Ask Me Why I Wrote This Book Avni Dixit, 2025-06-13 Why tell these stories Why listen Why care Ask me why I wrote this book and you'll start to understand Written by a teenager trying to make sense of the inequalities she saw up close this book is shaped by questions curiosity and a desire to see beyond what's familiar It shares the stories of girls who refuse to let their circumstances define them girls who fight for an education despite challenges most of us never have to consider Girls whose dreams are as big as anyone's but whose realities make those dreams harder to reach These stories do more than share experiences they challenge us to reflect on ourselves How do we recognise the privilege we carry How do we define it How do we use it What does it mean to truly see someone else's life for what it is not what we assume it to be Grounded in real experiences and honest reflections Ask Me Why I Wrote This Book invites you to pause think differently and ask your own questions It's a personal journey told through the lens of a young author grappling with what it means to pause reflect and act Because change doesn't begin with grand gestures it begins with noticing It grows with understanding And it takes shape when we choose to care If you've ever wondered what you can do or why it matters this book is a place to start 50% of the proceeds from each book sold will be contributed to this cause *Book of Post-Han Dynasty* Li Shi, **The Trail Book. 1**
