Youth, Heart of Darkness, Typhoon and the Secret Sharer with Reader's Guide Joseph Conrad, 1970-07 Youth, Heart of Darkness, Typhoon and the Secret Sharer Joseph Conrad, 1970-07 **Youth, And, The Heart of Darkness ,**

The Reception of Joseph Conrad in Europe Robert Hampson, Véronique Pauly, 2022-05-05 Born and brought up in Poland bilingually in French and Polish but living for most of his professional life in England and writing in English Joseph Conrad was from the start as much a European writer as he was a British one and his work from his earliest fictions through *Heart of Darkness* *Nostromo* and *The Secret Agent* to his later novels has repeatedly been the focal point of discussions about key issues of the modern age With chapters written by leading international scholars this book provides a wide ranging survey of the reception translation and publication history of Conrad s works across Europe Covering reviews and critical discussion and with some attention to adaptations in other media these chapters situate Conrad s works in their social and political context The book also includes bibliographies of key translations in each of the European countries covered and a timeline of Conrad s reception throughout the continent

The New Cambridge Bibliography of English Literature: Volume 4, 1900-1950 George Watson, I. R. Willison, 1972-12-07 More than fifty specialists have contributed to this new edition of volume 4 of *The Cambridge Bibliography of English Literature* The design of the original work has established itself so firmly as a workable solution to the immense problems of analysis articulation and coordination that it has been retained in all its essentials for the new edition The task of the new contributors has been to revise and integrate the lists of 1940 and 1957 to add materials of the following decade to correct and refine the bibliographical details already available and to re shape the whole according to a new series of conventions devised to give greater clarity and consistency to the entries

The Reader's Adviser: English Literature Winifred F. Courtney, 1971 **Silence, Space and Absence in Conrad's Works** John G. Peters, 2023-10-12 This book considers the relationship between sound and silence in the works of Joseph Conrad along with their ties to Western and non Western space Throughout Conrad s works a pattern emerges where Western space is associated with sound and non Western space is associated with silence similarly Western space is portrayed as full of objects and activity whereas non Western space is portrayed as empty As these tales progress though Conrad s characters embark on transformational journeys that cause them to reassess the world they live in and sometimes even the nature of the universe These journeys invariably occur through encountering non Western space and during the course of these journeys the dichotomy between Western space perceived as replete with sound and activity and non Western space empty of such blurs such that the fullness of the West is revealed to be simply a surface hiding the emptiness beneath In the end both Western and non Western space are revealed to be absences as the absence of sound becomes a correlative for the emptiness of space and the emptiness of space becomes a metonym for the cosmological emptiness of nothingness
