too much about dragons Those unlucky enough to be seen within the city are captive beasts chained to industry and her family s continued support of what dragons remain in the wild has left them as outcasts on the edge of society Spark s only concern is to keep her family safe in the bubble of their farm When her unparalleled fireborn power draws the attention of her city s brutal magistrate he sends his dragons to kill Spark s entire family She narrowly escapes and must take refuge in the human settlement beneath the dragon city She sets up shop as a blacksmith and tries to build a new life After learning the shocking truth of her mother s fate and why the magistrate wants Spark dead she must grapple with the effects of her mother s legacy before her untamed power proves as much threat to her friends as the magistrate does Because the

magistrate has not forgotten about Spark or her power If she hopes to avenge her family and protect her new friends she must win over the persecuted dragon population But winning a dragon s trust is no small feat Trueflame Vanessa Ricci-Thode,2023-05-16 Come for the dragons stay for the queer mom rage manifesting as literal fire and burning it all down Neesha doesn t care about the affairs of dragons All she wants is to cultivate her unprecedented pyromantic power but chafes against her mother s reputation as a ground breaking dragon whisperer and against a regressive society that expects her to marry Escaping not only her mother s judgement but the attention of family approved suitors proves difficult especially when an unplanned pregnancy drastically narrows Neesha s options and sets a tight deadline for fulfilling her dream of being accepted to the Wizards Guild before motherhood sidelines her Just when she thinks she can take no more her mother s old foe returns for revenge against her entire family bringing river monsters a threat to the dragon city and tough choices that hold the fate of her city especially her unborn child in jeopardy She s going to have to start caring about the dragons and earn their trust in order to succeed *The Guide to Writing Fantasy and Science Fiction* Philip Athans,R.
