Listen Kate Veitch, 2006 Rosemarie leaned her weight on the big kitchen knife with blind efficiency No one wanted to know the real secrets not the really big ones And she thought emphatically I don't want anyone to know mine On Christmas Eve in 1967 a London woman unhappily transplanted to the Australian suburbs makes a decision that will change forever the

lives of her four young children Forty years on those children are adept at concealing their shared pain Deborah has a demanding political career James is a successful artist Robert a respected school principal Only Meredith the baby of the family seems struck But as their father begins to lose his grip on reality they find themselves floundering in an unfamiliar sea And their past is about to reach into the present in ways that will shock and challenge them all A spellbinding contemporary novel Listendraws us deep into the intensely private world of family life and brilliantly illuminates the joys sorrows and sustaining comfort that we find there **Cumulated Fiction Index** ,1957 *MLA International Bibliography of Books and Articles on the Modern Languages and Literatures* Modern Language Association of America,1992 Vols for 1969 include ACTFL annual bibliography of books and articles on pedagogy in foreign languages 1969
