Why You're Dumb, Sick and Broke And How To Get Smart, Healthy and Rich:

Zor Veyl Smart Broke Dumb Rich Zoe Vell, 2025-08-04 This is not another feel good book about chasing dreams. It's a hard hitting eye opening guide for every smart person wondering How can I know so much and still be stuck? Zor Veyl Smart Broke Dumb Rich pulls back the curtain on a strange truth. Many of the world's most educated, analytical and well read people are living paycheck to paycheck. While those with fewer credentials, the so called dumb rich, are out building empires. What's going on? This book is the answer. Inside you'll discover Why intelligence often leads to hesitation not action. How less qualified people leap ahead by trusting instincts and taking risks. The hidden traps of the education system and credential culture. Why the ability to sell influence and execute matters more than your GPA. How perfectionism, fear and overthinking quietly kill progress. Why boldness, ownership and adaptability are the real currencies of the future. How to retrain your brain from an academic to an entrepreneurial mindset. Packed with real life case studies, blunt truths and a roadmap for reprogramming your relationship with wealth. Zor Veyl Smart Broke Dumb Rich is not just a book, it's a wake up call. If you've ever felt like you're doing everything right but getting left behind. If you're tired of collecting knowledge while others collect assets. If you're ready to think less, do more and own your future. This book will show you how.

Don't Be an Imbecile Or Broke... Waqar Niz, 2022-05 DON'T BE AN IMBECILE OR BROKE BECOME A SMART BADASS RICH AND HEALTHY. DON'T BE AN IMBECILE OR BROKE BECOME A SMART BADASS RICH AND HEALTHY AND GIVE YOUR BODY THE NUTRITION IT NEEDS TO LIVE LONGER AND FEEL GREAT. Don't be an imbecile or broke, it's that simple. The happiest people in the world are the ones with a lot of money. I'm not saying you have to be wealthy in order to be happy, but if you have all your money, you're going to be miserable. Whether you're young, old, a man or a woman, you can be healthier today. Knowledge is power, so learn how to achieve health without breaking the bank. Just because you don't have the money doesn't mean you can't make the money and take advantage of opportunities. Have you ever thought to yourself, I'm an idiot? What if I told you that you can fix that? You can become rich, healthy and not be an idiot. You just need to think on a higher level. That's what smart people do. They think on a higher level to succeed. When you start to think on a higher level, you WILL succeed. You WILL get what you want. Now here's how to think on a higher level. The first thing you must do to think on a higher level is to get what you want. The second thing is to think smart, far beyond your current intelligence. The third thing is to get smarter. The fourth thing is to think on a higher level. Don't be an imbecile or broke, it's that simple. You need money to live, so you need to make it. I'm not saying you have to be wealthy in order to be happy, but if you have all your money, you're going to be miserable. The happiest people in the world are the ones with a lot of money. Doesn't mean you have to have millions of dollars to be happy, just enough money to have the lifestyle you want. Also, if you have no money, you're going to have to spend all your time working to get it, and you're going to be miserable because of it. That's why it's super important to start saving your money as you get it, while staying smart and healthy. I'm not saying you need to be an idiot who doesn't care about anyone.

and is focused strictly on making money I m saying you need to balance your life You don t have to be an idiot or poor No matter what your current life situation is whether you re broke need money for a family vacation or if you re just trying to be more badass and healthier you CAN do it If you re looking for some valuable guide to improve your life then this book is for you I m a firm believer in the fact that anyone can do whatever they want to do Just because you don t have the money or the right opportunities doesn t mean you can t make the money and take advantage of opportunities It s not about who you are it s about what you do If you want to be rich and healthy you have to work on it It s not going to just happen by sitting on the couch eating nachos and watching TV But it s not gonna happen if you don t take action You have to make it happen If you want something you have to be willing to make sacrifices to get it You can t put it off until things get better Because if you do you ll be waiting your whole life
