Women First, Men Last, The Spinster and Her Enemies Sheila Jeffreys, 1997 Annotation This feminist text is released here with a revised and updated introduction It examines the activities of feminist campaigners around such issues as child abuse and prostitution and how these campaigns shaped social purity in the 1880s and 1890s Satanic Feminism Connie Riker, 101-01-01 Are you tired of men being told to man up while simultaneously being shamed for embodying the very traits society demands Do you feel trapped in a world where your strength is both required and reviled What if the narrative of toxic masculinity is just a tool to keep you subservient Inside this book Discover how the myth of toxic masculinity is used to control and manipulate men Learn the double binds that force men into impossible situations where they can never win Understand how emotional manipulation and gaslighting are used to undermine male confidence Explore the paradox of feminist empowerment and how it often leads to female supremacy Uncover the insidious nature of cultural Marxism and its impact on traditional gender roles See how vulnerability is weaponized against men turning their openness into a weakness Examine the double standards in parenting that favor mothers while demonizing fathers Find out how sexual liberation is often a control mechanism not true empowerment If you want to break free from the chains of modern feminism and reclaim your masculinity then buy this book today **The War on Sex** Chad Denton, 2014-11-19 From earliest times sex has fascinated and repulsed society in equal measure In an effort to untangle Western society's complex relationship with the realities of sex this provocative volume explores the ways in which governments religious leaders and cultures in Europe tried to regulate sex and sexuality throughout history From the sacred texts of ancient Israel to the slums of 19th century Britain this book explores political legal and cultural controls on consensual sex and the individuals and movements that resisted them Topics range from prostitution and homosexuality to marriage contraception and abortion While traditional narrative holds that Europe alternated between sexual freedom and oppression through the Victorian age this work reveals that the real story of how sex was regulated and how people defied regulation is not so clear cut *Cross Currents in the International Women's Movement, 1848-1948* Patricia Ward D'Itri, 1999 D'Itri American thought and language Michigan State U discusses the individuals organizations and events that contributed to the development of the world movement for women's rights between 1848 the date of the first Women's Rights Convention in the United States and 1948 by which time the movement was substantial enough to influence the United Nations Declaration of Human Rights This study traces the movement from its origins in the United States through its subsequent international development Annotation copyrighted by Book News Inc Portland OR **Deadly Consequences** Robert L. Star Wars Meets the Eras of Feminism Valerie Estelle Frankel, 2020-07-07 Star Wars defined popular big screen science fiction Still what many viewers best recall is assertive hilarious Leia the diminutive princess with a giant blaster who had to save them all As the 1977 film arrived women were marching for equality and demanding equal pay with few onscreen role models Leia echoed their struggle and showed them what they could be Two more films joined in though by the early eighties post feminism was pushing back and shoving the tough heroine into her pornographic gold bikini After a sixteen year gap the prequels catered to a far different audience Queen Amidala s decoy power originates in how dominated she is by her massive royal gowns This obsession with fashion but also costuming as a girly superpower fits well with the heroines of the time The third wavers filled the screens with glamorous mighty girls strong but not too strong like the idealistic teen Ahsoka of Clone Wars However space colonialism abusive romance and sacrifice left these characters a work in progress Finally the sequel era has introduced many more women to fill the galaxy Rey Jyn Rose Maz Qi ra Val L3 37 Captain Phasma Admiral Holdo and of course General Leia Making women the central warriors and leaders while keeping them powerful and nonsexualized emphasizes that they can share in the franchise instead of supporting male Jedi There s also more diversity though it s still imperfect Hera and Sabine on the spinoff cartoon *Rebels* and the many girls in the new franchise *Forces of Destiny* round out the era along with toys picture books and other hallmarks of a new more feminist fourth wave for the franchise
