The Title to the Poem Anne Ferry,1996 The first six chapters are distinguished according to the nature of the question a reader might ask about the poem which the title purports to answer Who gives the title Who has the title Who says the poem Who hears the poem What genre does the poem belong to What is the poem about *The Title to the Poem* Anne Ferry,1996 This is a powerful elegant and most original study that moves across and through the range of English and American verse What is so impressive too about this book is that the author s thought about the nature and structure and function of titles is rooted in and leads to wonderfully illuminating readings of the poems in question John Hollander Yale University There hasn t been an adequate history of the business of poetic titling until this new book by Ferry and it is stimulating and welcome This is an indispensable hornbook Anne Ferry has written the last word on the first words on any poem Partisan Review **Proceedings of the International Conference on Learning and Advanced Education**

The English Poems of George Herbert George Herbert,2007-10-04 The definitive scholarly edition of Herbert s complete English poems accompanied by extensive explanatory and textual apparatus a glossary of key words and an index of biblical quotations The text is meticulously annotated with historical literary and biblical information as well as modern critical contexts *Paratextuality in Anglophone and Hispanophone Poems in the US Press, 1855-1901* Ayendy Bonifacio,2024-04-30 Drawing examples from over 200 English language and Spanish language newspapers and periodicals published between January 1855 and October 1901 Paratextuality in Anglophone and

Hispanophone Poems in the US Press 1855-1901 argues that nineteenth century newspaper poems are inherently paratextual. The paratextual situation of many newspaper poems, their links to surrounding textual items and discourses, their editorialisation through circulation, the way poems were altered from newspaper to newspaper and their association and disassociation with certain celebrity bylines, editors and newspaper titles enabled contemporaneous poetic value and taste that in the mid to late nineteenth century were not only sentimental, Romantic and/or genteel. In addition to these important categories for determining a good and bad poem, poetic taste and value were determined by Bonifacio, who argues via arbitrary consequences of circulation, paratextualisation, typesetter error and editorial convenience. **Poematia Latine partim**

reddita partim scripta. [The half-title reads] The poems of Vincent Bourne with memoir and notes by J. Mitford

Vincent Bourne, 1840. Interpretaciones Rudyard J. Alcocer, 2023-02-01. Interpretaciones Experimental Criticism and the Metrics of Latin American Literature examines readers' reactions to short texts during crucial moments of the reading experience. These readers are students at universities in the US and several Spanish speaking countries. Far from reducing the reading experience to a series of numbers, the data driven approaches in the study instead underline the startling complexity and elusiveness of seemingly basic literary processes and concepts including those pertaining to authorship, titles, conclusions and so on. Simultaneously, Interpretaciones suggests alternative methodologies for gaining new and unexpected knowledge about literary texts themselves, whether from Latin America or elsewhere. Interpretaciones is an ambitious interdisciplinary project geared toward those interested in literary theory, Latin American and Caribbean literature and the nexus between literature and science. **Published Poems** Herman Melville, Robert Charles Ryan, Hershel

Parker, 2009-07-02. Although he surprised the world in 1866 with his first published book of poetry, *Battle Pieces and Aspects of the War*, Herman Melville had long been steeped in poetry. This new offering in the authoritative Northwestern Newberry series *The Writings of Herman Melville* with a historical note by Hershel Parker is testament to Melville the poet. Penultimate in the publication of the series, *Published Poems* follows the release of Melville's verse epic *Clarel* 1876 and with it contains the entirety of the poems published during Melville's lifetime: *Battle Pieces* as well as *John Marr and Other Sailors* with *Some Sea Pieces* 1888 and *Timoleon* etc. 1891. *Battle Pieces and Aspects of the War* has long been recognized as a great contribution to the poetry of the Civil War, comparable only to Whitman's *Drum Taps*. Its idiosyncrasies, many of them grounded in British poetry, kept it from immediate popularity, but it was not the production of a novice. Melville had made himself over into a poet in the late 1850s and had tried to publish a previous collection of poetry, now lost, in 1860. *John Marr and Other Sailors* is a retrospective nautical book. Its portraits of sailors were influenced by Melville's own experience of aging as well as by his long acquaintance with wasted mariners at the Sailors' Snug Harbor on Staten Island, where his brother was governor. The book modulates into *Sea Pieces*, including the grisly *Maldiva Shark* and *To Ned*, a powerful reflection on how Melville's personal adventures with the Typee islanders in 1842 had accrued rich historical significance.

over the decades Thematically less unified Timoleon Etc contains poems with many European and exotic settings from ancient to modern times The most famous are After the Pleasure Party and The Age of the Antonines Published in the last year of Melville's life some of the poems were first written many years earlier for example Melville copied The Age of the Antonines out for his brother in law in 1877 describing it as something found in a bundle of old papers One whole section seems to have been almost entirely salvaged from the unpublished 1860 volume of poetry As with the other volumes in the Northwestern Newberry series the aim of this edition of Published Poems is to present a text as close to the author's intention as surviving evidence permits To that end the editorial appendix includes a historical note by Hershel Parker the dean of Melville scholars which gives a compelling in depth account of how one of America's greatest writers grew into the vocation of a poet an essay by G Thomas Tanselle on the printing and publishing history of the works in Published Poems a textual record that identifies the copy texts for the present edition and explains the editorial policy and substantial scholarly notes on individual poems
