

WITCHCRAFT IN ENGLAND, 1558-1618

With a new preface

Edited by Barbara Rosen

Witchcraft In England 1558 1618 Witchcraft In England 1558 1618

Michael Witmore

Witchcraft In England 1558 1618 Witchcraft In England 1558 1618:

Witchcraft in England, 1558-1618 Barbara Rosen, 1991 Anyone interested in manifestations of witchcraft in Elizabethan and Jacobean England will find this book an invaluable source Barbara Rosen has gathered and edited a rare collection of documents pamphlets reports trial accounts and other material that describes the experience interpretation and punishment of witchcraft in the late sixteenth and early seventeenth centuries In her introduction Rosen explores the full range of practices and beliefs associated with witchcraft and situates these phenomena in historical context She explains how ignorance of science and medicine combined with social circumstance and religious ideology to shape popular perceptions and superstitions Distinguishing between English and Continental forms of witchcraft she also examines the legal definitions disciplines and punishments applied to wizards witches wise women and conjurers in the Elizabethan age The pamphlets and other original texts have been modernized in certain respects to make them more accessible to general readers But the book retains its value for scholars omissions are detailed in the notes and additions marked obsolete words and grammar are explained in the glossary Originally published in England in 1970 under the title *Witchcraft* this book appears now for the first time in paperback and includes a new preface by the editor *Witchcraft, the Devil, and Emotions in Early Modern England* Charlotte-Rose Millar, 2017-07-14 This book represents the first systematic study of the role of the Devil in English witchcraft pamphlets for the entire period of state sanctioned witchcraft prosecutions 1563 1735 It provides a rereading of English witchcraft one which moves away from an older historiography which underplays the role of the Devil in English witchcraft and instead highlights the crucial role that the Devil often in the form of a familiar spirit took in English witchcraft belief One of the key ways in which this book explores the role of the Devil is through emotions Stories of witches were made up of a complex web of emotionally implicated accusers victims witnesses and supposed perpetrators They reveal a range of emotional experiences that do not just stem from malefic witchcraft but also and primarily from a witch's links with the Devil This book then has two main objectives First to suggest that English witchcraft pamphlets challenge our understanding of English witchcraft as a predominantly non diabolical crime and second to highlight how witchcraft narratives emphasized emotions as the primary motivation for witchcraft acts and accusations **Monsters, Sorcerers, and Witches of Northwestern Europe** Letizia Vezzosi, 2025-04-30 This volume presents the first results of the PRIN 2022 research project involving the universities of Siena Turin Naples L Orientale and Florence It examines how otherness was constructed in non canonical vernacular texts addressed to popular audiences in Northwestern Europe from the late Middle Ages to the early modern period The essays explore how theological and demonological ideas were absorbed and reshaped through exempla street literature chronicles and sermons often featuring magical wondrous or witch like figures Special attention is given to the gendered portrayal of women and to the interplay between elite and popular discourses in shaping perceptions of marginality **Pretty Creatures** Michael Witmore, 2007 Witmore examines the ways in which children with their proverbial

capacity for spontaneous imitation and their imaginative absorption came to exemplify the virtues and powers of fiction during the English Renaissance

The Witch in History Diane Purkiss, 2003-09-02 Diane Purkiss insists on taking witches seriously Her refusal to write witch believers off as unenlightened has produced some richly intelligent meditations on their and our world The Observer An invigorating and challenging book sets many hares running The Times Higher Education Supplement

A New Companion to Renaissance Drama Arthur F. Kinney, Thomas Warren Hopper, 2017-04-20 A New Companion to Renaissance Drama provides an invaluable summary of past and present scholarship surrounding the most popular and influential literary form of its time Original interpretations from leading scholars set the scene for important paths of future inquiry A colorful comprehensive and interdisciplinary overview of the material conditions of Renaissance plays England's most important dramatic period Contributors are both established and emerging scholars with many leading international figures in the discipline Offers a unique approach by organizing the chapters by cultural context theatre history genre studies theoretical applications and material studies Chapters address newest departures and future directions for Renaissance drama scholarship Arthur Kinney is a world renowned figure in the field

Dangerous Familiars Frances E. Dolan, 2017-04-15 Looking back at images of violence in the popular culture of early modern England we find that the specter of the murderer loomed most vividly not in the stranger but in the familiar and not in the master husband or father but in the servant wife or mother A gripping exploration of seventeenth century accounts of domestic murder in fact and fiction this book is the first to ask why Frances E Dolan examines stories ranging from the profoundly disturbing to the comically macabre of husband murder wife murder infanticide and witchcraft She surveys trial transcripts confessions and scaffold speeches as well as pamphlets ballads popular plays based on notorious crimes and such well known works as *The Tempest* *Othello* *Macbeth* and *The Winter's Tale* Citing contemporary analogies between the politics of household and commonwealth she shows how both legal and literary narratives attempt to restore the order threatened by insubordinate dependents

Cursed Britain Thomas Waters, 2019-01-01 The definitive history of how witchcraft and black magic have survived through the modern era and into the present day Cursed Britain unveils the enduring power of witchcraft curses and black magic in modern times Few topics are so secretive or controversial Yet whether in the 1800s or the early 2000s when disasters struck or personal misfortunes mounted many Britons found themselves believing in things they had previously dismissed dark supernatural forces Historian Thomas Waters here explores the lives of cursed or bewitched people along with the witches and witch busters who helped and harmed them Waters takes us on a fascinating journey from Scottish islands to the folklore rich West Country from the immense territories of the British Empire to metropolitan London We learn why magic caters to deep seated human needs but see how it can also be abused and discover how witchcraft survives by evolving and changing Along the way we examine an array of remarkable beliefs and rituals from traditional folk magic to diverse spiritualities originating in Africa and Asia This is a tale of cynical quacks and sincere magical healers depressed

people and furious vigilantes innocent victims and rogues who claimed to possess evil abilities Their spellbinding stories raise important questions about the state s role in regulating radical spiritualities the fragility of secularism and the true nature of magic *The Witchcraft Reader* Darren Oldridge,2002 The excellent reader offers a selection of the best historical writing on witchcraft exploring how belief in witchcraft began and the social and context in which this belief flourished **A**

Dialogue Concerning Witches and Witchcrafts George Gifford,2007 Scholarly reprint of a classic sixteenth century treatise on witchcraft
