Popcak, 2014-02-11 WHAT DO EXCEPTIONAL COUPLES KNOW THAT OTHERS DON'T If roughly fifty percent of marriages fail what about the other fifty percent the ones that succeed Are those couples who stay together necessarily happy No not necessarily In fact many marriages that remain intact are far less than ideal A mere seven percent are really good in fact exceptional These couples have much greater than average passion happiness longevity and fulfillment And the good news is luck has nothing to do with it But if less than exceptional marriages are made up of men who are supposedly from Mars and women who are supposedly from Venus what planet do exceptional husbands and wives come from What are the secrets of exceptional couples and what can they teach us Marriage therapist Gregory K Popcak believes that ways of relating employed by exceptional couples can benefit all marriages In *The Exceptional Seven Percent* he looks at the most successful couples and exposes their secrets Each chapter examines in detail the basic characteristics of exceptional couples including Developing a marital imperative the key to unlocking all the other Exceptional Couple qualities Setting and achieving emotional goals Cultivating exceptional levels of fidelity loving service rapport negotiation gratitude joy and sexuality Through anecdotes analyses exercises quizzes and guidance that is consistently supported by marriage research you'll learn what your weaknesses are and how you can begin to make positive changes You have the power to turn your marriage into the most precious thing in your life Why settle for anything less *Oops! I Forgot My Wife* Doyle Roth, 2004 How goes the husband so goes the marriage Do you agree With few exceptions a husband's loving leadership or lack of it sets the tone for the marriage The trouble is when it comes to loving leadership most guys draw a blank That's why this marriage book takes the form of a story In *Oops I Forgot My Wife* Doyle Roth puts thirty plus years of marriage counseling experience into the story of a guy named Mitch A guy who is so bad at husbanding he wakes up one morning king of an empty castle On the brink of divorce he learns what love really means Told through an exchange of emails Mitch's story is about real marriage flaws and all It's not pretty or sanitized but any man willing to examine his own heart will see the truth in it and benefit greatly from his story On the other hand husbands who are already perfect may know of some friend who could use a wake up call This book would make a perfect gift for that friend's wife *Against the Grain* Michele
