understanding increased, this book will be a helpful guide to your exploration.

The Pretribulation Rapture Theory and Dispensationalism Revisited J. Mike Byrd, 2014-08-15 The Pretribulation Rapture Theory and Dispensationalism Revisited reviews and critiques a confusing array of popular theories that address the return of Jesus Christ and the church's rapture. It proposes that a clarifying approach rests in letting Scripture interpret Scripture, which yields a simpler, more natural, and consistent explanation of the pretribulation rapture and dispensationalism. Drawing upon thousands of hours of Bible study, J. Mike Byrd presents an analysis and a related proposal that avoid both unthinking conformity to popular notions and oversimplification for the sake of palatability. The Pretribulation Rapture Theory and Dispensationalism Revisited addresses methods of interpretation, defines dispensationalism and the Dispensational Principle, examines the scriptural testimony surrounding the day of the Lord and the day of God's wrath, surveys the issues regarding imminence, and discusses the rapture, the resurrection, and Christ's second coming. If you wonder what Scripture clearly teaches about this world's demise, the end of human existence, and the onset of God's sure and certain work to establish his reign, then The Pretribulation Rapture Theory and Dispensationalism Revisited should offer you the scripturally grounded review, analysis, and explanation you need to understand the Scripture's teachings on these ultimate issues.
