Zami: A New Spelling of My Name Audre Lorde, 2011-03-16 Zami A Carriacou name for women who work together as friends and lovers Zami is a fast moving chronicle From the author s vivid childhood memories in Harlem to her coming of age in the late 1950s the nature of Audre Lorde s work is cyclical It especially relates the linkage of women who have shaped her Lorde brings into play her craft of lush description and characterization It keeps unfolding page after page Off Our Backs Among the elements that make the book so good are its personal honesty and lack of pretentiousness characteristics that shine through the writing bespeaking the evolution of a strong and remarkable character The New York Times **A Journey Home: Audre Lorde's Zami: A New Spelling of My Name** □□□, 2006 **Zami: a New Spelling of My Name** Audre Lorde, 1990 **"New" Exoticisms**, 2022-04-19 All civilisations have both feared and been fascinated by what lies beyond their limits and have to a greater or lesser extent construed their others as exotics Given that even in its most consumerist fashion the adoption of the exotic goes back a long way what then if anything is new in contemporary versions of exoticism This volume attempts to offer some answers to this question The first of its three sections serves as an extended introduction to the concept and practice of exoticism considering the phenomenon from a number of theoretical and critical positions explicitly examining sometimes via significant examples the particular attributes of exoticism The second and third sections are more strictly text based relying on the analysis of specific instances of film in the former and literature in the latter in order to tease out some specific uses of the exotic whether ethnic gendered sexual or other This volume will be of interest to scholars and students working in the fields of representation cultural theory postcolonialism gender ethnicity sexuality cinema and literature **Homemaking** Catherine Wiley, Fiona R. Barnes, 2021-11-18 First published in 1996 The present volume Homemaking Women Writers and the Politics and Poetics of Home enters the critical discourse on gender by way of two of its most pressing issues the politics of women s locations at the end of the twentieth century and the division of experience into public and private That the emergence of systematic feminist thought in the west coincided with the invention of private life should not surprise us Feminist thinkers from Mary Wollstonecrofton were quick to realize that the designation of the public and the private male and female was key to the subordination of women Conversations with Audre Lorde Audre Lorde, 2004 Audre Lorde 1934 1992 the author of eleven books of poetry described herself as a Black feminist lesbian poet warrior mother but she added that this phrase was inadequate in capturing her full identity The interviews in this collection portray the many additional sides of the Harlem born author and activist She was also a rebellious child of Caribbean parents a mastectomy patient a blue collar worker a college professor a student of African mythology an experimental autobiographer in her book titled Zami a critic of imperialism and a charismatic orator Despite her intense engagement with the major social movements of her time Lorde told interviewers that she was always an outsider a position of weakness and of strength Most of her schoolmates were white She married a white legal aid attorney and after

their divorce she was the partner of a white psychologist for many years These intimate alliances with whites caused some African Americans of both genders to question the depth of her solidarity Lorde expressed distrust of some white feminists and charged that they lacked real understanding of African American struggles Writing proved to be her powerful weapon against injustice Painfully aware that differences could provoke prejudice and violence she promoted the bridging of barriers These interviews reveal the sense of displacement that made Lorde a champion of the outcast and the forgotten whether in New York Mississippi Berlin or Soweto
