The Thirteenth Apostle Revised Edition What The Gospel Of Judas Really Says:

The Thirteenth Apostle: Revised Edition April D. DeConick, 2009-06-23 April DeConick offers a new translation of the Gospel of Judas one which seriously challenges the National Geographic interpretation of a good Judas **The Thirteenth Apostle** April D. DeConick, 2007 April DeConick offers a new translation of the Gospel of Judas one which seriously challenges the National Geographic interpretation of a good Judas **THE GNOSTIC JESUS** Edward D. Andrews, 2021-06-09 Jesus is identified by some Gnostics as an embodiment of the supreme being who became incarnate to bring gnosis to the earth In contrast others adamantly denied that the supreme being came in the flesh claiming Jesus to be merely a human who attained enlightenment through gnosis and taught his disciples to do the same Among the Mandaeans Jesus was considered a miha kdaba or false messiah who perverted the teachings entrusted to him by John the Baptist Still other traditions identify Mani and Seth the third son of Adam and Eve as salvific figures In the course of a century and a half Gnosticism comes and goes before us like a splendid vision And yet its influence upon Christianity was profound and permanent It gave occasion to a great expansion of Christian thought to a clearer idea of the historical relation of Christianity to earlier and surrounding religions and to a better definition of the basis of true faith Therefore it deserves a more careful study than it has only recently received In Search of Truth. Augustine, Manichaeism and Other Gnosticism J. van (Johannes) Oort, Jacob Albert van den Berg, 2011 This volume in honour of Prof Dr Johannes van Oort offers a rich variety of in depth studies on Augustine Manichaeism and other Gnostic currents thus reflecting the rich variety of the honoree's research interests The Secret History of the Gnostics Andrew Phillip Smith, 2015-11-24 Learn more about the myths practices history and recent resurgence of Gnosticism as a Gnostic scholar seeks to answer why this Christian mystical movement has inspired the likes of Dan Brown and Philip Pullman The Secret History of the Gnostics offers long awaited illumination on the mystical movement that teaches gnosis knowledge of God as opposed to unquestioning faith Acclaimed author Andrew Phillip Smith delves into the myths and practices of this ancient movement exploring its popularity during 2nd century AD its subsequent decline under the weight of orthodoxy in the Church and its present day resurgence Gnosticism has travelled a fascinating path from the Manichaeans in Modern Persia between the 3rd and 7th centuries AD to the triumphs and tragedies of the Cathars in Southern Europe between the 12th and 14th centuries to finally today's Mandaeans in Iraq However as the author points out the revival of Gnosticism extends further than these narrow sects offering inspiration to a legion of literary figures including Dan Brown and Philip Pullman Gnosticism's emphasis on personal over organized religion in keeping with the doctrine of the early Christian era during which it thrived has found particular resonance with today's multicultural world In addition to discussing the Gnostic gospels and the sect's practical beliefs and customs The Secret History of the Gnostics is also in effect a manifesto an appeal to those inspired by or drawn to the Gnostic faith not to forget its origins **The Gospel of Judas, Second Edition** Rodolphe Kasser, Marvin Meyer, Gregor

Wurst,Francois Gaudard,2008-06-17 For 1 600 years its message lay hidden When the bound papyrus pages of this lost gospel finally reached scholars who could unlock its meaning they were astounded Here was a gospel that had not been seen since the early days of Christianity and which few experts had even thought existed a gospel told from the perspective of Judas Iscariot history s ultimate traitor And far from being a villain the Judas that emerges in its pages is a hero In this radical reinterpretation Jesus asks Judas to betray him In contrast to the New Testament Gospels Judas Iscariot is presented as a role model for all those who wish to be disciples of Jesus and is the one apostle who truly understands Jesus Discovered by farmers in the 1970s in Middle Egypt the codex containing the gospel was bought and sold by antiquities traders secreted away and carried across three continents all the while suffering damage that reduced much of it to fragments In 2001 it finally found its way into the hands of a team of experts who would painstakingly reassemble and restore it The Gospel of Judas has been translated from its original Coptic to clear prose and is accompanied by commentary that explains its fascinating history in the context of the early Church offering a whole new way of understanding the message of Jesus Christ

The Public Rituals of Life, Death, and Resurrection in Tlayacapan, Morelos (Mexico) Robert H.

Jackson,2020-01-20 A process of social cultural and religious change occurred in central Mexico starting in the sixteenth century following the Spanish conquest Missionaries from different religious orders attempted to convert the indigenous peoples of central Mexico to Catholicism and a part of this process involved the imposition of a new ritual cycle on the existing Mesoamerican cycle that governed agriculture and the cosmic order This study describes the evolution and modern practice of the public ritual of life death and resurrection in Tlayacapan Morelos Tlayacapan is a community located in northern Morelos that has evolved from being a traditional community of N huas to a center of cultural tourism based on its architectural patrimony artisan tradition and particularly its public ritual Carnival and the Day of the Dead continue to form a part of the traditional ritual cycle but have also been used to attract tourism This study discusses the modern practice of carnival Holy Week and the Day of the Dead and the historical origins of these public rituals

Paradise Reconsidered in Gnostic Mythmaking Tuomas Rasimus,2009-10-31 This book offers a new understanding of Sethianism and the origins of Gnosticism by examining the mythology in and social reality behind a group of texts to which certain leaders of the early church occasionally attached the label Ophite In the unique Ophite mythology which rewrites the Genesis paradise story and is attested for example in Irenaeus Adversus haereses 1 30 The Apocryphon of John and On the Origin of the World the snake s advice to eat of the tree of knowledge is considered positive the creator and his angels are turned into demonic beasts and the true Godhead is presented as an androgynous heavenly projection of Adam and Eve It is argued that Hans Martin Schenke s influential model of the Sethian system only reveals part of a larger whole to which the Ophite material belongs as an important and organic component
