Journeys of Transformation John D. Barbour,2022-03-31 Western Buddhist travel narratives are autobiographical accounts of a journey to a Buddhist culture Dozens of such narratives have since the 1970s describe treks in Tibet periods of residence in a Zen monastery pilgrimages to Buddhist sites and teachers and other Asian odysseys The best known of these works is Peter Matthiessen s The Snow Leopard further reflections emerge from thirty writers including John Blofeld Jan Van de Wetering Thomas Merton Oliver Statler Robert Thurman Gretel Ehrlich and Bill Porter The Buddhist concept of no self helps these authors interpret certain pivotal experiences of unselfing and is also a catalyst that provokes and enables such events The writers spiritual memoirs describe how their journeys brought about a new understanding of Buddhist enlightenment and so transformed their lives Showing how travel can elicit self transformation this book is a compelling exploration of the journeys and religious changes of both individuals and Buddhism itself

Choosing to Be Simple Tao Yuanming,2023-11-07 Navigating the uncertainty of a divided China wracked by warfare and corruption Tao Yuanming s

poetry expertly translated by Red Pine chooses the path walked by China's ancient sages finding joy in living a simple life. The latest work in Red Pine's rich career of translation, *Choosing to be Simple: Collected Poems of Tao Yuanming*, is a definitive portrait of the early Chinese politician and poet. Thoroughly researched and beautifully translated, this bilingual collection of over 160 verses chronicles Tao Yuanming's path from civil servant to reclusive poet during the formative Six Dynasties period (220-589). Familiar scenes like farming and contemplating the nature of work and writing are examined with intimate honesty. As Red Pine illuminates Tao Yuanming's sensitive voice, we find the poet's solace and sorrow in a China transformed by modernity. Tao Yuanming's distinct verse shows a keen attention to rhythm as he explores the tension of scarcity and indulgence, duty and escape. Reverberating with clarity and sincerity and laced with humor, the poems of *Choosing to be Simple* portray a man's timeless desire to live by the principles enshrined by China's sages. Guided by Tao Yuanming's own wonderment, we too find ourselves asking, "Why did I ever question my heart?" We are encouraged to find joy in simplicity: the tending of a garden, the sharing of wine with a stranger.

If a Mountain Lion Could Sing Xin Qiji, 2025-05-06. *If a Mountain Lion Could Sing* stands as the first major English translation of poems written by China's greatest lyric poet, Xin Qiji. World-renowned translator Red Pine has found a new dance partner. His latest bilingual collection, *If a Mountain Lion Could Sing*, boasts 126 poems by swordsman, visionary, and China's greatest lyric poet, Xin Qiji. Paying respects at the poet's grave and visiting the very places where Xin composed his stanzas—the cassia trees of the Wu River, houseboats along the Yangtze, mountain monasteries—Red Pine makes a physical and spiritual exercise of translation. Written over 800 years ago and to melodies since lost, Xin's verses still leap across centuries, mapping real and interior landscapes, relaying universal concepts of duty and solitude, love and nostalgia. Though true mirrors are hard to come by, Xin's poems serve as haunting reflections of a man who sang with heroic abandon.

Lao-tzu's Taoteching Laozi, 2009. One of the best-selling English language translations of the *Taoteching*. A refreshing new translation. Highly recommended. *Library Journal*. With its clarity and scholarly range, this version of the *Taoteching* works as both a readable text and a valuable resource of Taoist interpretation. *Publishers Weekly*. Read it in confidence that it comes as close as possible to expressing the Chinese text in English. Victor Mair, professor of Chinese studies, University of Pennsylvania. *Lao-tzu's Taoteching* is an essential volume of world literature, and Red Pine's nuanced and authoritative English translation, reissued and published with the Chinese text en face, is one of the best-selling versions. Features that set this volume apart from other translations are its commentaries by scores of Taoist scholars, poets, monks, recluses, adepts, and emperors, spanning more than two thousand years. I envisioned this book, Red Pine notes in his introduction, as a discussion between Lao-tzu and a group of people who have thought deeply about his text. Sages have no mind of their own; their mind is the mind of the people; to the good they are good; to the bad they are good; until they become good to the true they are true; to the false they are true; until they become true. Lao-tzu (ca. 600 BCE) was a Chinese sage whom Confucius called a dragon among men. He served as Keeper of the Royal Archives and authored the

Taotching Red Pine is one of the world's foremost translators of Chinese literary and religious texts. His books include *The Heart Sutra Poems of the Masters* and a collection of all the known poems by the mountain hermit Han Shan. *The Collected Songs of Cold Mountain* [The Middle Way](#), 2008

Zen Masters Of China Richard Bryan McDaniel, 2012-09-10 *Zen Masters of China* presents more than 300 traditional Zen stories and koans far more than any other collection Retelling them in their proper place in Zen's historical journey through Chinese Buddhist culture it also tells a larger story how in taking the first step east from India to China Buddhism began to be Zen The stories of Zen are unlike any other writing religious or otherwise Used for centuries by Zen teachers as aids to bring about or deepen the experience of awakening they have a freshness that goes beyond religious practice and a mystery and authenticity that appeal to a wide range of readers Placed in chronological order these stories tell the story of Zen itself how it traveled from West to East with each Zen master to the next but also how it was transformed in that journey from an Indian practice to something different in Chinese Buddhism Ch an and then more different still in Japan Zen The fact that its transmission was so human from teacher to student in a long chain from West to East meant that the cultures it passed through inevitably changed it *Zen Masters of China* is first and foremost a collection of mind bending Zen stories and their

wisdom More than that without academic pretensions or baggage it recounts the genealogy of Zen Buddhism in China and through koan and story illuminates how Zen became what it is today **Diary Ennin**,1955 *Ennin's Diary* Ennin,2020-10-25 This book is the first complete translation into any modern language of the diary kept by Ennin a Japanese Buddhist monk who traveled to China in AD 838 in search of new religious texts and further enlightenment in his faith Ennin tells the memorable story of the hazards of sea travel in the ninth century and of his extensive journeys by foot and by riverboat throughout Northern China In intimate detail he describes life in the cities and monasteries of Tang China the ways of Chinese officialdom secular festivals and public events He depicts Buddhism as a living religion just at the point when it reached its apogee in China and offers the most authoritative account available of the great religious persecution of the 840 s which was so critical a turning point in Chinese history Among the earliest diaries in Japanese literature Ennin s immersive description of ninth century China represents one of the first foreign eyewitness accounts of everyday life there Despite its historical importance Ennin s Diary has been long out of print and it is our pleasure to make this great work available once again to the public With a new foreword by Valerie Hansen the modern reader will find this account more accessible and engaging than ever **Promises to Keep** Miles O'Brien Riley,1991-08 **Empty Cloud** Xuyun,1988 *Railroad Gazette* ,1871 *Railroad Age Gazette* ,1871 **International Christian Literature Documentation Project** Douglas W. Geyer,1993 *Choice* ,1985 *Books in Print* ,1977 **Zibo** ,2001-08 Zibo the last of the great Chinese Zen masters played a leading role in the 16th century revival of Buddhism in China A famous teacher with wide contacts in high society and among the common people Zibo taught Zen by personal example showing in his own life the single minded determination and pure intent characteristic of the champions of Zen In a final uncompromising gesture he gave his life in a protest against the policies of the tyrannical imperial authorities This is Zen teaching from an authentic source a classic Zen teacher who embodied the truth of the Buddhist Teaching The language is plain and direct the message challenging and profound The lessons left to us by Zibo are indeed jewels from the treasury of light
