Terminal Generation MR Hal Lindsey, 1981-09-01 Are We the Terminal Generation? Christine Tate, 2019-09-14 The generation who will be alive at the time of Christ's return is called the Terminal Generation This special generation will experience unique times unlike any other generation has witnessed before or ever will see again But is that our generation Israel once again exists the Sanhedrin has been reconvened and temple preparations are in full swing Signs such as terrorism and moral decay line up with the conditions required before Jesus can return For only 75 cents per lesson examine the evidence as this twenty five week group study tackles the intriguing questions such as is Mystery Babylon someone or something known in our modern world what is the identity of the two witnesses and what is their purpose how might the Mark of the Beast logistically be implemented how close are we to the beginning of the rebuilding of the third temple what do the seals trumpets and bowls mean for mankind who might be the other signatory on a seven year peace agreement with Israel how does the Bible compare to the Qur'an on the issue of terrorism are there signs of the foundation of a one world government that can be seen today what might a one world religion look like given our current global faith composition what is the identity of the Restrainer and can we see traces of it in our world today how do pre Tribulation and post Tribulation rapture arguments compare and what will life be like through the Millennial Reign and beyond Delve into a relevant exploration of how end time prophecy affects us in our world today as you decide for yourself if we are the Terminal Generation Simplifying the complex and often confusing world of prophetic events each week you and your group will enjoy this topical approach to prophetic events as you open with a prayer and ice breaker followed by a short Greek or Hebrew word study relating to the topic of the week A lesson then explains the topic in simplified terms using relevant information

intertwined with the facts of scripture viewed against the backdrop of our world Following the fact filled lessons are discussion questions that encourage group discussion on how the topic relates to our world as we know it After discussing the weekly concept suggestions are provided for additional ways to connect the topic to your week Lastly the study ends with a closing prayer which gives your group the opportunity to pray for each other Piece by piece like a puzzle coming together you and your group will make important connections and develop a greater understanding of end time prophetic events and what they mean to us now So what do you think Are we the Terminal Generation It s time to make the relevant connections between scripture and our world Find out for yourself what scripture has to say about the matter today This book also pairs well with The No Homework Bible Study Group Hug Holidays by Christine Tate When a holiday approaches take a one week break to do the single stand alone fellowship building lesson for the holiday then return to your regular study program

Liberating the Terminal Generation Thomas Ray Cleghorn, 2016-07-23 All Christians realize the tremendous impact the first century events of Jesus birth through His Resurrection and Ascension have on our lives today But few realize that a set of events he prophesied which occurred 40 years later also have a great impact on us today in the 21st century A lack of understanding of these fulfilled prophecies that both Jesus and John foretold not only affect our attitude about life now but can determine how we view and prepare for our future These prophecies by Jesus their fulfillment and their affect on us in our day are all detailed in *Liberating The Terminal Generation* I wrote this book for those whom the doomsayers have erroneously labeled the Terminal Generation You are not the terminal generation you have a future and a hope God placed you on this earth for a reason and that reason is not to waste your time here anticipating the end of the world This book gives us clear insight into Paul the Apostle s explanation of exactly when the end of the world and its systems do actually occur The answer may surprise you It encourages the Church to be done with a Chicken Little mentality and get on with the process of living productive Christian lives Everyone realizes that since we have only one life to live on this earth we should make the most of it and enjoy it to the fullest Jesus made that possible and even said that he gave us abundant life so that we could enjoy it while fulfilling our God given destiny Yet many Christians live in fear dreading the events we have understood were prophesied to occur just before his return Modern Christians have badly misunderstood these prophecies and let that misunderstanding kill our joy and stall the advancement of his kingdom on earth The Bible does not speak of gloom and doom for Christians but a victorious future Blood moons are not an indication that the end is upon us and the sky is not falling According to biblical truths plainly stated in the Word we will not be checking out any time soon so lets make the best of it *Liberating The Terminal Generation* was written specifically for those who have a desire to know the truth about the end time regardless of their knowledge or lack of knowledge of theological concepts and eschatology The revelation you will discover in this book will help you to regain that joy that Jesus provided and free you to become the child of God that Jesus decreed you could be When you begin to grasp the truth of what Jesus prophesied you will begin to live a life free from fear and enjoy

more fully the abundant Christian life he gave us You will truly be liberated from the unscriptural terminal generation mentality that so pervades modern religious thinking This book may challenge your end time theories a bit but it will also make you more aware of the absolute accuracy of biblical prophecy You are about to gain a much clearer view of the Bible as a whole and of Jesus Olivet prophecies in particular You will better understand the intended purpose for the Book of Revelations and why it is so difficult for us to understand You will no longer need to speculate about who the Antichrist may be or when the tribulation period will begin Instead you will be able to look forward to the future with the joy and anticipation that all Born Again Christians should enjoy As you read this book and as you begin to see Scripture from the perspective of a first century Christian my desire is that you gain a clear perception of the truth of the end of the age as the Bible portrays it So grab your Bible open your heart and your mind and hang on Midnight Cry Stefan O.

Benson,2006-11-07 Midnight Cry is a close look through the eyeball of Scripture at the fifth through the twentieth chapters of the Book of Revelation A look that fostered a scenario regarding our Day that was brought into focus by the prophecies of Daniel Ezekiel and the Lord Jesus in the Old Testament and the Apostles Paul and John in the New Testament This book is my written testimony of what I saw when I superimposed these biblical texts over our present world society For I saw answers to the developing trends and the persistent mysteries impacting our generation the UFO phenomenon the rise of the New World Order the coming Antichrist the pending war in the Middle East Satan s last day agenda and some of the less heralded but equally compelling end time signs What God gave me to understand with the insight of some of the most gifted Bible prophecy teachers of our generation initially shocked and amazed me Nevertheless as an evangelical theologian I was challenged to publish a provocative yet plausible message a message that is not publicly endorsed by a majority of the conservative theological society with whom I share a deep affinity Midnight Cry therefore is offered according to the spirit of faith I believed therefore I have written As an evangelist I am constrained to cry loud and spare not because I am indebted to every man living in the terminal generation to deliver this message to you for your most sober reflection I strongly recommend that each one read this book slowly and during a quiet time Also refer to the Bible frequently to see if the things that are written in this book are in line with the Word of God Midnight Cry may well prove to be one of the most important books that you will ever read AND AT MIDNIGHT A CRY WAS HEARD BEHOLD THE BRIDEGROOM IS COMING GO OUT TO MEET HIM Matthew 25 6 *The Terminal Generation* Gary King,2016-04-02 This book is a fresh look at the subject of

eschatology which is the study of end time prophetic events It is not locked into the traditional thinking and teachings espoused in the last two hundred years The views expressed in this book are the result of a comparison of what Jesus taught on this subject through the Old Testament prophets what Jesus taught on this important subject while He was on the earth and what Jesus taught from heaven to His apostles after His ascension The basic premise embraced while comparing these is that what Jesus taught in the Old Testament or what He taught while on the earth or what He taught after His ascension

would never contradict one another What Jesus taught on earth was spoken in plain earthly language whereas much of the other teachings were generally spoken in parabolic language in heavenly figurative language In interpreting parabolic language there can be numerous possibilities as to God s intended meaning However many of these possibilities can be eliminated by comparing them with what Jesus taught plainly during His earthly ministry Any interpretation that contradicts what Jesus taught in the Olivet Discourse cannot be the intended meaning of that which He taught in any of the prophetic books of the Bible such as Daniel Isaiah Joel or Revelation This book is not intended to rehash the popular traditional teachings of our day on eschatology but rather to open up the minds of the readers to explore and consider concepts and views that lie outside of the box of the commonly accepted teachings being taught to this present generation God s Word declares that some of these prophetic things will be sealed or hidden from man until the last days of this age However God promises to reveal that which has been hidden to the last day terminal generation

The Terminal Generation

Joseph Essilfie, 2015-07-06 Our world is coming to an end our civilization is about to end looking at the way things are going and when all things seem to fail Jesus will come rapture His Church the Bride unto Himself Everything today in our world points to the fact that we are the terminal generation The pointers are wars famine economic crisis and natural disasters something unimaginable is around the corner and we need to look up When Jesus was asked by His disciples about the signs of His coming and the end of the age He did not mince words and gave an elaborate account of what was to be expected in Matthew 24 We are living in those days as prophesied by Jesus Christ Everything now points to His coming and the admonition was when you see all these things happen look up for your redemption draws near In The Messiah s Return an attempt is made to prove we are the terminal generation and that the rapture Jesus coming to take His people out of this world is closer than ever before According to even scientist we are almost at our mid night hour what then do we need to prepare The book also reveals what is gone wrong and how to correct our stand with the truth and be in readiness to meet the Lord when He appears
