Work Matters Lessons From Scripture:

Work Matters R. Paul Stevens, 2012-05-31 Marketplace theology expert R Paul Stevens revisits more than twenty biblical accounts from Genesis to Revelation exploring through them the theological meaning of every sort of work manual or intellectual domestic or commercial from publisher description **Work Matters** R. Paul Stevens, 2012 **Working Blessedly Forever, Volume 1** R. Paul Stevens, 2024-02-20 Work whether from home in cyberspace or in a factory or office occupies a major chunk of our time energy and soul This book seeks to make sense of our work in the world through adapting the pithy statement of the Puritan William Perkins to define marketplace theology as the science of working blessedly forever It is a science involving investigation but not just with the head thought but also with heart prayer and hand practice But it is a science of working So the book investigates a theology of work undertaken in the light of God s blessing and purpose And our work is not just for this life but forever since some of it could last into the new heaven and new earth where guess what Scripture says we will work as fully human and resurrected beings Stevens gathers his lifetime of research and teaching into this book showing through biblical research and contemporary analysis the meaning of work and human enterprise It could change your lifestyle your work style and your soul Workplace Discipleship 101 David Gill, 2021-10-05 Workplace Discipleship 101 contains encouragement and practical advice for Christians who are serious about living out their faith in their daily work lives This book is packed with simple practical suggestions organized in an intuitive format with straightforward language Answering questions such as How can I serve Jesus while I m at work and What does it look like to follow Jesus in my field of work this book provides Christians with practical insight and biblical inspiration no matter where they work The book is split into three main sections Preparation how to get ready Presence what we do at work and Post Workplace beyond the workplace Key points and features Biblically and theologically based Presents information in an easy understandable way Discusses the importance of work and discipleship Offers insightful questions for application Fills a hole in the growing faith at work genre of literature Few people I know have thought more deeply and practically about the integration of the Christian faith in the workplace than David Gill In Workplace Discipleship 101 David Gill s keen intellect ethical clarity and encouraging heart frame a persuasive and practical guide for all apprentices of Jesus who long to embrace an integral faith This book is an invaluable resource I have been waiting for I highly recommend it Tom Nelson Lead Senior Pastor Christ Church Kansas City President Made to Flourish Author Work Matters Connecting Sunday Worship to Monday Work Immanuel Labor—God’S Presence in Our Profession MSG Russell E. Gehrlein US Army Ret., 2018-02-28 Here is a fresh comprehensive Christian perspective on work This is a solid introduction to this critical subject It is especially geared toward those in need of Gods guidance on finding the right career and how to integrate their faith with the job It is well grounded in scripture contains numerous inspirational quotes from other Christian leaders offers practical wisdom and includes many personal illustrations Topics consist of the value of everyday work thorns and thistles the eternal value of work

finding a job that fits how we are to work and implications for those in ministry It includes a helpful index of three hundred scripture references and questions for group discussion or personal reflection This book will expand your view of how God can use your unique abilities in the workplace and how his presence at work makes all the difference *Transforming Daily Work into a Divine Vocation* Robert Banks, 2022-12-12 During the last few decades there has been an increasing interest in the connection between our faith and our work along with the growth of resources and organizations to bring the two into dialogue Despite this most Christians continue to feel that their daily work is less valuable than that of pastors missionaries or full time workers in a religious organization In a fresh and practical way this book sets out the biblical historical and theological grounds for challenging this commonly felt view It includes a range of engaging personal case studies that demonstrate the profound effect integrating one's work up into one's faith can have relationally institutionally and societally as well as evangelistically pastorally and missionally Attention is also given to the increasingly addictive fragmented and precarious nature of work today and to how we can spiritually find our way to discerning and expressing our unique God given vocation The final section of the book considers whether any of our work has eternal value and retells a compelling parable of what this might look like **Colin Gunton, Tim Keller, and the Trinitarian Challenge to Individualism**

Steve Pearson, 2025-08-05 In today's market driven world the relationship between faith and work is vital for every Christian in the workforce This book examines how much Christian thinking on the subject needs a radical shift Traditionally the focus has been on how Christians can influence the marketplace often overlooking the profound ways the market shapes our theology With a fresh perspective the book centers on identity contrasting today's individualism with the relational model of the Trinity It argues that the market can erode our Christian identity and distort our theology often without us being aware Through the insights of British theologian Colin Gunton who explored the Trinity's connection to identity and the work of Timothy Keller on faith and work the book reveals a crucial truth our understanding of identity is not relational enough To truly engage meaningfully at the intersection of faith and work our foundational theology must be reframed **NIV, Faith and Work Bible** Zondervan, 2016-10-04 You invest a significant part of your life working it matters Combining doctrine Scripture application and real life experiences the NIV Faith and Work Bible will help you answer the question How does my faith relate to my work It doesn't matter what job or career you have part time third shift or freelance from the shop floor to the school hallways to the corner office this Bible will reveal how relevant God's Word is to your daily work life Contributor David H Kim is the Pastor of Faith and Work at Redeemer Presbyterian Church in New York City He is also Executive Director of the Center for Faith and Work Features Complete text of the accurate readable and clear New International Version NIV 66 book introductions highlight the application of each book's teachings to faith and work 75 Deeper at Work stories deliver strength and encouragement from the real life experiences of people facing the same daily challenges and opportunities you face 45 Core Doctrine articles feature teachings from Christian leaders throughout the ages to help you

learn the Biblical basis for integrating your faith and work A 31 day journey through the Biblical narrative helps you grasp Scripture s overarching storyline 4 Thought provoking essays by David H Kim Richard Mouw Nancy Ortberg and Jon Tyson connect the gospel to your daily work life Foreword by Tim Keller **A Sacred Journey** Paul Nicholas Wilson,2021-05-19 Paul Wilson believes God is poised to perform a mighty work through believers in the workplace including the secular university The Rev Billy Graham had the same insight But Christ followers in secular institutions must explicitly embrace secular work as God s work Likewise seminaries churches and pastors must step up their efforts In this book the author shares his struggles of being a follower of Christ at secular places of learning At times he felt there was little or no integration of his faith and vocation due to a lack of courage and time Get answers to questions such as What are the perils of living a double life by not identifying yourself as a follower of Christ How can Christ regain a foothold at secular institutions of learning How can educators help students move closer to the Lord outside of class What does a faithful presence look like in the academy A Sacred Journey presents a Gospel centered framework for Christian witness on campus where Ph D students faculty and staff can serve as salt light and leaven in their secular university environments We must reclaim the sacredness of our academic vocations *A Christian Approach to Work and Family Burnout* Thomas V. Frederick,Scott E. Dunbar,2019-08-27 In *A Christian Approach to Work and Family Burnout* Calling Caring and Connecting Thomas V Frederick and Scott E Dunbar provide a Christian spiritual model to prevent and cope with burnout caused by the workplace and conflict with family Coupled with indifference and lack of urgency burnout eliminates a sense of purposefulness and results in psychological depletion To counter this Frederick and Dunbar stress the importance of connecting with God in order to understand intrinsic motivations and redefine work as a calling and means to care for others
