Without Conscience Without Conscience:

Without Conscience Robert D. Hare, 2011-09-20 Most people are both repelled and intrigued by the images of cold blooded conscienceless murderers that increasingly populate our movies television programs and newspaper headlines With their flagrant criminal violation of society s rules serial killers like Ted Bundy and John Wayne Gacy are among the most dramatic examples of the psychopath Individuals with this personality disorder are fully aware of the consequences of their actions and know the difference between right and wrong yet they are terrifyingly self centered remorseless and unable to care about the feelings of others Perhaps most frightening they often seem completely normal to unsuspecting targets and they do not always ply their trade by killing Presenting a compelling portrait of these dangerous men and women based on 25 years of distinguished scientific research Dr Robert D Hare vividly describes a world of con artists hustlers rapists and other predators who charm lie and manipulate their way through life Are psychopaths mad or simply bad How can they be recognized And how can we protect ourselves This book provides solid information and surprising insights for anyone seeking to understand this devastating condition

No Conscience, No Crime Deborah Crumpton Barkley, 2014-06-16 Kathryn Patton is an energetic strong minded mother of three who is always up for a good mystery While she barely feels part of her marriage and family Kathryn earnestly strives to be a devoted young professional climbing toward partnership at her CPA firm However feelings of despair and ambivalence over leaving her small children each day prevent Kathryn from achieving the career success she desires When a terrible coincidence traps her inside a whirling real life murder mystery plans change and lives are rerouted to unforeseen destinations Years of reading whodunit novels and watching mystery movies has scarcely prepared Kathryn with the requisite skills to single handedly solve the perplexing murder before she herself gets convicted of the crime Apparently the small town police chief and his crew are not interested in knowing what really happened to the young murder victim who happens to be a senator s daughter The chief seems content as he allows obviously inept employees to frighteningly further force Kathryn toward wrongful conviction Kathryn investigates seemingly endless layers of interconnections until she finally discovers unequivocal criminal corruption In the search for truth Kathryn never waivers but the ultimate conclusion is far too evil for Kathryn to
